LOAFER OR LAYER

Whether a loaf is a loafer or layer depends greatly upon the condition of the digestive organs which are responsible for all growth and egg production. Feed

Dr. Hess Poultry Panacea

and we will refund your money if it fails to increase egg production sufficient to pay for itself many times over, besides curing poultry diseases. One extra egg per month pays for the Panacea and 300 per cent profit. Just think of it, it costs only a penny a day for about thirty fowls. Come in and let us tell you more about this preparation, or better still, let us supply you with a trial package. Your money back if not satisfactory.

POSITIONS

We are having more calls for our students to fill office positions than we can supply. Business Men want students from a Business Training Institution such as we run. The president of this college started teaching in public schools when eighteen years of age. This experience with ten years in Business College work and many more in the actual Business World makes us leaders in our line. Write for our special spring and summer rates.

—The Dunbar Jubilee Singers were the hit of the Assembly program. The vast audiences were delighted.—Syracuse Herald. At the court house, Monday evening, March 10th.
—It took Judge Wilson of Clarion just six minutes to grant all the liquor licenses in that county at the recent license court. This is the record. The applicants were unopposed.
—James Donovan of Allegheny township, Venango county, killed a fine red fox Tuesday last week, which his dog, a Kentucky hound, had chased for more than eight hours.
—Amos Woodford, of Clarion, aged 33 years, was almost instantly killed at Hendricks, West Va., February 25th, by a log train running over him. His body was brought home for burial.
—John Cartwright of Clarion was taken to the Oil City hospital Monday by Dr. J. C. Dunn, where he was operated upon by Drs. Sigzins and Dunn for the removal of a tumor from his left cheek.
—If you want the best educational advantages at reasonable cost, write to the Principal of the Clarion State Normal School for terms. Teachers' Preparatory Courses a special feature of the Spring Term, March 23rd.
—Representative Reynolds, of Lawrence county, has presented a measure to the legislature, providing for six fairs to be held under state patronage, and for a commission of members to serve without pay and to manage the disbursement of the state funds. The northwest district is to be composed of Crawford, Venango, Jefferson, Elk, McKean, Forest and Erie counties.

—E. T. Beck, of the late firm of Beck & Ott, has embarked in the automobile business in Warren, having purchased the garage of D. M. Jackson of that place, and the deal carries with it several automobiles and the agencies for a number of high grade machines.

—Several of our citizens are putting up ice but are not cutting any just the same. The supply is coming from Cassadaga and is of a good quality, ten inches in thickness, but out of reach of ordinary mortals, and the best we can hope for is "a little in ours" at 15c per.

—Several thousand young trout from the Corry state hatchery were received here Monday and distributed in the several streams hereabout. If there is any efficacy in this method of replenishment the angling should be considerably improved in the course of three or four years hence.

—All justices of the peace elected at the recent election, if they intend to accept said office, must give notice thereof in writing to the prothonotary within 30 days after their election, stating therein the name of the justices they succeeded, with the cause of the vacancy. Thursday, March 18, is the last day to file such acceptance.

—Last week the County Commissioners took up and cancelled \$8,000 of county poor bonds, thus wiping out a good chunk of the interest-bearing debt. This leaves \$12,000 still outstanding, but \$2,000 of this amount will be payable in a short time and will be taken up, leaving an indebtedness of only \$10,000, which does not fall due till 1914.

—A four-year-old son of Mr. and Mrs. Christ Thomadson of Kellettville, died on Wednesday last, and was buried at Newmansville, on Friday. Brief services were held at Kellettville by Rev. R. J. Montgomery, and again at the home of the grand parents, Mr. and Mrs. McKenzie, at Newmansville, by Rev. E. L. Monroe on Friday afternoon.

—The cases recently unearthed in connection with conduct of the Venango county poor house are this week up in the court at Franklin and are attracting large crowds of witnesses and spectators. Last week the county commissioners suspended Homer Sutton and wife as steward and matron at the county home, pending the outcome of their trial.

—Congressman N. P. Wheeler had a special pension bill passed by both houses this week granting a pension to Mrs. Margaret McGreevy, of Oil City, of \$50 per month. She is the mother of William J. McGreevy, a Spanish-American soldier who was a member of Company A, 16th Regiment, P. V. I., and who is now confined in a state asylum.—Blizzard.

—The school board of Barnett township has established a township high school with a two year's course as a starter. The board is also advertising for bids for the erection of an adequate school building at Clarion. J. H. Barton is secretary of the board, and the bidding will close on the 27th of this month. Specifications can be seen at the Meckling, London & Braden store.

