A Rhode Island man has invented a money-counting machine. It is shocking to think how few of us there are in this world who need such a machine.

It is stated that in 1907 the packing combine paid cattlemen \$12.50 apiece for cows and sold the hides alone for \$9. Protecting the trusts is different from protecting the farmers.

The Erie Times wonders how any railroad proposition can be successful with so much of brass band tactics as have accompanied recent proposed construction in this section of the country.

The New York State Department of Labor, in its quarterly report, says that the number of idle men in that commonwealth is rapidly decreasing. The number of strikes and lockouts, too, is much smaller than it was a year ago. As trade revival indicators these facts are significant.

BANKS throughout the country have been notified that a counterfeit five dollar silver certificate, and also a 20 dollar bill, the latter on the First National bank of Washington N. D., are being circulated. The check letter "C." It is signed by J. W. Lyons, as register of the treasury, and Charles H. Treat, as Treasurer of the United States. The 20-dollar bill is of the series of 1902 and is signed by W. T. Vernon as register of the treasury and C. H. Treat as treasurer of the United States. The check letter is "A." In both cases the engraving of the head is poor. The head on the smaller bill is that of an Indian, and that of the 20-dollar of Hugh McCulloch.

SPEAKING of the recent decision of the U. S. Supreme Court on the commodities clause of the railroad rate law Attorney General Wickersham gave this view: "The decision does not sustain either the government or the carriers. It, however, sustains the principle contended for by the government, that Congress has the power to prohibit a carrier from carrying, in competition with other shippers, commodities which the carrier owns or in which it is interested. It operates at once to prevent any carrier from transporting any commodity which it owns at the moment of shipment, and it confirms in Congress power to extend that prohibition to the carriage of commodities owned at the time of shipment by a corporation in which the carrier has a stock interest."

TWENTY-DOLLAR mileage books will be adopted by all the railroads west of Pittsburgh in the Central Passenger association territory as soon as arrangements can be made. The Pennsylvania lines are said to be at the head of this movement, the new books to be the same as the ones used on the lines East of Pittsburgh and Erie in the Trunk line association territory. At present the regular Central Passenger association \$15 interchangeable mileage book is the only one used on the lines west of Pittsburgh. Under the new arrangements each line will issue its own mileage books which will be honored only on the lines of that system. They can be used by any person or any number of persons, but a book issued by the Pennsylvania lines system cannot be used on the New York Central, Baltimore & Ohio or any other road.

New Form of Warranty Deed.

Much of the red tape necessary in the transfer of property is out of us by an act passed at the last session of the legislature, a copy of which has been received and filed in the prothonotary's office. The act prescribes a brief but legal form of deed and acknowledgment which has received favorable comment by several attorneys who have examined it. The act gives the following as the proper form for deeds under the new measure: "This deed, made between... (grantor) and... (grantee): Witnesseth, that in consideration of the sum of \$... in hand paid, the receipt whereof is hereby acknowledged, the said grantor does hereby grant and convey (or release and quitclaim) to said grantee all... (description of property and exceptions or special conditions, if any).... In witness whereof said grantor has hereunto set his hand and seal, the day and year above written." Below are proper blanks for signatures and acknowledgments. The new form is considered a model of brevity as against the old style long-drawn-out documents.

KIDNAPERS CONVICTED.

Boyle Gets Life Sentence and Woman Twenty-Five Years.

Both James H. Boyle and his wife, kidnapers of Willie Whittle, were convicted at the Mercer term of court last week. In neither case did the defense offer any testimony, the attorneys contenting themselves with cross-examination of the Commonwealth's witnesses. Neither case lasted more than one day, and the evidence against the man was so conclusive that the jury had no trouble in arriving at a verdict after 20 minutes' deliberation. He was traced from the time he hired the rig at South Sharon till he left the street car at Cleveland with the stolen boy.

In the case of the woman the attorneys contended that she instigated the scheme to kidnap the boy while visiting in Sharon with her husband and that in consequence she became amenable to the Pennsylvania law and authorities as a principal and accessory in the crime. They had no difficulty in convincing the jury of her guilt and it took less than 15 minutes for the twelve men to reach a verdict in her case.

