## Spring Suits in a Charming Array of Styles.

There are so many styles of spring garments that to mention any one in particular would be casting a slight on all the others equally desirable. Those who fashion the styles have taken wondrous liberties—so that every individual fancy can be met and gratified. If any one particular collection stands out in stellar array it is the

of which we show a wonderful variety, with scarcely any two alike. We have built carefully around this \$25 price and have reason to be proud of the result.

### The Merry Widow Sailors.

When the "Merry Widow" first waltzed into popular favor last fall, makers of millinery, looking for something new to advertise, struck the idea of a large broad brimmed sailor, and immediately dubbed it the "Merry Widow." We have sold hundreds of them already, and they are indeed fetching and pretty. Besides the price is modest—\$5 buys your pick from a lot of over fifty.

### Excellent Values in Waists and Petticoats.

Dozens and dozens of new styles in Waists are ready for you this April week. We do not believe many large city stores have a more comprehensive showing. Certainly there are no better styles to be had in any city, and the major portion of them have no duplicates in Venango county. But while this exclusiveness enhances their value to you, it does not add to the cost of them; for they are remarkably low priced.

### THE FORTY BEACHES OF NEW JERSEY.

The one hundred and twenty-five odd miles along the New Jersey coast line from Long Branch to Cape May presents the greatest pleasuring section in the United States.

Upon the bluffs of the northern end and the gently shelving sands of the southern end are located forty resorts which entertain during the spring and summer season millions of pleasure seekers.

At no time in the year is this section more delightful than during the spring and early summer months. One who has not seen them at this season would marvel at their delights. The great pine belt, which extends through the center of New Jersey, fills the air with life-giving ozone, which combined with the salty tang of the sea and the open air exercise possible at all times, is exhilarating and tonic to the highest degree.

Long Branch, with its beautiful cottage-neighbors, West End, Hollywood, and Elberon; Deal and Allenhurst, largely devoted to cottage life; Asbury Park and Ocean Grove, attracting thousands yearly; Avon, Belmar, Como, Spring Lake, and Sea Girt, are a galaxy of attractive places upon the bluffs where "the country meets the sea."

Then the Barnegat Bay section, where Point Pleasant, Sea Side Park, Island Heights, Barnegat City, and Beach Haven, with other smaller places nearby, welcome the summer sojourner.

Atlantic City, with its seven miles of beach and drives, and its charming suburbs, leads the island resorts, separated from the main land by the great salt marshes.

Ocean City, Sea Isle City, Avalon, and Stone Harbor; Angelsea, Wildwood, Holly Beach, and Wildwood Crest also have a large summer population.

And Cape May, with its new million dollar hotel and its wonderful improvements makes a fitting climax and holds a high place among the forty beaches.

The Pennsylvania Railroad is the direct route to all of these resorts from all sections of the country. Its splendid train service makes each of them neighbor to all the rest and to the world at large.

### DEATH OF A VENERABLE PHYSICIAN.

In November last death claimed one of the venerable physicians of Western New York, Dr. Alonzo Wiltsie of Delaware, Cattaraugus County. Mr. Wiltsie had been a practicing physician for seventy years. A peculiar circumstance in connection with his life is the fact that thirty years ago he was stricken with Bright's disease and after a thorough examination and consultation by eminent Buffalo physicians, his case was pronounced incurable and he was advised to prepare for the closing of his earthly career.

Returning to his home with such sad information he was spurred to make a desperate analysis and study of Bright's disease, with the result that he formulated a remedy which completely cured him and gave him an additional lease of thirty years of life, or until the age of 94 years, as mentioned above.

Mr. Wiltsie in his practice thereafter used the remedy with great success. The mixture can be obtained at any local drug store at a nominal cost, and the complete formula will be mailed, postpaid, on receipt of twenty-five cents by addressing the Empire Type Foundry, 809 Morgan Bldg., Buffalo, N. Y., enclosing 25 cents in stamps or coin. The Empire Type Foundry is one of the largest anti-trust type makers and is given a rating by Dun's Commercial Agency of \$20,000, with high credit.