—The Paul Lawrence Dunbar Male Quartette and Jubilee Singers, the second number in the lecture course, will appear in the Court House next Monday evening, March 13th. These holding course tickets can have their seats reserved at Dunn & Fulton's drug store, Friday of this week. General admission tickets can also be obtained. General admission, adults 40 cents, children 20 cents.

—George H. Lowe and others, who are drilling on the Abbott tract, near the old Asbury Chapel, on the road to Pleasantville, finished their No. 1 today and it is showing up for at least a five barrel well. A fair show of oil was found in the second and the best strike was made in the third or black oil sand, found at 755 feet. They are also drilling it to the green oil sand in the hope of finding gas. The well will be shot today.

—To us it looks extravagant to spend no end of money for a state road from Philadelphia to Pittsburgh when hundreds of miles of country roads are not even good cow paths. Establish a state control over all roads and see that they are properly made and kept in repair, not allowing any work to be done on them except after survey and detail of plan laid down by a competent engineer.—Tidoute News. Good sense.

—The Forest Barge company, which was fortunate in harboring its large consignment of barges over the winter without encountering a hard freeze-up and break-up, are getting the big boats ready for the trip to Pittsburgh, expecting to start some of them this week. There will be four fleets of six barges each, making the largest single run by this company in a number of years. The stage of water is about right to make a safe run.

—We are indebted to the Chamberlain Medicine Co., Des Moines, Iowa, for a package of newspapers from the remotest parts of the world through the company's advertising methods. The collection is quite a curiosity and a study of these publications, many of them so different from the American idea of the printer's art, is very interesting. If any of our readers have a curiosity to look over the collection they are invited to call.

—Apart from the religious basis for the fasting observed during Lent, the practice itself has a hygienic value in that it gives the stomach a chance to rest from the overwork it is usually called to do the rest of the year. Probably most Americans eat too much, with the result that dyspepsia and a whole lot of other ailments follow. The various dietetic and other cures which men take to recover from the ill-effects of eating too much of their value to the abstemiousness they enjoy.

—Jacob G. Whitmer, one of the old and highly esteemed citizens of Lickingville, Pa., died on Sunday last, aged about 75 years. He was the father of Attorney George F. Whitmer, of Clarion, well known to many Forest county people. Mr. Whitmer was the son of Mathias and Marie Whitmer and was born in Westmoreland county, Pa., August 14, 1834. He was a member of the Evangelical church for 32 years. The deceased is survived by his wife, two sons besides Geo. F., and one daughter: Ervin S. Whitmer of Indiana Harbor, Ind.; Mrs. Laura Seigworth of Lickingville, Pa., and Sylvester M. Whitmer of Sheffield, Pa. The funeral was held yesterday at his late home, Rev. B. F. Felt officiating, and the interment was made in the Evangelical church cemetery at Lickingville.

—The Tidoute News was 36 years old (or young we'd better say) last week, and all but a year or so of that time has been under the efficient management of its present owner and editor, Charles E. White, who has kept it a clean, reliable and honorable newspaper. Your next door neighbor, the Forest REPUBLICAN, which this week enters upon its 42d year of existence, extends congratulations and best wishes, Br'er White, and hopes that we both may attain to the affluent period before "30" is written at the end of our "take."

—A Nebraska correspondent says: Morris Neal, champion checker player of Nebraska, defeated County Supt. D. W. Morrison, who lays claim to being the champion of Forest county, in a series of games at Nebraska on Monday evening. Supt. Morrison was not in it with the Nebraska phenomenon. Neal whitewashed the professor in the first two games, made the third a draw, and in the fourth the professor threw up the sponge with four men on the board to Neal's seven. The people of Nebraska claim that Neal can beat anyone in the county.

—As an evidence of the promptitude with which the Chinese do things we copy the following paragraph from an English paper published at Hankow, China, of last November: "In consequence of the deaths of both H. I. M. the Emperor and the Empress Dowager, a proclamation was issued yesterday by the Viceroy at Wuchang to notify the public to keep quiet and should any one be found to create disturbance he will be shot at once." Now, that's an order with the hair on it and it is not likely there were any boisterous demonstrations while the funeral procession was passing at least.

