

1909 JANUARY 1909. Calendar grid showing days of the week and dates from 1 to 31.

THE case against both Foraker and Tillman rests not on malice, but on letters written by themselves.

MR. TAFT's remark that the constitution is pretty good as it stands is sound, and it is the beginning of wisdom to respect it in every section of the country.

THE longest horseback ride taken in Virginia by a previous president was that of Madison just before the British entered the capital and burned it. But that was different.

MR. BRYAN says that if the election took place now his plurality would be equal to Taft's. The world is full of rosy visions for Mr. Bryan, except in November. How would the reform of the calendar do for the next paramount issue?

EVERY country in the world finds satisfaction in doing business with the American Government. Our ships, our supplies and our money are already at the service of our rostrate Italy and more will be provided as rapidly as it can be obtained.

THE New York Sun makes this observation: "The Hon. Joseph W. Bailey of the big slouch hat and the white cambric necktie, of the resounding voice and baggy trousers—the Hon. Joseph W. Bailey arises to remark that if there is one thing he particularly hates in his fellow citizens it is extravagance and ostentation."

A BILL has been introduced in the legislature of this State by Representative McJunkin of Butler, to pension Pennsylvania soldiers and sailors. The bill carries an appropriation of \$5,000,000 for pensions and \$57,600 for salaries and expenses of the pension board. Which moves the Punky Spirit to remark that "it will be necessary to find proper subjects of taxation to raise the additional half million dollars, otherwise Governor Stuart will use the necessity of using the veto axe again."

THE following dispatch from Harrisburg will be read with local interest. While all eyes have been turned on the law and order committee as the custodian of the much-discussed local option bill as in previous sessions, an interesting rumor is afloat to the effect that the bill is to be referred by Speaker Cox to the judiciary committee. As this committee is composed of lawyers, and is not supposed to have any interest in local option, for or against, the purpose to refer the bill there is said to be in keeping with the promise of Senator Penrose and the other party leaders to the Anti-Saloon League people that their bill would be given a "square deal" and reported out to the house to be fought to a finish in the open. Superintendent Nicholson, of the Anti-Saloon league declared that he had every reason to believe the pledge was given in good faith and would be kept.

Many Senators Elected.

United States senators were formally chosen by the legislatures of fifteen states last Wednesday, as follows: New York—Elliott Root, Rep. Pennsylvania—Boies Penrose, Rep. Connecticut—Frank B. Brandegee, Rep. South Dakota—Coe L. Crawford, Rep. North Carolina—Lee S. Overman, Dem. Colorado—Charles J. Hughes, Jr., Dem. Oklahoma—Thomas P. Gore, Dem. North Dakota—M. N. Johnson, Rep. Iowa—A. B. Cummins, Rep. New Hampshire—Jacob H. Gallinger, Rep. Missouri—William J. Stone, Dem. Oregon—George E. Chamberlain, Dem. Washington—Wesley L. Jones, Rep. Indiana—Benjamin F. Shively, Dem. Utah—Reed Smoot, Rep.

Roosevelt and the Country.

The New York American sums up the little scrap between Congress and the President in this way: "The Congressional charge upon the White House has been beaten back. The vituperations of Mr. Willitt are to be stricken from the record; Senator Tillman's volcanic labors end in coiled-pans, and the whole strategy board of anti-Rooseveltism has abandoned its maps and plans and run away. It has heard from the people! "The war simmers down and Mr. Roosevelt sits serene, with no smell of the fire upon his garments. "It is an amazing spectacle—to those who do not understand the rough handed heartiness of the real American people, to whom the New York American appealed to sustain Mr. Roosevelt in this great emergency. "The President is not impeachable. He bullies and storms along—with a courage and honesty that strikes to the very heart of his countrymen—and finds them at home. "The mighty impulse of public sentiment against Mr. Roosevelt's enemies in Congress was aroused by the larger logic of right beating down the small logic of criticism of methods and niceties. He is immensely popular because he is right in the large purpose. He stands on the right platform—the platform from which the New York American appealed to the people for this great rally of righteous sentiment. "If Mr. Roosevelt used the Secret Service to uncover rascals in public life it was because there are rascals and they deserve to be unmasked as a warning to rascals in public life generally! "And the people accept the issue. They lift the President upon their shoulders and carry him clear of entanglements. "The country is for Roosevelt because Roosevelt is for the country!"

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Hall's Family Pills are the best. REMARKABLE. About six weeks ago a swelling came in my groin 2 1/2 inches from my navel about the size of a half lemon very painful and said to be caused by blood poison. I doctored about six weeks, and was getting worse, when Mr. Brown told me about San-Cura Ointment. I applied it as a poultice, changing morning and night, removing all pain at once. In two days it broke, discharging pus. I then changed it once a day until it was perfectly healed. I recommend San-Cura Ointment as the best poultice I ever used. It removes pain and all pus, keeping a sore moist and soft. AUBREY PORTER, Route 2, Pleasantville, Pa. Colds contracted at this season of the year are quickly relieved with Bees Laxative Cough Syrup. There is a mistaken idea among farmers that they could not make vinegar to sell. If they make it of pure apple juice it will be pure vinegar and stand the test of the pure food law, and they most certainly can sell their product. Certain manufacturers and wholesalers have deliberately misrepresented the law, hoping thereby to increase the sale of the spurious or doctored vinegars. Many farmers have been laboring under the delusion that they cannot make cider for sale. December bulletin of the Dairy and Food Division of the Pennsylvania Department of Agriculture has an article on the subject that will be of interest to farmers who have apples and how to dispose of them, and advises the making of vinegar for sale.
