Say Now, "I Will Try These Foods Shot from Guns"

Order one package, either Puffed Wheat or Puffed Rice. Then you will know the whole story.

Hear what your folks say when they taste the gigantic grains. See if they ask for more.

Do this tomorrow—order the package now. Do it to learn just how much you are missing.

Hosts of housewives have already done this, and been glad that we told them to do it.

And their folks have been glad.

For no other cereal foods can compare with them. None are even half so good.

The result is this: Those folks last month served seventeen million dishes of these delightful foods.

Can you doubt that you are going to like them as well as the rest of the world?

One package will tell.

Puffed Wheat—10c Puffed Rice—15c

These are the foods invented by Prof. Anderson, and this is his curious process:

The whole wheat or rice kernels are put into sealed guns. Then the guns are revolved for sixty minutes in a heat of 550 degrees.

That fierce heat turns the moisture in the grain to steam, and the pressure becomes tremendous.

Then the guns are unsealed, and the steam explodes. Instantly every starch granule is blasted into a myriad particles.

The kernels of grain are expanded eight times. Yet the coats are unbroken, the shapes are unaltered. We have simply the magnified grain.

One package will tell you why people delight in them. Order it now.

Marlin
Big Game Repeating Rifles
The great thing in big game rifles is sureness to work under all conditions. Marlin rifles are built with this idea foremost. The mechanism is simple, strong, perfectly adjusted, quick and easy in operation. The Marlin solid top and side ejector keep a protecting wall of metal between your head and the cartridge, prevent powder and gases blowing back, throw the shells away from you and allow instant, accurate, effective repeat shots. The Special Smokeless Steel barrels are hard and strong, specially made for high power cartridges and to resist the wear of jacketed bullets. They are rifled deep on the Ballard system for greatest accuracy and killing power.
Madelin Models '91 and '95, calibres .25 to .45, double and single, detent and illustrated (with all other Marlin repeating rifles) in our 136-page catalogue. Free for 3 stamps postage.

Women's Tailored Suits

Priced \$14.50, 14.75, 16.50, 16.75, 18.50, 18.75

Bringing the biggest November suit business in the history of this store. Two separate racks in our cloak and suit department hold upward of 60 suits at these several prices. Representing suits taken from stock and including twenty-four that were sent us recently by a prominent New York suit maker and on which—as stated in a recent advertisement—a considerable price concession was made us. There are several important facts concerning these suits which we want to state clearly and positively. These are new suits. If they were not new, these prices would have little significance. Of those materials most favored of fashion—cheviots, serges, Panamas and diagonal weaves. Neither is there objection on account of color as they are those colors most in demand—black, navy, blue, grey, a garnet and green. On some of these suits the difference between the actual value and the prices here quoted is as much as \$6, some \$5, others \$3.50 and \$4.

WILLIAM B. JAMES, - OIL CITY, PA.

CARLON'S \$3.50 & \$4.00 Shoes.

These prices in themselves do not signify anything, but when you compare our shoes for men and women at these prices with shoes sold elsewhere They Mean a Lot.

A Breakfast for Five Costs Only 10c

All the wealth in the world could buy nothing finer for breakfast than Beardsley's Shredded Codfish.

This forms the favorite morning meal in many a millionaire's home. And dozens of dishes made from it are on the breakfast and luncheon menus of this country's most expensive hotels.

Yet more than enough for five hungry people will cost you only 10 cents.

And there's nothing easier to prepare. You can have it ready for the table—cooked to the Queen's taste—in less than 10 minutes.

BEARDSLEY'S SHREDDED CODFISH

The Incomparable Flavor. Lots of people like Beardsley's Shredded Codfish so well that they eat it right out of the package—before it is cooked. This doesn't taste at all like the old-fashioned dried codfish. And you'll find a vast difference between this and all other codfish in packages. We use only the choicest fish—the plumpest and fattest. We get them from Northern waters. The fish which feed here attain a superlative flavor. And we take only the choicest parts of each fish—the sweetest, most delicate meat.

Better Than New Laid Eggs. Your folks will find Beardsley's Shredded Codfish a welcome change from meat or eggs. It is richer in food value than either.

It contains 22 per cent protein. Sirloin steak only 17 per cent. Eggs only 12 1/2. Protein is the strengthening, nourishing element in food. And see what you gain by serving it. A package of this—plenty for five—costs only ten cents. Eggs or meat for five cost three or four times as much.

Have It Tomorrow—"Fish-Day". Surprise your folks tomorrow morning—"fish-day"—with this delicious food. When they find out how good it is, they'll want it at least once a week. There are so many appetizing ways to prepare it, that no one can ever tire of it.

Breakfast Ready in 10 Minutes. Beardsley's Shredded Codfish is no bother at all to prepare. No bones to pick out—no washing—no soaking—no boiling. It's so fine and fluffy and dainty that it cooks in less than ten minutes. Get a package today from your grocer. Be sure it's Beardsley's—the package with the red band. Beardsley's is the only Shredded Codfish. No other kind will taste half so good.

Free Book of Recipes. Ask your grocer for our free book of recipes—so you'll know how to bring out all the fine flavor. Or write us—we'll send you the book—and with it a generous sample of Beardsley's Shredded Codfish.
