Rengo Belt Corsets.

We have made extensive preparations with the manufacturers for an introductory sale of the new Rengo Belt Corsets, which will be our greatest corset event of the season. This corset embodies a new invention for the reduction of the hips, and to produce the smooth back and slender, graceful hip lines which are being so widely advocated in the advance dress models. Rengo Belt is the most wonderful corset we have ever seen for medium and and large figures, and we feel so certain of its immediate success and wide popularity that we have secured a complete line of all sizes and models. Practically all Court of Pennsylvania. corsets are comfortable, but few of them produce the style desired. Rengo Belt Corsets are boned throughout with double watch-spring steel, which holds the form firmly though flexibly, and moulds the figure into graceful and stylish lines without of comfort and the Court of Common Pleas of the 37th Judicial Disdiscomfort. The greatest possible amount of comfort and the beautiful smooth back and hips of latest fashion can be combined if you will let us fit you correctly with the proper Rengo Belt Corset.

Rengo Belt Style No. 41, for medium figure, price \$2. Rengo Belt Style No. 43, for tall figure, paice \$2. An expert corsetiere in attendance to fit these models.

using Thompson's Barosma, I had made up my mind to sell out and go out of business, but a friend of mine asked me if I had taken Barosma. I had not, but was willing to try most anything and began using it as directed. I was very pale and weak. I continued using it as directed and today I weigh 55 pounds more than when I commenced using Barosma. I was a skeleton compared with what I am now and shall remain in business. When I would get up in the morn-ing I would feel dull and sleepy and not rested, felt like going back
