big boats are owned by Collins, Darrah
& Co., of Nebraska.

Mothers' Day—by the wearing of a white

the end of the week.

publican office a quantity of seeds which

they will call for them.
—The Sheffield school board is now re-
ceiving applications for the principalship
of the Sheffield school. The position is
made vacant by the election of Prof. C. S.
Knapp as County Superintendent.
—The famous "Queen Quality" shoes
for ladies are handled in Tionesta solely
by Hopkins. They speak for themselves,
being unequalled for style, beauty, com-
fort and wearing qualities. A trial will
make you a "Queen Quality" customer.
—Campbell's Stain and Floor Finish is
the most durable finish for floors and
surfaces that are walked upon. Made
transparent and in colors imitating
natural woods. Bovard's Pharmacy upon
request will show a sample of old flooring
covered with this finish. It wears longer
than regular floor varnish.
—G. Fred Yowinkel, Sr., last Thurs-
day entered suit against the Baltimore &
Ohio railroad for \$50,000. Mr. Yowinkel
was one of those injured in a wreck near
Millwood, W. Va., in May 1907. Since
that time he has been confined to the
house, part of the time in bed. It seems
that his spine was injured and has been
kept in a plaster cast. That his condi-
tion is very bad is well known to the
people here.—Clarion Republican.

—At Pittsburg, Friday, the grand jury
in the United States Court found true
bills against Ernest W. Bowman, Joseph
W. Landers and William G. Wyman on
the charge of misappropriating the funds
of the Citizens National Bank of Tionesta,
Pa. The cases were to have come up
for trial today but were postponed
until next Monday. A large number of
our citizens went to Pittsburg the first of
the week to appear as witnesses in
these cases.
—This morning at Police Court Mayor
Carahan had a young man before him
who claims to reside near Hunter's Run.
It was charged the fellow acted in a very
strange manner Saturday night on the
streets, walking in the street car tracks
and paying no attention to the gong,
when the motorman found it necessary
to stop their cars to avoid running him
down. His actions were such the patrol-
men decided he was demented and took
him into custody. This afternoon he was
put on board the up-river train and ad-
vised to remain at home.—Oil City Bliz-
zard, Monday.
—A statement in detail of the moneys in
the General Fund of the State Treasury,
and one also of moneys in the Sinking
Fund, together with the names of bank-
ing institutions in which these funds are
deposited, takes up the major portion of
the first page of the REPUBLICAN today,
and displaces other reading matter. But
as the law requires the publication of this
matter monthly in not more than six
newspapers, and as it makes pretty inter-
esting reading matter anyway we could
not well refuse our old friend Auditor
General Young the use of our columns in
which to publish the information, espe-
cially when he tells us to send in our bill
for the work. It taxes the resources of
the ordinary country office to put this
report in type, as it's a hard one on sorts,
but this shop is equal to the emergency.
—The thirteenth annual convention of
the Forest County Sabbath School Asso-
ciation will be held in the M. E. church
in Nebraska, Tuesday and Wednesday,
June 23 and 24, 1908. Each school in the
county is urged to send at least two dele-
gates, besides the pastor and school su-
perintendent. All delegates expecting to
attend the convention should send their
names to Miss Mabel Blausner, Nebraska,
as soon as possible. Let there be a good
attendance. Come expecting a blessing.
W. G. Landes of Philadelphia, General
Secretary for the State Sabbath School
Association, and Miss Ernesta Lincoln of
Philadelphia, State Superintendent of
Primary and Junior Work, will be in
attendance during the entire time of the
convention. A good program has been
arranged, of which an announcement will
be made later.

—Mrs. Elvira Sibley Crane, mother of
Hon. J. C. Sibley, died Tuesday, May
5th, in Franklin, at the age of about 80
years. Death was due to the infirmities
of old age after a year's illness. Mr.
Sibley is at present in the Holy Land,
and probably will not return at the pre-
sent time to attend the funeral. Mrs.
Crane who was the widow of Rev. Ezra
F. Crane, was also the mother of Mrs.
Ann Adelaide Miller, who married Gen-
eral Miller, of the Nursery, and E. H.
Sibley, also of Franklin.
—Clarion county elected N. E. Heeter
superintendent of schools of that county
at the recent directors' convention, on the
second ballot, which stood, Heeter 105,
L. L. Himes, the present incumbent, 98,
E. E. Brown 1. The first ballot stood
Heeter 97, Himes 80, Davis 7, Geo. B.
Whitehill 11, Brown 6. Heeter is a Clar-
ion county man, is married and is aged
32 years. The Clarion Republican says
there is some talk of a contest over the
election. A miscuit and the use of
money are to be the grounds.