—While raffling or chancing off articles of more or less value is not a daily occurrence in Forest county, it is common enough to make it worth while to call the attention of persons who engage in that sort of thing to the fact that the Lackawanna county court recently fined a man \$50 for raffling off a calf. The law forbids the selling of chances on any article as well as raffling. The only reason those engaged in either escapade or imprisonment is because nobody takes the trouble to enforce the law. Somebody is going to be picked up eventually by a personal enemy or by a more than ordinarily virtuous individual, for the same law rules in all counties.

—And now the city council of Franklin has voted to resolve to investigate itself, ugly stories of grafting having come to the councilmanic ears which they desire to have straightened, proved or disproved in some sort of way. Mayor Emery has joined in the desire for investigation, and says the probe is to be applied to all officials, himself included. Ginger blue! but we'd hate to believe there has been grafting in the "Nursery." However, how to the line, gentlemen, and let the chips fall where they may; even into the mouth of French creek, and if they should clog up the sluggish old stream let her be damned and overflow, 'Twouldn't hurt the whole county to get a good washing out, maybe.

—Quite a little excitement was aroused in Clarion a few days ago by the report of another shooting case in the north end of the county, but upon investigation it was found to be a serious case, fortunately. The story goes that George Agnew, of Leeser, and Amos Walton, of near Marienville, had been in the last named town Thursday last week and report from that place alleges that they had been drinking. It is stated they went out to Walton's house and had a pint of alcohol, which they were drinking. Some discussion arose and Walton got down off a shelf a revolver, and while the two were tussling for possession it was accidentally discharged the bullet striking Agnew in the side and making a painful but not serious wound. Agnew is all right again. Just such circumstances, however, frequently result more seriously.—Clarion Democrat.

—Miss Kate Andrews, a former Tionesta girl, was one of the winners in the Derrick's "Bermuda Islands Trip" contest, which closed last Saturday evening, having received 324,356 votes. Miss Anna C. Kinney, who writes the baby poetry for the Seneca Kicker, will also go with the party on this fine trip. Having been one of the contestants and falling only a few votes short of the winning number, she goes as a special guest, a courtly suitor to three other contestants, who were very close to the winners in the vote-getting. During the contest, which lasted less than two months, 443,388 votes were cast. The leader in the contest was Miss Lena Linder of Oil City, having 684,083 votes, and the other winners were Miss Kate Horgan, Oil City; Miss Nettie O'Brien, Franklin, and Miss Bertha Weaver of Nickleville. The party will sail from New York city on March 29th, and returning, arrive in that port on Easter Sunday, April 11th.

—Hon. C. C. Thompson, for years one of the most conspicuous lawyers of the Warren Bar, died in that place on Friday morning. He was on his way to his office when he sank to the pavement and expired in a few moments after being taken into one of the stores which he was passing, heart failure being the cause of death. Mr. Thompson was aged nearly 63 years, and from a poor boy worked his way to a high station with his legal mind. He was thrice elected to the legislature and for two terms ably served as speaker of the house, winning the confidence and esteem of his colleagues to such an extent that they wanted to make him state treasurer, but he refused to make any effort in his own behalf and another was chosen. The deceased was well and favorably known to many Forest county people who will regret to learn of his demise. His wife, one son and one daughter survive him. The funeral which was in charge of the Masonic fraternity, was held Monday from the first Presbyterian church, Rev. J. W. Smith preaching the sermon.

—While Capt. Etta Campbell of the Salvation Army at Franklin, and two lady assistants were holding services at the jail, one evening recently, their quarters, corner of Grant and Orchard streets, was robbed by a sneak thief, who secured \$11 in money belonging to Miss Campbell, also a number of other articles in the house. This sort of thievery is of the lowest order imaginable. The members of the Salvation Army work hard and conscientiously deny themselves all luxuries and many necessities that they may bestow their labors of love on the unfortunate, and are tireless in their endeavors to lift up the fallen, and it is hard to understand how one could fall so low as to engage in the despicable work of taking the little which these devoted people have saved up for their actual needs. It is pleasing to note that the good people of Franklin were prompt in reimbursing the loser with a purse of kind so low as what above her loss. Miss Campbell is a Forest county girl, her parents, Mr. and Mrs. J. B. Campbell, being among the best of our citizens.

—Harry Carson went to New York City Monday.

—Born, to Mr. and Mrs. Walter Hunt, of President, March 8th, a son.

—Born, to Mr. and Mrs. Frank Keeney, of Tionesta township, March 8, a son.

—A. H. Hunter and Isaac D. Bean of Nebraska were Tionesta visitors Tuesday.