Judge Williams on Monday pronounced the extreme penalty in both cases, James H. Boyle, the principal, to life imprisonment in the Western penitentiary, and his wife and accomplice, Helen McDermott Boyle to twenty-five years and a fine of \$1,000. The woman was sentenced to the pen in the custody of the Mercer county Sheriff. When sentence was pronounced on the woman she made an effort to speak, but broke down and had to be escorted from the court room to the jail by two officials.

Before leaving Mercer Boyle gave out a sensational story to the effect that Harry Forker, of Sharon, a brother of Mrs. Whittle, was implicated in the murder of a man named Dan Reebie, in Youngstown, Ohio, several years ago, that he (Boyle) had incriminated letters in his possession with which he extorted money from Forker on threats of exposure, and that Forker planned the abduction of Willie Whittle in order to raise money with which to satisfy Boyle's demands. Of course no one with sound sense believes a scintilla of the story, and the whole fabrication is denounced in strongest terms by the best and most prominent people of Mercer county, including the Judge who tried Boyle and the attorneys who defended him in this trial. Mr. Forker is one of Sharon's most prominent and highly esteemed citizens, and it is believed Boyle was prompted by a spirit of revenge to make this final effort to disgrace and humiliate the persons instrumental in bringing him to justice for his crime.

The extreme penalty is fully justified in these cases, in fact just such a sentence was what the people of the country looked for and had a right to expect. There was never a question of the guilt of the Boyles. They stole the child and were caught red-handed. And for this heinous crime they got what they richly deserved.

RECENT DEATHS.

DOTTERRER.

"Like one who wraps the drapery of his couch about him and lies down to pleasant dreams," Harry Ivan Dotterrer, fourth son of Herval A. and Ida J. Dotterrer, of Muzette, Pa., passed away, after several weeks' illness, caused by a cancerous growth which baffled medical skill, and which, up to within a week of his death, was attended with racking pain. He has gone to the better land. The deceased was born May 4, 1863, at Gultonville, Pa., and was summoned to his eternal rest at six o'clock a. m., Wednesday, May 5, 1909, from the same home, being aged 45 years and one day. He is survived by his parents and four brothers, William, Charles, Roy and Lester, all of Muzette. During the brief span of years that was allotted as his share of this world's joys and sorrows he exhibited remarkable determination and strength of character for one so young. He was always in regular attendance at school, persisting in attending until within four weeks of his death, and always ranking well in his school work. He was also a regular attendant at church and Sunday school. Though suffering severe pain he bore it with unflinching fortitude, always caring more for the comfort of those attending him than for himself. One can procure strength for enduring such pain from no other source than from Him who is ruler of all things, both spiritual and physical, in whose kingdom we trust he is now partaking of His blessedness.

Funeral services were held at the home at 10 o'clock, Friday, May 7th, being conducted by Rev. W. O. Calhoun of Tionesta, after which the body was laid to rest in the Gultonville cemetery.

BENEDICT.

Died, at Pleasantville, Pa., May 7, 1909, Mrs. Mary Davis Benedict, widow of the late Flavius J. Benedict. Mrs. Benedict was one of twelve children of Greeley and Lucy Dow Davis, who were among the earliest settlers of Schuylker county, N. Y., from where in 1849 they moved to Warren county, Pa., and later to Pleasantville. Mrs. Benedict was born at Reading Center, N. Y., on the 8th day of July, 1822, and came to Pleasantville with her parents when eighteen years old. In 1846 she was united in marriage with Flavius J. Benedict. Three children were born to them: Orville S. and Greeley D. Benedict and Leila A., wife of George R. Bugbee, all living at Pleasantville. In young girlhood Mrs. Benedict joined the Baptist church and has been a communicant of that society for nearly eighty years. She was a woman of sweet, gentle disposition, beloved by her neighbors and esteemed and respected by all her acquaintances.

Until her death there were seven members of the family of which she was one, still living, whose aggregate ages were 528 years—an average of over 81 years.

