PATTEN QUITS MARKET Gold His Heavy Holdings of Wheat and Prices Dropped. That James A. Patten, hailed throughout the country as the "wheat king," has withdrawn from the Chicogo mar., after disposing of his

heavy holdings of May and July wheat, was asserted. To this as Losses on Both Sides Were Heavy sertion versimiltude was added by the fact that prices have tumbled over nine cent during the last week and that Mr. Patten himself has sough: to Surrender After Threatening to rest in the fastness of a New Mexico ranch. Whether he has eliminated himself

from the so-called "deal" and if so whether he came out with profit or loss, are questions which can be an-

swered only by Mr. Patten himself. The session of the board of trade was a sensational one. Bulls had expected that after the six cent decline of the two previous sessions, a recovery would ensue. Taking the Pat ten view of a big crop shortage as cor rect and wheat intrinsically worth all that has been paid for it in a purely speculative way, the reaction was due. But the first quotations were a start

ling disappointment to the bulls. From hearly every point came reports of normal or even better crop reports. Liverpool prices were down and the shipments from Argentina, Australia and other foreign countries were said to be greater than usual at this time of the year.

M. D. AFTER GOTCH'S TITLE

Seattle Doctor Wants to Be World's Wrestling Champion.

Kansas City, Mo., April 27 .- Benjamin Franklin Roller, M. D., the Seattle physician who uses his knowledge of anatomy to help him find the weak points of the men he meets in the prize ring or on the wrestling mat, will grapple in this city tonight with Frank Gotch, champion wrestler of the world.

Roller and Gotch are not strangers to each other, having met in a bout in Seattle a couple of years ago. Gotch admits that the doctor gave him the hardest fight of his long experience. While sports generally do not think that he can pln down Gotch, who has had many more years of experience and recently defeated Mahmout, the Bulgarian, there will surely be lively times when the two get together tonight.

The men will wrestle for a purse of \$5,000, of which the winner is to get 75 per cent. Roller, who is well fixed financially, wants the championship title more than he does the money.

Channel Widening In Niagara From Lewiston to the Lake.

Fort Niagara, N. END OF GOEBEL CASE

Governor Willson Grants Pardon to Those Over Whom Charges Have Been Hanging

Governor Willson cleared Kentucky court records of all charges growing out of the murder in January, 1900, of Senator William Goebel, who was declared by the legislature to have been governor, except those hanging over state's evidence witnesses in the alleged conspiracy, by granting pardons efore trial to former Governor W. S. Taylor and former Secretary of State Charles Finley, who have been fugitives in the state of Indiana for nine years; to John Powers, brother of Caleb Powers, who is believed to be in Honduras; to Holland Whittaker of Butler county, John Davis of Louisville and Zach Steele of Bell county,

who did not flee the state. Those over whom indictments are left hanging are Wharton Golden of Knox county, now in Colorado; Frank Cecil of Bell county, now a railroad detective in St. Louis, and William H. Culton of Owsley county, said to have died in the West recently.

These cases, with the possible exception of that against Cecil, will be dismissed, leaving Henry E. Youtsey, now serving a life sentence in the state penitentiary, the only person to suffer for the assassination of Goebel.

STARTS FOR PEASE'S RANCH

Ex-President on First Day's Hunt Bagged Two Wildebeestes and

. a Gazelle.

After a brief hunting expedition at Kapiti Plains, ex-President Roosevelt and his party broke camp and started for the ranch of Sir Alfred Pease, on the Athi river. Colonel Roosevelt spent part of the afternoon sorting his kit, while Kermit and several of the men went to try their luck with the rifles. An old settler, who seemed to take a liking to Kermit, offered to show him a likely place for good sport. They succeeded in bringing down one buck.

Colonel Roosevelt's first hunt was byvored by fine weather and he enloved the experience immensely. He bagged two wildebeestes and a Thompson's gazelle. In one respect Mr. Roosevelt was somewhat disappointed, as he had been anxious to secure a Grant's gazelle, whose massive horns are much sought after for trophies. The hunt lasted several hours and all the members of the party were well tired out when they returned to the

Incidentally Canada's representative in the conference told the 100 delegates from many citles in this country that all sentiment in Canada in favor of annexation with the United States is dead, buried deep "beneath the industrial prosperity and commercial confidence into which Canada has come during these last dozen years."

Thousands of Dollars and Complete Outfit Seized by Pollce.

Thousands of dollars in counterfeit currency, both of the United States and Italy, were seized by police and secret service agents at New Rochelle, N. Y., on Sunday afternoon in a house formerly occupied by three alleged counterfeiters, who with a woman were arrested on Saturday. With the spurious money a complete currency counterfeiting outfit was discovered, including presses, dies, engravers' stones and colored inks. The United States counterfeits were

all five-dollar silver certificates bearing the Indian head, totalling about \$16,000. Its circulation in the neighborhood resulted in the investigation and arrests. The four prisoners were brought to

New York and will be arraigned before United States Commissioner Shields. They are Dr. Jose F. Fernandez, who is described as a palmist, physician, engineer, machinist and "globe trotter:" Salvatore Sarcinia and his wife, Mariania, and Baptiste Massarlo.

Caracas, April 24, via Port of Spain April 27 .- It is persistently reported here that Cipriano Castro left a fortune in gold buried in Caracas. If this is so it explains Castro's alleged lack of funds and his anxiety to get back to Venezuela.