—Mrs. Ada Dunkle of Oil City is the guest of her daughter, Mrs. G. H. Killmer.

—Mrs. Mary L. Thomson went to President Monday to be a nurse in the family of Walter Hunt.

—G. F. Watson and son Harry H. Watson returned last Thursday from their trip to Alabama.

—James Jones of East Hickory was a Tionesta visitor last Wednesday and gave us a pleasant call.

—Otto Rudolph of Endeavor, and E. J. Behrens, of Star, gave the REPUBLICAN a welcome call yesterday.

—B. F. Mutchler of Scranton, Pa., was a guest at the home of Mrs. L. V. Bigony from Thursday to Saturday.

—Dr. F. E. Allison was a welcome early Monday morning caller, having driven down from Nebraska.

—I. M. Fox of Endeavor and R. P. Kerr of Nebraska were here to attend the Masonic meeting Monday night.

—J. J. Henderson, one of Clarion's old and worthy citizens, is reported to be seriously ill, with little hope of recovery.

—Charles, the three-year-old son of Mr. and Mrs. George Henshaw of Tionesta, is ill with an attack of brain fever.

—Mrs. James D. Davis left yesterday for a visit with her brother, Hon. J. W. Kepler, at Pine Grove Mills, Centre county.

—John Lawrence came down from Perry, N. Y., last week and expects to go to Pittsburgh with the barges of the Forest Barge Co.

—Mrs. A. W. Zahnleiter of Pittsburgh arrived here Tuesday afternoon for a visit with her parents, Mr. and Mrs. J. C. Snowden.

—S. T. Carson moved his family last week from the Proper house opposite the Court House to the S. S. Canfield home-stand on Walnut street.

—Mrs. John Flick was called to Parker, Pa., last Thursday by the serious illness of her mother, Mrs. Chambers Parker, who is not expected to recover.

—John T. Henderson of East Hickory, who recently returned from over a year's employment with a large lumber firm in Louisiana, was with Tionesta friends over Monday night.

—Congressman Wheeler is home from Washington for the vacation which extends to March 15th, when Congress will meet in extra session to consider the new tariff legislation.

—Mr. and Mrs. Will O. Fuellhart and sons returned to their home at Endeavor on Friday. Mrs. Fuellhart, who has been under a physician's care at Buffalo for several weeks, is again in good health.

—Tidoute News.

—Miss Blanche Pease delightfully entertained the teachers of the Tionesta schools and a few other friends at her home Friday evening. After a number of hours pleasantly spent in various amusements, refreshments were served.

—Alex Thompson, who went to Michigan last fall to make his home, has returned to his old first love, the old Allegheny river and its majestic hills, which have greater attraction for him than anything he could find in the west.

—Gus B. Evans, private secretary to Congressman Wheeler, accompanied by Mrs. Evans, came up from the national capital Monday, and are spending a few days at their Endeavor home. They return to Washington next week for an indefinite stay.

—Mrs. F. E. Schoolmaster and son Kenneth of Bradford are guests of the former's parents, Mr. and Mrs. Thomas Snodgrass. Mrs. Schoolmaster was in Warren Monday to attend the funeral of her father-in-law, Peter Schoolmaster, who died suddenly on Thursday.

—In the office of the Register and Recorder at Clarion, Pa., March 3, 1909, James Warren Matter and Maria Jane Cook, both of Clarion, Pa., were united in marriage by Rev. B. F. Delo, of Clarion, Pa. May prosperity attend these young people.—Clarion Democrat.

—Prof. F. W. Gill was tendered a real surprise at his rooms on Saturday evening by the Musical Club, which was attended by all the members in town. A very pleasant evening was the result of their descent upon the genial professor and he was the recipient of a handsome picture as memento of the occasion.

—Jacob F. Overlander arrived here Monday from Warren, Ohio, expecting to remain some time in the development of his property across the river for oil purposes. He has abiding faith that there is oil in paying quantities on the old grid mill property which he owns, and adjoining territory which he has under lease, and intends, with others whom he has interested, to give the land a thorough test. He is not alone in his estimate of the good qualities of this territory as an oil producer.

—Elder W. A. Backus, who for the past two years has been located at Stewart Run as pastor of the Wesleyan Methodist church, has been transferred to the Lockport (N. Y.) Conference and with his family and household goods left here Monday for Red House, N. Y., where he will be located. Mr. Backus has also purchased a small farm at Red House. During their stay at Stewart Run the family made many friends who were sorry to part with them, but who will wish them prosperity in their new field of labor.