—For some time past Venango coun-
ty autoists have had trouble in having
their machine tires punctured while
touring on the country roads, and finally
discovered that some malicious person
was planting wire nails in the roads. A
Franklin detective was put on the track
of the offenders and was successful in ar-
resting two boys who are charged with
maliciously placing the destructive nails.
The youngsters are in jail and as they are
old offenders out on suspended sentence,
they may be sent to a reformatory.

—The Deibel Oil Co., whose farm and
oil property is located about three miles
out from Tidouste, and which is composed
principally of Tionesta citizens, namely,
J. W. Landers, W. G. Wyman, G. G.
Gaston and Daniel Walters, produces not
only a good deal of premium oil, but
raises considerable valuable stock. Last
week they sold a team of colts, aged four
and five years, which were raised on the
farm, for \$900.00 spot cash. The handsome
pair went to the State hospital at North
Warren, and will be a part of the fine
livestock of that magnificent institution.
—The following ruling has been handed
down by Judge Criswell, of Venango
county. "Each supervisor in the several
townships of this commonwealth shall be
allowed, in the settlement of his accounts,
the sum of \$1.50 for each day he shall be
necessarily employed in the discharge of
the duties of his office." The impression
has prevailed that supervisors are not en-
titled to compensation for services under
the new road law, and this decision was
handed down in a test case. The ruling
is good common sense and decency com-
bined. No man fit to be supervisor
should be expected to give up his time
for nothing.

—The experiment at propagating the
quail in this vicinity has proved to be a
success. Last year Charles L. Smith and
others interested in these game birds
brought seven dozen of the quail from
the west and put them in charge of own-
ers of farm lands, who agreed to feed the
birds and to post their lands against
hunters. Reports have been received
that indicate that all of the pairs of quail
have bred and have multiplied.—Derrick.
The propagation of quail in this section is
not an experiment. If we could always
have such open, mild winters as the past
one was, the woods would be full of them
in a short time. But a hard winter with
the ground covered heavily with snow
for two or three months is bound to ex-
terminate the gamy little birds.
—G. H. Lowe & Co's well on the Clapp
tract, Hickory township, was finished
last week and was shot Thursday in the
second or Cropp hill sand. It will prob-
ably make a two-barrel well. The well
was drilled to the fourth sand, but no
pay-streak was found below the second.
A location has been made for another
well. Bowman & Herman are drilling a
well for the Killmer Oil Co. on the Osten
farm, Harmony township. Lowe & Co.
have a well due today on the McKee farm
across the river. Their next location in
that field will be on the Robinson tract,
adjoining the McKee farm. Carson &
Morrow's No. 5 on the A. J. Siggins
farm, West Hickory, was finished the
last of the week. It was shot and while
not showing up as good as the last two
wells, will make a good producer. They
are at work on another well.

—David Wingard a highly respected
resident for almost a lifetime of Barnett
twp., Forest county, died at the home of
his daughter, near Raughts, Elk county,
on the 8th inst., of infirmities incident to
age, being upward of 80 years. He was
born near Callensburg, Clarion county,
but came early to Forest county, locating
and clearing up a farm on the Clarion
river about two miles above Clarington,
where he continued to live until a few
years ago, when he went to make his
home with his daughter. He is survived
by four sons and two daughters, namely:
James of Loleta, Victor of Tylersburg,
Robert of Butler, and Dow of Allegheny
county, N. Y.; Mrs. M. J. Sowers of
Raughts, and Mrs. Frank Henderson of
Brookville. The funeral was held on
Sunday, with interment in the cemetery
at Clarington, beside his wife who pre-
ceded her husband to the grave many
years ago.

