Voters, Take Notice.

To the Republican Voters of Forest County.

On or about August 10th I mailed to each and every Republican Committee-man in the County a small booklet, entitled, "Forest County Republican Campaign, 1908," in which I called attention to the matter of non-payment of taxes. In case this matter has not been attended to, I appeal to you again, and also to every Republican voter to see your Tax Collector; and if you have not paid a County or State tax since the 31 day of November, 1908, you must do so on or before the 31 day of October, 1908. Do not neglect this, but attend to the matter at once. I am, Truly Yours,

H. S. BROCKWAY, Chairman County Committee, Sept. 23, 1908.

MR. BRYAN is not the heir of Roosevelt. In fact, Mr. Roosevelt is not dead, even politically, very truthfully remarks the Franklin News.

MR. BRYAN'S new issue of guaranteed bank deposits is going to pieces so fast under examination that he will hide it with the rest of his busted paramours before election day.

MR. BRYAN says his wealth amounts to \$150,000. A few months ago he stated that his annual income was about \$75,000. A 50 per cent dividend speaks well for Republican good times.

CHAIRMAN BROCKWAY calls especial attention of Republicans to the matter of paying taxes in order to entitle one to vote this fall. If you haven't already done so, attend to it at once.

ONE of the Hawaiian Islands is to be elaborately fortified for a garrison of 15,000 men. The key of the Pacific is a great outpost and it is as cheap to keep a part of the army there as elsewhere.

We know that Taft is efficient. We do not know what Bryan can or will do. The country is large; its welfare is our welfare. Is it safe to take chances when you vote this year?—Franklin News.

THE Chicago Tribune wants Bryan to answer some very pointed questions. He won't do so, and if he did that newspaper would still be for Taft. William J. is showing signs of temper lately that are not very pleasant.

IN Maine the Republicans elected the entire state ticket, all the congressmen and the Legislature. The Democrats "made gains" except in the offices. Many Democrats feel that this sort of progress leaves an aching void.

MR. TAFT wants to know whether Bryan is an heir or simply a floating quantity. Taft is what he has always been, but no man knows whether Bryan is or is not what he was yesterday. The kaleidoscope in politics seems to be a little out of perspective.

If bank depositors are to be guaranteed, why not take in investors in stock and bonds? Say, for instance, some Canadian gas company securities or stock in some of the Pittsburg banks that have been prominent in the market as failures, tersely says the Tidouite News.

THAT free trade, or anything approaching it, would reduce this country to a state of poverty, there is little room for doubt, says the Punxy Spirit. We have tried it and know how it works. Free trade is all right for the man who can accumulate a competence and can live without work, but for those who have to earn a living by labor, it is the worst thing that could happen. It dries up the springs of industry, and by so doing tends to destroy the market for everything that the farmers produce.

It is a refreshing departure from old-time hypocrisy to see the two leading candidates for President ripping each other up the back. When you come to think of it why shouldn't one candidate have the right to express his opinion of another, so long as he keeps within the bounds of truth and decency? It is interesting to know what Mr. Taft thinks of Mr. Bryan and also what Mr. Bryan thinks of Mr. Taft. So let them at it.—Punxy Spirit. And the voters will settle the whole question after all.

WHAT this country stands in need of just now is confidence—nothing else. An election which will settle the status of the administration at Washington for four years is about to be held. Which of the candidates is likely best to restore confidence? Certainly it is not Mr. Bryan.

Porkey.

Miss Olive Wolfe of Kelleetville visited her sister, Mrs. Jas. Welsh, at Balltown, last week.—Mrs. Wm. Stocum, Mrs. Geo. Blum and guest, Mrs. Fred Rudolph, were Sheffield visitors on Thursday.—Jas. Welsh, Sr., was a business visitor in Warren on Saturday.—Co. Supt. D. W. Morrison of Tionesta visited our school last Tuesday afternoon.—George and Charles Blum entertained their father, brother Edward and sisters Mrs. Fred Dickraeger, Mrs. Fred Rudolph and Miss Martha, all of Green township, during the past week.—Ebel Cropp and brother Ruddy of Minister took dinner with Miss Olive Blum on Sunday.—Mrs. Lew Brennan of Minister visited her parents at Kelleetville over Sunday.—Forest fires are raging very badly in this section and unless we get rain soon we fear that nothing can be done to save the oil properties and towns in this vicinity. About an hundred men were on the scene of the fire on Sunday and worked very hard but could not control it.—Jas. McMichael and wife of Sheffield visited the latter's parents, Mr. and Mrs. Jas. Welsh, over Sunday.—Rev. Montgomery, who has been returned to this charge for the third year, preached a very fine sermon last Sabbath. Very sorry there weren't more people out to have heard it. Preaching again Sunday, Oct. 4th, at 11 o'clock.—Mrs. John Stover of Minister was a Warren visitor on Saturday.—Mrs. Wm. Stocum and Miss Katharine Hepler called on the former's sister-in-law, Mrs. John Lindsey, at Trueman's, on Saturday afternoon.—R. W. Burdick, who is working at Mayburg, was at home with his family over Sunday.—Jos. Kinch of McMichael's Camp has purchased the Jack Spencer property on Main street and has moved his family into the same. We are always glad to welcome new residents.—Elmer Mealy of Newmansville was through our town during the past week with a load of farm produce.—A number of our people are on the sick list with bad colds and grippe.—Mrs. Lett Spencer returned Friday from Tidouite where she had been called on account of the illness of both her mother and sister. Both are convalescing.—A few of the little folks are paying very strict attention to their left arms and warning their friends to "be careful, that's my sore arm." We suppose the cause of all the trouble is "vaccination."—T. D. Collins and his crew of enterprising bridge builders are to be congratulated upon the fine iron bridge which they have constructed across Minister creek at Minister and which was a saving of several hundred dollars to Howe township. We understand that they are building another one at Barnes, Warren county, at the present time.—There are rumors of there being another pipe line put through from Porkey to Marienville.—Chestnuts are ripening and are a bountiful crop. The little boys are patiently waiting for Jack Frost and Teachers' Institute week to come.