—For Diseases of the Skin.

Nearly all diseases of the skin such as eczema, tetter, salt rheum and barbers' itch, are characterized by an intense itching and smarting, which often makes life a burden and disturbs sleep and rest. Quick relief may be had by applying Chamberlain's Salve. It itches the itching and smarting almost instantly. Many cases have been cured by its use. For sale by Dunn & Fulton.

—Woods Liver Medicine is a liver regulator which brings quick relief to sick headache, constipation, biliousness and other symptoms of liver disorders. Particularly recommended for Jaundice, Chills, Fever, Malaria. The \$1.00 size contains 2 1/2 times as much as the 50c size. Sold by J. R. Morgan.

PERSONAL.

—The Forest Barge Co. will have twelve pairs of barges ready for the lower markets and expect to start them this week.

—C. R. Middleton, "over the Rhine," has been receiving the congratulations of his many friends for the past week. He concluded to throw off his old bachelor robes and very wisely and quietly changed his course of single wretchedness for a long life of double blessedness. We remember him in his youthful days when he just started out on life's rugged journey. He engaged in school teaching and with marked success taught several schools and later was engaged in the lumber and mercantile business at Tidoute. Later he sold out those interests in Tidoute and purchased a farm and the ferry at Hickory. He afterwards sold out the ferry charter to the Hickory Bridge Company and turned his entire attention to farming and with his industry, frugality and honesty has accumulated a banking account of which any farmer ought to be proud, his last venture being the crowning success of his whole life. Mr. Middleton's marriage with Miss Eveline E. Middleton was solemnized at Union City, Pa., the bride's home, March 2, 1909.

Murder in First Degree.

Alton V. Hover, on trial for the murder of his young wife, Cora Hover, was convicted of first degree murder in the Crawford county court at Meadville, Saturday. The trial was one of the most sensational ever before the courts of that county, having consumed over two weeks of time, and over 150 witnesses were examined. The Hovers lived at Atlantic, a small town about ten miles from Meadville, and the crime was committed on the 27th of November last. The couple had been married about two years, and were well connected, but the husband became abusive, and while his wife was at a neighbors he called her out and as she stepped out on the porch closing the door behind her, he shot her three times. She was taken to a Cleveland hospital where, after 30 days, she died from her injuries. The crime was wholly without possibility of explanation, there being no justification nor aggravating cause claimed in his behalf, and his counsel indignantly pleaded in no way sustained, and it developed that Hover was not and never had been insane. The condemned man received the verdict coolly, but his father, Dr. T. F. Hover, collapsed at the jury's finding and had to be taken from the court room.

Forty Days and Nights.

Of suffering from a broken needle in my thumb and hand, to which I applied flexed poultices for over a week, with no benefit. A friend told me that San-Cura Ointment would draw it out. I applied it as thick as a poultice. My hand was swollen to twice its natural size. San-Cura reduced the inflammation and pain and drew out the broken needle, over an inch long. I never felt so thankful. I took the needle to Mr. Thompson, who has it with other specimens of what San-Cura has done. I recommend San-Cura as an absorbent to draw poison and pain from any suffering being, (man or beast). 25c, 50c, \$1.00 and \$2.00.

Mrs. J. E. Tarr, 48 North Kerr street, Titusville, Pa., wife of passenger conductor on the Pennsylvania railroad.

An Ideal Cough Medicine.

"As an ideal cough medicine I regard Chamberlain's Cough Remedy in a class by itself," says Dr. R. A. Whitshire, of Wynonville, Ind. "I take great pleasure in testifying to the merits of Chamberlain's Cough Medicine. In fact, I know of no other preparation that meets so fully the expectations of the most exacting in cases of croup and coughs of children. As it contains no opium, chloroform or morphine it certainly makes a most safe, pleasant and efficacious remedy for the ill it is intended." For sale by Dunn & Fulton.

—As a poultice leave San-Cura on until absorbed, as the inflammation and pain are reduced by absorption, and the poison is drawn out. We have Necrosis Bone, Glass, Needles, and pins drawn from the flesh by San-Cura used as thick as a poultice. We have never known it to fail in removing pain. 25c, 50c, \$1.00 and \$2.00. Thompson Medical Co., 8 and 10 Diamond st., Titusville, Pa.

Sick Neck.

