Just 13 Robes Sacrificed

To clean up, and a good old genuine sacrifice at that. On each and every one of these robes we are prepared to take a loss of a good many dollars, so let's get it over with as soon as possible. This is one of the things we want to forget. The truth of the matter is these are all last year's robes. They are not countermarched to appropriate music by the band, and proceeded thence to Rivnew, and we don't want to carry any of them another year. A slice of a loaf is better than none at all, hence these prices:

One White Linen Robe, embroidered in white, was \$25, now \$7 50. One White Linen Robe, embroidered in lavender, was \$25, now \$7.50. One White Lawn Robe, lace and embroidery trimming, was \$10, at \$2.50 Six Mercerized Batiste Robes, some white with colored embroidery others ecru with colored embroidery, were \$15, now \$5.

Two Ecru Lace Robes, one Light Blue Lace Robe, were \$15, now \$5.

We were next favored by a favorite ode by the quartet, "Tenting on the Old Camp Ground." A C. There are three models made of shrunk cotton, in white, contain ninety millions of souls; now our flag floats on all seas, is revered at home and respected abroad; it proclaims liberty to the nations of the world. The soldier erans were cheered by the music so familiar to them in war times. Nothing is so inspiring as the oid fife and drum, made our country what it is. Our country was formed by patriots and has been defended and sustained by her loyal solband was under the leadership of Com-rade W. Emery Witherell, who was ably assisted by Henry Miller, the boss fifer, diery ever since. It was the love of the old flag that saved our country; it teaches patriotism and proclaims freedom. The war of 1861 was the most important of modern times. Great though was the sacrifice -- think of it, the losses at Gettys-burg alone on both sides were 41,000 in ceremonies at the cemetery and the Court House closed, in short they stayed round numbers, equal for instance to the entire population of Warren and Forest counties combined. Our soldiers whose We were rejoiced to have with us the following squad of comrades from Hickory and Harmony who came with memory we celebrate today and those who yet survive, have established a peace the band: W. SUNDAY SERVICES, STOW POST, G. A. R. Pursuant to General Order No. 9, the annual memorial service of the Post was held on May 30, at the M. E. church, at 11 a. m. of said day. Many members of the G. A beautiful solo by Mrs. Josophine Sheasley of Kittanning, Pa., was one of the musical features, Miss Olive Lanson abiy presided at the piano. Rev. H. A. Did the Best He Knew.

Geordie Horn was a character well known among the country folk of the Scotch highlands twenty-five years ago, He belonged to a class rather hard to classify, for he was neither a tramp nor a farm hand, although frequently following the habits of both. Wandering from farm to farm, the greater part of the time he was kindly treated and hospitably entertained generally, While he was a man of unusual strength, he was mentally weak and exceedingly lady.

"He's a gie cute chiel, though slow in the uptack" (understanding), was the way a good many described him. One day he arrived at his friend the doctor's and complained of a severe pain in his breast. The doctor handed him a plaster, with instructions to put it on his chest without delay. Geordie gave him one of his knowing looks and took his departure. The doctor met him a few days later and incuired how he was feeling now. Geordie replied, "Nae better." "Did you do as I told you with the plaster?" the doctor went on.

"Weel, no, not exactly. I done the best I could. I didn't have a chest, sae I stuck it on my bandbox" (hat box).

An Expensive Dollar. Not long ago in this town a kind

friend of the family gave one of the kids a dollar. Of course it was too much to let the kid get out and spend for candy and gum, so it was rellglously put up on the sideboard or some other safe place to be kept-just for what the deponent saith not. In about a week the juvenile owner of the big round coin remarked at the breakfast table, "Papa, mamma spent my dollar yesterday." The head of the house took the hint and fished up another dollar, which, like its predecessor, was placed in a good safe place to keep.

During the next month by a carefully tabulated record which he kept on his cuff he repaid this elusive dollar just thirteen times. So at the end of the month you will not be surprised to learn that our friend sent the donor of the original dollar this curt note:

Dollar Fish.

"Have you any dollar fish here?" a woman asked of one of the attendants at the aquarium. While the question may seem curi-

ous, it was really very simple, for the dollar fish is only a young moonfish. The moonfish is a curious but beau-

tiful creature, almost round in shape and extremely thin and having the lovellest of pearly sides. It swims on edge, so that it always presents its sides of pearl to view. It takes its name from its shape and because, further, in color it suggests the slivery moon.

Young moonfish of the size of a standard sliver dollar-and they are scarcely any thicker-are called dollar fishes because of their resemblance to that coin in size and shape and color, and the woman making the inquiry about dollar fishes was duly informed that there was none in the tanks at the present time, but that they did have them occasionally. - New York Sun.
