New Arrivals

In Autumn Merchandise.---New Suits, Shirt Waists, Silks, Dress Goods, Trimmings, Laces, Neckwear, Gloves and Millinery.

The New Suitings are Ready.

This announcement heralds the advent of autumn in the Dress Goods section. Let it remind you that nature too will soon be donning her autumn garb, and the present moment is none too early to give thought to your new fall fall suit.

The magnitude of assortments will first impress you as you view the showing. It's no mere handful of new things, but while diversity of assortment is good, style correctness is better, and back of our interpretation of Fashion's whims is our purchasing power and experience.

Probably the most marked characteristic of the new dress goods-both black and colors-is the predominance of stripe effects. They are piece dyed fabrics with invisible or shadow stripes, wide and narrow, diagonal, chevron, herringbone and divers other kinds.

Another feature is the satiny sheen that is very much in evidence, sometimes in stripes, sometimes covering the entire surface of the suiting. Plain colors have the call-new blues, browns, greens and wines-taupe also being a favorite. We invite your inspection.