Sick neck is caused by rheumatism of the muscles of the neck. It is usually confined to one side, or to the back of the neck and one side. While it is often quite painful, quick relief may be had by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires internal treatment. When there is no fever and no swelling as in muscular and chronic rheumatism, Chamberlain's Liniment will accomplish more than any internal treatment. For sale by Dunn & Fulton.

—Sick headache, constipation and biliousness are relieved by Rings Little Liver Pills. They cleanse the system. Do not grip. Price 25c. Sold by J. R. Morgan.

The trial was one of the most sensational ever before the courts of that county, having consumed over two weeks of time, and over 150 witnesses were examined. The Hovers lived at Atlantic, a small town about ten miles from Meadville, and the crime was committed on the 27th of November last. The couple had been married about two years, and were well connected, but the husband became abusive, and while his wife was at a neighbors he called her out and as she stepped out on the porch closing the door behind her, he shot her three times. She was taken to a Cleveland hospital where, after 30 days, she died from her injuries. The crime was wholly without possibility of explanation, there being no justification nor aggravating cause claimed in his behalf, and his counsel indignantly pleaded in no way sustained, and it developed that Hover was not and never had been insane. The condemned man received the verdict coolly, but his father, Dr. T. F. Hover, collapsed at the jury's finding and had to be taken from the court room.

Forty Days and Nights.

Of suffering from a broken needle in my thumb and hand, to which I applied flexed poultices for over a week, with no benefit. A friend told me that San-Cura Ointment would draw it out. I applied it as thick as a poultice. My hand was swollen to twice its natural size. San-Cura reduced the inflammation and pain and drew out the broken needle, over an inch long. I never felt so thankful. I took the needle to Mr. Thompson, who has it with other specimens of what San-Cura has done. I recommend San-Cura as an absorbent to draw poison and pain from any suffering being, (man or beast). 25c, 50c, \$1.00 and \$2.00.

An Ideal Cough Medicine.

"As an ideal cough medicine I regard Chamberlain's Cough Remedy in a class by itself," says Dr. R. A. Whitshire, of Wynonville, Ind. "I take great pleasure in testifying to the merits of Chamberlain's Cough Medicine. In fact, I know of no other preparation that meets so fully the expectations of the most exacting in cases of croup and coughs of children. As it contains no opium, chloroform or morphine it certainly makes a most safe, pleasant and efficacious remedy for the ill it is intended." For sale by Dunn & Fulton.

—As a poultice leave San-Cura on until absorbed, as the inflammation and pain are reduced by absorption, and the poison is drawn out. We have Necrosis Bone, Glass, Needles, and pins drawn from the flesh by San-Cura used as thick as a poultice. We have never known it to fail in removing pain. 25c, 50c, \$1.00 and \$2.00. Thompson Medical Co., 8 and 10 Diamond st., Titusville, Pa.

Sick Neck.

Sick neck is caused by rheumatism of the muscles of the neck. It is usually confined to one side, or to the back of the neck and one side. While it is often quite painful, quick relief may be had by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires internal treatment. When there is no fever and no swelling as in muscular and chronic rheumatism, Chamberlain's Liniment will accomplish more than any internal treatment. For sale by Dunn & Fulton.

—Sick headache, constipation and biliousness are relieved by Rings Little Liver Pills. They cleanse the system. Do not grip. Price 25c. Sold by J. R. Morgan.

PERSONAL.

—The Forest Barge Co. will have twelve pairs of barges ready for the lower markets and expect to start them this week.

—C. R. Middleton, "over the Rhine," has been receiving the congratulations of his many friends for the past week. He concluded to throw off his old bachelor robes and very wisely and quietly changed his course of single wretchedness for a long life of double blessedness. We remember him in his youthful days when he just started out on life's rugged journey. He engaged in school teaching and with marked success taught several schools and later was engaged in the lumber and mercantile business at Tidoute. Later he sold out those interests in Tidoute and purchased a farm and the ferry at Hickory. He afterwards sold out the ferry charter to the Hickory Bridge Company and turned his entire attention to farming and with his industry, frugality and honesty has accumulated a banking account of which any farmer ought to be proud, his last venture being the crowning success of his whole life. Mr. Middleton's marriage with Miss Eveline E. Middleton was solemnized at Union City, Pa., the bride's home, March 2, 1909.

Murder in First Degree.

Alton V. Hover, on trial for the murder of his young wife, Cora Hover, was convicted of first degree murder in the Crawford county court at Meadville, Saturday.
