### Fatal Shooting Accident.

Roland, the fifteen-year-old son of John Burton, who resides about two and a half miles northeast of Tylersburg, accidentally shot himself on Saturday afternoon last, and died from the effects of the wound on Monday in less than 2 hours after reaching the hospital at Kane, whither he had been taken for treatment. The lad left his home shortly after dinner to hunt, taking an old "smoothbore" rifle loaded with shot. While standing on a stump, the butt of the gun resting on the edge of the stump, it slipped off and the hammer struck, discharging the load which entered the boy's body below the ribs and passing upward lodged over the heart. He walked to the house and told what had happened and Drs. O'Dell and Phillips were summoned and dressed the wound. They found that the charge had not entered the abdomen, but the most of it had followed the outer portion of the ribs to near the region of the heart. The funeral will be held today at the Hagan church, where the interment will also be made.

### CHARLES FRENCH MEETS A HORRIBLE DEATH.

Field Superintendent for Wilburine Pipe Line Ground to Pieces by Gas Engine.

Charles French, for more than 15 years employed by the Wilburine Pipe Line Co., met a horrible death at the pump station, located near the mouth of Little Hickory creek, Monday afternoon, by being torn to pieces in the machinery of the gas engine. He left his home at East Hickory, two miles from the station, early Monday morning for his usual work at the station, and about one o'clock in the afternoon talked over the telephone with his wife. Later in the afternoon she called him but got no response, which was something unusual, and fearing that all was not right, she procured a horse and rig and drove down to the plant, accompanied by her daughter, Mrs. Seward Ball. Arriving at the station she was horrified to find the lifeless and mangled body of her husband on the floor of the engine room. Unable to recover her self-possession sufficiently to ring the telephone, her daughter called up her husband and told him of the frightful accident, and he hastened to the scene and with the help of others removed the remains of the unfortunate man to his home.

The supposition is that Mr. French was oiling the machinery when his clothing was caught in the "clutch" connecting the engine with the pump, and he was drawn into the gearing and hurled with tremendous force around the rapidly revolving shaft. His right arm and leg were torn from their sockets, his neck broken, and his body otherwise terribly mangled and almost denuded, while the walls and floor of the room were bespattered with the man's life-blood. Undoubtedly death was instantaneous. The engine and pump were still running at full speed when the friends arrived, which was probably three hours after the accident had taken place. Seward Ball, the son-in-law, who is also in the employ of the Wilburine company, had been doing some field work and drove past the station about 4 o'clock, noting that the machinery was all running regularly he did not stop, little dreaming of the terrible fate that had overtaken his father-in-law.

Mr. French was one of the best known and most popular men in the oil region of this section, having been prominently engaged in the business for nearly 25 years, first with the Standard and afterward with the Wilburine company. For a time he was located at Balltown, this county, when that field was in its palmy days. He was well liked and very highly respected by his entire acquaintance which was a large one. He was aged 45 years, and besides his widow he is survived by one son and three daughters. He carried an insurance of \$3,000 in the Maccabee Lodge.

### Porkey.

Charles Eastwood and lady friend of North Clarendon called on his sister, Mrs. Lina Downey, Sunday. Miss Wilcox of Warren is visiting her parents, Mr. and Mrs. Wilcox, on Pious avenue. Miss Bertha Jordan returned home Wednesday, after visiting friends in town for a few days. Mrs. Kinch was a Kellettsville visitor Monday. A number of Kellettsville people attended meeting at Minister church Tuesday evening, there being a special train run to accommodate the people from that place. Mr. and Mrs. Jno. Lora were at Warren Thursday. Mrs. Susan Littlefield took her little daughter Myrtle to Sheffield Thursday for medical treatment. Mr. Akin of North Clarendon is assisting O. E. Rupert at the pump station the past week. Mrs. George Blum, Mrs. Wm. Slocum and Mrs. Sara Gillespie called on Mrs. Lindsey, Thursday afternoon. Rev. R. J. Montgomery baptized a number of children at Sheriff Wednesday afternoon. Mrs. O. E. Rupert and two children, Donald and Willie, visited her parents, Mr. and Mrs. Bloss, in Sheffield, Friday, returning on the evening train. Twin boys came to the home of John Lindsey last Monday. John was so pleased with the little fellows that he decided to keep them. Mr. Lindsey's clothes are entirely too small for him the past few days, so he is compelled to buy new ones several sizes larger. Mother and babes are getting along nicely. It seems as though it would be impossible for any one to complain of the winter, as we have surely had a beautiful winter so far. So much we should be thankful for. Mrs. Mills and children, who moved into one of the houses owned by the new gas company up Porkey run, has returned to Scotch Hill to visit her mother for a few weeks. Mrs. Pearl Highgate of Hastings visited her parents over Sabbath. The protracted meeting which has been going on the past three weeks, closed Sabbath evening. A number converted at the meeting were taken into the church. Mr. and Mrs. Brennan of Minister, and Mr. and Mrs. Joe Richards of Mayburg visited at the home of Mr. and Mrs. Earl Downey, Sunday afternoon. Mr. and Mrs. Rayborn of Mayburg visited their daughter, Mrs. L. Littlefield, Sunday. Mr. and Mrs. Wilcox returned home Friday after a week's visit with their son in Sheffield. The creek is very high and the ice has gone out for the second time. Miss Allaire is getting along nicely with her school and the children are all learning. There is no complaint among the parents and hope it may continue so.

