The run of sizes to be found in our assortment is limited only by the loom itself. All sizes woven are here. From the small door size 22 1/2 inches by 36 inches to room sizes as large as your requirements may suggest.

Here and here only you will see a complete line of rugs from the great mills of M. J. Whittall & Co., acknowledged by all who should know to be without equal. So favorably reputed are these rugs that the United States Senate, after considering every detail, decided on using all Whittall's Anglo Persian rugs in furnishing the new Senate building.

An experienced decorator who will give the advantage of his knowledge and quote prices on floor coverings, wall papers and draperies will call upon request.

OIL CITY, PA.

After a careful search of the ruins of his home, which was burned at West Middletown, Washington county, Saturday, David Barr unearthed a tin cash box containing \$800 which he tried in vain to save at the time of the fire. Of the bank notes nothing was left but a charred roll. Barr hopes to have the government redeem some of the notes which bear marks of the denomination they represented.

by opening a bank account and paying all bills by check. Stop the loose change habit—it leads to extravagance. You will not be so ready to let your eyes be your financial guide when you have to make out a check to pay your bill. Keep your money in bank and your hands will be less liable to be in your pocket.

We encourage small Checking accounts, they have a habit of growing.

## A Blanket Sale

Whether as predicted by the much maligned and much abused wood chuck and other greater or less honored weather prophets, winter is to last another six weeks, we know not.

# This We Know.

The winter, so far as the sale of blankets in a regular way is concerned, is practically at an end. That fact suggested a blanket sale. 165 pairs of Wool and Cotton Blankets offered at prices which make them unequalled bargains.