Kelleetville.

T. F. Gillooly of Millinocket, Maine, is visiting his family at this place. Quite a number of our citizens attended the ball game at Sheffield, Saturday, a special train returning after the close of the game. Mr. and Mrs. Vernon Amster and little daughter visited relatives at Fryburg last week. Blanche Hendricks and Golda Hill spent Saturday in Warren. A little daughter was born to Mr. and Mrs. Al. Orcutt, Tuesday. J. F. Ray attended the races at Brookville last week. James Wilbur Johnson and family of Harrison Valley, are visiting the former's parents, Mr. and Mrs. Geo. R. Johnson. Mrs. Mary Wilkins of Warsaw, is visiting her daughter, Mrs. Al. Orcutt. Wm. Kribbs returned from Brookville last week. Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is often but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75. Why's Family Pills are the best.

Why Druggists Recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy. Mr. Frank C. Hanrahan, a prominent druggist of Portsmouth, Va., says: "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purpose that pay me a larger profit, but this remedy is so sure to effect a cure, and my customers so certain to appreciate my recommending it to him, that I gave it the preference." DENIES THAT BRYAN "COULD DO NO HARM."

Congressman Burke Says Office of President is Infinitely More Powerful Than Congress.

Congressman James Francis Burke of Pittsburg in an address on "The Powers of the President" says: "The American people can make no greater mistake than to elect Mr. Bryan on the assumption that he can do no harm in the face of an adverse senate. As between the executive and legislative departments of the government, the former has infinitely greater power to rule and ruin than the latter. Mr. Taft and Mr. Bryan are wholly different types of men. Each possesses a strong individual character, which would certainly assert itself in the White House. What either of these men would do during a four years' term in the White House is causing as much anxiety among thoughtful Americans as the mere matter of the election alone. "As a disturber of money's the president is without a rival in the world. Through the agencies under his control he will this year disburse a billion dollars, showing the great things we are doing in addition to the unparalleled list of the world's achievements. "In view of the fact that during the fifteen years of Bryan leadership the states controlled by his party have decreased from 23 to 12, the number of senators from 48 to 31, the number of representatives in congress from 220 to 164 and in that time the Democratic party was in control of the ground, whereas it is now, as a consequence of his teachings, a hopelessly heterogeneous mass of Populistic elements, the American people can see little prospect of a constructive policy if Mr. Bryan should succeed."

She's a Smooth One.

The Kane Republican gives this account of a smooth swindle which was worked in that town recently: Some days ago a gentleman came into the Republican office and put the editor onto a slick swindler who had caught many women in this locality. Her methods of collecting money were simple. She gave treatments to the hair and also massages. She wished to organize a club and each member was to pay \$2.00 and receive 20 treatments. When the woman entered a home where two or three women happened to be present she would reduce the price, providing they had the coin. It is said that there are as many as two hundred women in Kane who joined the club, but who have failed to receive any treatments nor have they seen the aforesaid organizer. She is evidently working in green pastures and obtaining "easy money" as she did in Kane. We would have said nothing about the matter, as it will be of no help to those who have lost their \$2.00, but it may be the means of preventing her working in other towns, as our exchanges will undoubtedly warn the ladies of their community to be on the look-out for her.

Just why women will pay money to an entire stranger who happens along with a new scheme and smooth story is beyond our comprehension. It does not pay to put confidence in every agent who happens along. They are out for the money there is in a deal. In this instance it is stated that the woman got away with between \$300 and \$400 and she had a large club organized.

Neighborhood Notes.

Warren is threatened with an epidemic of typhoid fever. Robbers dynamited the safe in the Albion Erie county postoffice, Monday night and escaped with over \$1,000 in cash and stamps. John G. Eckert constable of Bensinger twp., Elk county, hanged himself on a tree on his farm near home last week. He was aged 57 years. No cause is assigned for the rash act. Judge Bouton of McKean county has rendered a decision to the effect that the two-cent rate law does not apply to the Buffalo, Rochester & Pittsburg railroad. The case will likely be carried to the Supreme court.

The proposed trolley line between Titusville and Cambridge Springs is assured, all of the rights of way having been secured. For the most part the road will follow the grade of the old Petroleum railroad, built many years ago, but on which rails were never laid. A Sprained Ankle. As usually treated a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may, in most cases, be effected in less than one week's time. This liniment is a most remarkable preparation; try it for a sprain or a bruise, or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by Dunn & Fulton.

Bees Laxative Cough Syrup always brings quick relief to coughs, colds, hoarseness, whooping cough and all bronchial and throat troubles. Mothers especially recommend it for children. Pleasant to take, gently laxative. Sold by J. R. Morgan.