### Instantly Killed at Cock Fight.

While trying to evade arrest by the sheriff and his deputies, who were making a raid on a barn at Perryville, Clarion county, where a cocking man was being held, John Claypole, aged 38, of Red Bank, was shot through the head and instantly killed by Deputy Sheriff James Motter, of Clarion county, Saturday.

Sheriff S. W. Best and his 12 deputies arrested 36 "sports" in the raid and 575 "sports" from Butler, Clarion, Venango and Armstrong counties escaped.

The men captured were taken to Perryville before Justice of the Peace W. E. Horner and fined. Deputy Sheriff Motter was then held by Justice of the Peace Horner to await the result of the coroner's inquest. Claypole leaves a widow and six children.

### SIBBLE.

Adam Sibble was born in Germany 61 years ago, and died Monday night, Jan. 25, 1900, at his home on German Hill, Green township. For some years past he had suffered greatly from stomach trouble, finally developing in heart disease, which was the ultimate cause of his death, and from which he suffered great distress in the last months of his life, so that death must have come as a blessed relief to his weary body. When about 7 years of age Mr. Sibble came to this country with his parents, who settled upon and cleared up a farm on the Balltown road, German Hill, about 5 miles from Tionesta. Here the subject of this sketch remained the balance of his days on earth, and where he purchased a body of land which he cleared up and made for himself and family a comfortable farm home. By dint of hard work and frugality he managed to surround himself with such comforts as would have brought him ease and contentment had he been permitted to live. His life was one of peace and good will toward his neighbors and those about, and in the community he was respected for his sterling honesty and uprightness. In faith he was a true Christian from his youth, and in his later years he united with the M. E. church at Nebraska, where he was a faithful attendant so long as his health and strength permitted. Mr. Sibble was twice married, his first wife, who died about nineteen years ago, being Miss Matilda Powell, of Hickory township. Of this union four sons survive, Thomas, Charles, Melvin E., and George. The second marriage was with Mrs. Tillie Howe, of Scotch Hill, Pa., who, with two daughters, Anna and Edna, survives. Brothers and sisters surviving are, Henry and Ernest Sibble and Mrs. Conrad Burbeun, of German Hill; Mrs. Thos. H. Hagerty of Elk City, Pa.; William Sibble of Lima, Ohio, and Mrs. B. H. Keeler of New Mattamoras, Ohio. Funeral services, conducted by his pastor, Rev. W. O. Calhoun, will be held at the late home of the deceased tomorrow, Thursday, morning at 9:00 o'clock, and the interment will take place in the Zuendel church cemetery.

### HULLINGS.

Mrs. Elizabeth Hullings was born in the city of Erie, Pa., on May 5, 1838, and died at her home in Tionesta, at 1:30 p. m., on Monday, January 25, 1900, aged 70 years, 8 months and 20 days. At the age of sixteen years she came to Tionesta to make her home with the family of Dr. W. C. Whitley, a prominent physician in his day. She has since resided here and on January 5, 1865, in the city of Philadelphia, Pa., she became the wife of Hon. S. S. Hullings. They took charge of the Holmes House, a well known hostelry here, which they successfully conducted until his death, which occurred November 27, 1868. Soon after the death of her husband she and her sister, Mrs. C. A. Randall, went into business together at what is now known as the Rural House, where she has since made her home. Although not enjoying the best of health for the past couple of years, her condition did not become alarming until last Friday, when she took to her bed and gradually grew weaker, finally passing peacefully away with a smile on her face, that betokened a satisfaction as to the hereafter, that is very comforting to those who are left to mourn her loss. During her many years in Tionesta Annie Hullings was dearly beloved by all. Her charity is known in many homes in this vicinity, it being a pleasure to her to look after and help the needy. She was a kind-hearted Christian woman and her noble traits will long live in the hearts of the people hereabouts. And only those with whom she was most closely connected can ever know what it is to miss the touch of the hand that is motionless or the voice that is forever still. She was the eldest daughter of a family of four children born to Charles and Anna Wanzor, an older brother, James Wanzor, a veteran of the Civil war, dying at McKeesport, Pa., some ten years ago, and Mrs. C. A. Randall and William Wanzor, both of whom reside in Tionesta. She is also survived by several nieces and one nephew. Funeral services will be conducted by Revs. Bailey and Calhoun at her late home here this Wednesday afternoon at two o'clock, after which the body will be laid to rest beside those of her husband in Riverside cemetery to await the Master's call on the Resurrection morn.

### Two Years Ago My Daughter Stepped on a Needle, Breaking it off in the ball of the foot, which swelled up very painfully swelling to the knee. The doctor at Gowanda lanced the foot, but was unable to find the needle. The X ray was applied, and we could see the needle. We then applied San-Cura Ointment, thick as a poultice, and after four applications the needle made its appearance, (just as Mr. Thompson said it would) and was taken out to the great relief of my daughter, and all the family, as she had suffered a great deal, and every step pained her.

### Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy.

"On October 18th, last, my little three year old daughter contracted a severe cold which resulted in a bad case of bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23rd, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the safest, safest and quickest cure for colds, both for children and adults, of any I have ever used." For sale by Dunn and Fulton.
