Pearl M. Mohney, libellant, vs. David Mohney, respondent. Divorce. Decree granted.

The four liquor licenses asked for were granted as follows:

Marienville-Geo. W. Buhl, Keystone otel; J. J. Young, New Marien hotel. Tionesta-C. F. Weaver, Hotel Weaver; Gerow & Gerow, Central Hotel. Evidence in the divorce case of Homer Smith, libellant, vs. Minnie M. Smith, respondent, was heard, at the conclusion of which the decree was granted. M. D. Covert of Marienville was excused from jury duty on account of being in West Virginia.

Samuel D. Irwin made the following notion which was granted: On behalf of Geo. Stow Post No. 274, G. A. R., and rel-

atives of Captain Geo, Stow, who was one of the captains of Company G, 83d Pennsylvania Volunteers, who was killed at Spottsylvania, Va., in the Civil War, and that his relatives have consented to pre-

sent the Post with a valuable oil painting of that hero, of the value of \$500, provided that the same may be taken care of hy placing the same in the custody of the county of Forest and the post is also in possession of a finely painted portrait of Captsin Benjamin F. Smith, of the srais Company and Regiment, who was killed at the battle of Hatcher's Run, Va. It is therefore moved by the Honorable Court, that the County Commissioners of Forest County be authorized to receive said paintings and keep the same in their custody, the same to hang in the court room or such public part of said building as they may see fit, as a memento of these

noble local heroes. Following is the order of the court: And now, April 20, 1909, upon hearing the within motion the same is granted and the Prothonotary is directed to make minute hereof upon the records of this day's proceedings and that the motion and this order be recorded in By the Court

The Local Oil Field.

W. E RICE, P. J.

The question of a spring suit will soon have to be decided.

Our Aim

Every season is to improve on last season. Our line of spring suits plainly shows the result of our effort this time.

We sell a very good suit for	8.00
A cracker jack suit for	10.00
	12.50
And a Jim slicker suit for	15.00

We have the goods and we want to sell them.

A little time spent in looking our clothing will be time well spent.

Come and see.

THE fly season will soon

be here, and those who

promptly will be taking the

best of precautions against hav-

ng disease germs introduced

There is no doubt that flies

and other insects transmit these

germs, and that some of them

and their way into food and

drink, causing sickness. The

extent of infection from this

source cannot be exactly known,

but the safest way is to keep

the flies out.

into their homes by flies.

plished during the past four-score years by reason of the acitivity of members can scarcely be told in words.

-John Stapleton, a carrier boy, employed by the Derrick, was probably saved from drowning in Morans eddy Sunday afternoon by Harold McKeen, a young man of Nebraska, Forest county, who is making a trip to Pittsburg on a raft. Stapleton was in a canoe near the head of the eddy, and his craft was overswimmer, but his shoes and garments became filled with water before he could gain the timber raft moored near the Joseph Reid Gas Engine works. McKeen saw his distress and, ripping up one of the long planks of the raft, he shoved it out to the distressed swimmer and

dragged him aboard. Stapleton was so nolds L. Buzard, preceded her to the was able to run from the eddy to the he recovered his floating canoe,-Derrick Monday.

-The Titusville Herald of Saturday had the following item of local interest, all the parties concerned being former residents of this county: E. E. Norton of

this city yesterday bought through the Johnston Hall real estate agency twentyseven acres of land from B. F. Thompson of Parkersburg, W. Va. It is located above the recent allotment known as the Caidwell terrace at the extension of East Spruce street and is a part of the old Watson farm. Mr. Norton has disposed of a half interest in the property to J. C. Mou-

lin and Homer Dewalt. A company including these gentlemen has been formed and they will drill the property. There is room, because of the shape of the piece of land, to drill about fifteen wells. On three sides there is good oil production and it is as nearly certain as possible that this territory will develop into an excellent small lease. So far as can be ascer-

of rheumatism are simply rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no tained no well has ever been drilled on the section purchased. There is little application of Chamberlain's Liniment is all that is needed, and it is certain to give danger that it has been flooded. In re-cent years Critchlow, the Badger Oil yourself how quickly it relieves the pain company and others have found some and soreness. The medicines usually given internally for rheumatism are po pretty good production in that territory. sonous or very strong medicines.