—A dispatch from Harrisburg, Pa., under
date of May 9th, says: A corporation
that did business for 41 years without re-
ceiving letters patent was discovered at
the Auditor General's department yester-
day. The company is the Tidouste-War-
ren Oil Company, chartered by the act of
the Legislature in 1867. For some un-
known reason it did not take out letters.
The company made money in Warren
county. Recently some experiments
showed that there was oil at greater
depths and new drilling was started.
The company, which was dormant, was
revived, one of the original members and
owners of stock, being found in Boston.
It is now in operation and the state au-
thorities upon investigation found that it
had been in existence for years, but had
never paid any state tax. It has now re-
ceived letters patent and the question
whether it is liable for back taxes will be
referred by Auditor General Young's de-
partment to the Attorney General.

feel proud. The percentage of attendance

Letter to Landers & Wyman,
Tionesta, Pa.
DEAR SIRS:—The wear of paint goes by
gallons; the less-gallons paint wears
longest. The reason, of course, is its
strength. It takes less gallons, because
it is strong; it wears a long time, because
it is strong. It is all-paint and the
strongest paint.
There is a best paint among all-paint
paints. No two are alike, of course; no
two cover alike or wear alike. One is
thin, another is thick; one has too much
lead, another too much zinc, another is
right. The right is Devoe, so far as it
is well known. Perhaps somebody else will
find out a better paint than Devoe; then
Devoe will become a more-gallons paint,
a costlier paint, a weaker paint, a less-
durable paint, a less-economical paint, a
tinny paint.
Bigger changes than that have come
over the world. Devoe has the lead; why
shouldn't we lose it to somebody else?
Yours truly,
F. W. Devoe & Co.
P. S.—Dunn & Fulton sell our paint.

Honor Your Mother.
Next Sunday, May 17th, the services in
the Presbyterian church, both at 11:30 a.
m. and 7:30 p. m., will be held in honor
of mothers. The object of the service is
to brighten the lives of our mothers and
to make them more honored, loved and
protected by their children. To remind
sons and daughters of the unselfish devo-
tion of their mothers, and possibly of
their own selfish neglect of their parents.
To ask men, women and children to
make their mothers feel this May day
that in her children's hearts she is
"Queen of the May."
Every person is asked to at least ob-
serve the day by wearing a white carnation
in honor of his mother, and as a
badge of love and loyalty. Show your
mother some special kindness this day in
words of affection and appreciation, by a
gift or visit to her, or by a love letter if
absent from her. If she is not living
bless the life of some other mother in
memory of her.
At these services every mother, young
or old, will be made to feel they are in-
deed guests of honor. Special music will
be rendered both morning and evening.
The duet, "If You Love Your Mother
Meet Her in the Skies," will be sung at
the morning service, and the male choir
will assist in the music in the evening.
The white carnations will be on sale at
the market held by the Ladies' Aid So-
ciety in the lecture room of the church,
next Saturday at 3:00 p. m.

Honor Your Mother.
Next Sunday, May 17th, the services in
the Presbyterian church, both at 11:30 a.
m. and 7:30 p. m., will be held in honor
of mothers. The object of the service is
to brighten the lives of our mothers and
to make them more honored, loved and
protected by their children. To remind
sons and daughters of the unselfish devo-
tion of their mothers, and possibly of
their own selfish neglect of their parents.
To ask men, women and children to
make their mothers feel this May day
that in her children's hearts she is
"Queen of the May."
Every person is asked to at least ob-
serve the day by wearing a white carnation
in honor of his mother, and as a
badge of love and loyalty. Show your
mother some special kindness this day in
words of affection and appreciation, by a
gift or visit to her, or by a love letter if
absent from her. If she is not living
bless the life of some other mother in
memory of her.
At these services every mother, young
or old, will be made to feel they are in-
deed guests of honor. Special music will
be rendered both morning and evening.
The duet, "If You Love Your Mother
Meet Her in the Skies," will be sung at
the morning service, and the male choir
will assist in the music in the evening.
The white carnations will be on sale at
the market held by the Ladies' Aid So-
ciety in the lecture room of the church,
next Saturday at 3:00 p. m.