The brothers and sisters yet living are Alphaus J., Warren, Pa., Samuel C., Hydeltown, Pa., Luther H., Galesburg, Ill., Ephraim L. Davis and Mrs. Miranda Whitney, Buffalo, N. Y., and Mrs. Anna Clark, New York City.

In former years Mrs. Benedict was a frequent visitor in Tionesta at the home of her brother, E. L. Davis, Esq., and was well known to many of the older residents of this village.

The funeral was held at Pleasantville from the home of her daughter, Mrs. G. R. Bugbee, last Monday forenoon, and interment made in the cemetery at that place.

Kellettville.

W. A. Shevman and son Alon of Oregon City Oregon, visited friends and relatives in this place last week.

Mildred Catlin spent the latter part of last week at Warren.

Gwendoline Hill, of Tionesta is registered among the students at the summer normal here.

Mrs. M. Andrews will summer in New York.

Our summer school opened with a large class. The Professor is compelled to limit the number. Not so bad, having no assistance.

Golda Hill is visiting her parents near Tionesta.

Mrs. H. E. Gillespie and Mrs. Earl Downey of Porkey visited friends in town Saturday.

W. G. Tate, who has been visiting his family at Kinzua, returned Monday.

Prof. J. L. Simmons spent a few days in Warren last week.

H. B. Dotterer and family, Mrs. John Blum and Mrs. Harrington attended the funeral of Harry Dotterer at Muzette, Friday.

Mr. and Mrs. Frank Burrel are visiting the former's parents near Embleton.

A. L. Weller and family visited at the home of T. L. Hill, near Tionesta, Sunday.

Squire Zaendel, who can debate any question in the negative, says the Payne bill gives him a pain.

R. R. Shimmell left Monday for Arizona, where he intends spending the summer.

Olive Wolfe returned from Newmansville, where she spent the past week.

Mrs. B. F. Winans visited her parents at Ross Run Thursday.

A large crowd of fans accompanied the home ball team to Mayburg Saturday, where quite an exciting game was played. The leading features of the game was the easy manner in which our team rolled up a score of 22 to their opponents 7; also the three batters by Alva Watson, in the first inning, that brought in three scores; Micky Bows' batting and Harry Murphys' long running catch in the sixth inning. With a little more practice our boys will be able to meet any of the local teams. Mayburg will play a return game at Kellettville, Saturday, May 22.

Pleasant Grove.

Miss Ethel Black is visiting her aunt, Maggie Campbell, in Kane, this week.

Warren Moore has moved from Longsome hollow to a farm near the public road.

Robert Knight of Cooksburg was seen on our streets last Wednesday evening. He must have some attraction up this way.

Miss Florence Black is visiting in Marientown this week.

Lost, somewhere between the white school house and Greenwood, a (mere sham) pipe. A suitable reward will be paid for its return to the owner.

Some of our young ladies have become quite expert in trout fishing this season.

Mrs. H. Silvia and son Samuel of Sigel visited at David Silvia's here over Sabbath.

Bernard Norton and Eda Campbell were visitors in Clarington last Thursday evening.

W. W. Hottel was down from Lamont with his family, over Sunday.

Crossman's mill is running full time now.

Yes, Fitzgerald is clearing up his farm which he recently purchased.

A. M. Fitzgerald is hauling phosphate from Vowinkel for A. R. Braden.

Guy Lewis is visiting friends in Jefferson county last Saturday evening.

In Memoriam.

Whereas, it has pleased Almighty God in His all wise providence to remove from our midst our beloved sister and friend, Mrs. Caroline Berlin, therefore be it

Resolved, That we, the Ladies' Aid Society, of Kellettville, Pa., lose in her death one of our most estimable and faithful members.

Resolved, That we extend to the bereaved friends our heartfelt sympathy in this hour of their great grief and affliction; although our loss is her gain, her untiring efforts to help in time of need were unsurpassed by none, for her trust was in "One who doeth all things well."

Resolved, That these resolutions be spread on the minutes, and also be sent to the friends and a copy sent to the county papers for publication.

Mrs. ELLEN CATLIN, Mrs. ALICE POPE, Miss KATE GUENTHER, Committee.

