DEATH OF A VENERABLE PHYSICIAN.

In November last death claimed one of the venerable physicians of Western New York, Dr. Alonzo Wiltse of Delevan, Cattarangus County. Mr. Wiltse had been a practising physician for seventy years. A peculiar circumstance in connection with his life is the fact that thirty years ago he was stricken with Bright's disease and after a thorough examination and consultation by eminent Buffalo physicians, his case was pronounced incurable and he was advised to prepare for the closing of his

earthly eareer. Returning to his home with such sad information he was spurred to make n desperate analysis and study Bright's disease, with the result that he formulated a remedy which completely cured him and gave him an additional lease of thirty years of life, or until the age of 94 years, as mentioned

Mr. Wiltse in his practice thereafter 28 46 used the remedy with great success. The 83 mixture can be obtained at any local drug store at a nominal cost, and the complete formula will be mailed, post-paid, on receipt of twenty-five cents by addressing the Empire Type Foundry, 809 Morgan Bldg., Buffalo, N. Y., enclosing 25 cents in stamps or coin. The Empire Type Foundry is one of the largest anti-trust type makers and is given a rating by Dun's Commer-cial Agency of \$20,000, with high
