It will be remembered that the accident occurred while Wright was acting as lumber railroad at Endeavor.

> -On Tuesday of last week H. R. Sigworth of Johnlowen and J. L. Hepler of Newmansville purchased from A. C. Urey his livery stable in this place, taking possession of the same on Saturday. The purchase includes the barn and lot and everything pertaining to the livery business. The new owners are well and favorably known to our people and as both are hustling business men their success in this new venture is a foregone conclusion. Mr. Urey has not yet decided what business he will take up in the future. For the present he will keep his residence in Tionesta and devote his time to the management of a large farm which he owns near Sandy Lake, Mercer county. Note the ad, of the new firm in this issue of the REPUBLICAN.

-The large number of undersized trout which fishermen have caught and had to throw back this season has led to a dereducing the size from six to four inches. Said a local angler to the Titusville Herald yesterday: "A large proportion of the speckled beauties thrown back die. If the size was made four inches, the limit reduced to 35 a day, and the season shortened from three to two months, most trout fishermen would be pleased. Otherwise the state authorities will shortly find it necessary to stop fishing entirely but the jump from 6 to 4 inches is too five inches, where it was some years ago. and the result would not pe harmful to erage legislature scarcely ever does anything sensible when dealing with the fish and game laws.

### Resolutions of Respect.

The undersigned committee on resoluions, appointed at the May meeting of Capt. George Stow Post, G. A. R., to draft resolutions on the death of comrade John Harkness Wentworth, report that again death has invaded our ranks, by the removal of our beloved comrade above mentioned.

Resolved, That we, as a Post of the G. A. R., do mourn the loss of this good comrade from our ranks; that we cherish his memory as a good and efficient member of our order, devoted to its principles. That in memory of his virtues as a soldier who served his country in the field in the time that tried men's souls, and in time of peace was devoted to the grand cardinal principles of fraternity, charity and loyalty, he is devoutly remembered, and we cherish his memory as a devoted son of the republic. That a copy of these resolutions be engrossed on our minutes published in our newspapers.

S. D. IRWIN, B. F. FEIT, C. A. HILL,

### Prof. Morrison Succeeds Himself.

The convention of School Directors held at the court house in Tionesta yesterday afternoon for the purpose of electing a Superintendent of Schools proved to be merely a formal affair, but one candidate being presented to the convention.

The Convention was duly called to order by Supt. D. W. Morrison, and D. B. Shields, of Jenks twp., was named as President, and Leon Watson, of Kingsley twp., was named as Secretary of the

convention. The question of fixing the salary was the first to come before the convention. Prof. Morrison explained that the average school term in Forest county exceeding seven and one-half months the salary of the superintendent for the ensuing three years would be not less than \$1,500. Upon motion of Q. Jamieson the convention

unanimously agreed upon that sum. The placing of candidates in nomination was then taken up, and in a welltimed speech Dr. J. C. Dunn, of the borough school board, placed Prof. D. W. Morrison before the convention. This nomination was seconded by Dr. C. Y. Detar of Kellettville, and there being no other candidate named the convention proceeded to the election by viva voca vote. Every director present, 37 in all, named Prof. Morrison as his choice, and upon the conclusion of the roll-call President Shields declared him duly elected as superintendent of schools for the ensuing