\$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The profructs have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address, F. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggists, 75c. Hall's Family Pills are the best.

Whooping Cough. This is a more dangerous disease than is generally presumed. It will be a surprise to many to learn that more deaths result from it than from scarlet fever. Pneumonia often results from it. Chamberlain's Cough Remedy has been used in many epidemics of whooping cough, and always with the best results. Delbert McKays of Harlan, Iowa, says of it: "My boy took whooping cough when nine months old. He had it in the winter. I got a bottle of Chamberlain's Cough Remedy which proved good. I cannot recommend it too highly." For sale by Dunn & Fulton.

Titusville, Pa., March 31, 1900. For twenty years I suffered with bleeding and itching piles, at times was confined to the house for more than a month. Two years ago I began using E. K. Thompson's San-Cura Ointment, and one 50-cent bottle made a firm and permanent cure and have not been troubled since. I can truly recommend San-Cura to any suffering humanity.

I am glad to give this testimony and will guarantee a cure if used as directed. I have had perfect health for 8 years.

Rev. W. F. GILBERT, Pleasantville, Pa. Nov., 1908.

—Manzan Pile Remedy is put up in a tube with nozzle attached. May be applied directly to the affected parts. Guaranteed. Price 50c. Sold by J. R. Morgan.

Forty Days and Nights.

Of suffering from a broken needle in my thumb and hand, to which I applied flax-seed poultice for over a week with no benefit. A friend told me that San-Cura Ointment would draw it out. I applied it as thick as a poultice. My hand was swollen to twice its natural size. San-Cura reduced the inflammation and pain and drew out the broken needle, over an inch long. I never felt so thankful. I took the needle to Mr. Thompson, who has it with other specimens of what San-Cura has done. I recommend San-Cura as an absorbent to draw poison and pain from any suffering being, (man or beast.) 25c, 50c, \$1.00 and \$2.00.

Mrs. J. E. Tarr, 48 North Kerr street, Titusville, Pa., wife of passenger conductor on the Pennsylvania railroad. February 8, 1909.

Thousands of Transplanted Plants.

At Chas. A. Anderson's greenhouse, near the river bridge, Tionesta, at the following prices: Flowers—Asters, Verbenas, Phlox, 25 cents per dozen; Salvia or Scarlet Sage, 25 cents to \$1.00 per dozen; Carnations and Pansies, 50 cents per dozen; Geraniums and Geraniums, 15 cents each; Vegetable Plants—Cabbage, 10 cents per dozen or 75 cents per 100; Tomato, 15 to 60 cents per dozen; Cauliflower, 12 cents per dozen; Mangoes, 10 cents per dozen. Terms cash. Mail orders filled, if desired.

Now is the time to get rid of your rheumatism. You can do so by applying Chamberlain's Liniment. Nine cases out of ten are simply muscular rheumatism due to cold or damp, or chronic rheumatism, and yield to the vigorous application of this liniment. Try it. You are certain to be delighted with the quick relief which it affords. Sold by Dunn & Fulton.

What Next? Recently notice was made in these columns that The Pittsburgh Dispatch had published the Literary Magazine for its Sunday edition, and that the price would not be increased, but would remain at five cents. Now The Dispatch announces the publication of Roy Norton's latest novel, "The Vanishing Fleet," and that the first installment will be published in the Literary Magazine section May 16. Those who read "The Vanishing Fleet" by the same author are sure to read Mr. Norton's new novel, which is considered better. The story is clean, wholesome and fit for every member of the family to read. It is certain to create a sensation. After all the good things The Dispatch has been adding lately it is any wonder people say, "What Next?"

—Two years ago my daughter stepped on a needle, breaking it off in the ball of the foot, which swelled up very painfully swelling to the knee. The doctor at Gultonville failed to find the needle, but was unable to find the needle. The X ray was applied, and we could see the needle. We then applied San-Cura Ointment, thick as a poultice, and after four applications the needle made its appearance, (just as Mr. Thompson said it would) and was taken out to the great relief of my daughter, and all the family, as she had suffered a great deal, and every step pained her. Mrs. JAMES HITCHCOCK, Centerville, Pa.
