# BEAUTIFUL Gowns and Millinery.

Never was such a brilliant display of spring fashions presented to the women of this vicinage as awaits you in our millinery and garment sections. Every dictate of fashion has been heeded.

Ready-to-wear gowns that appeal to women of refined taste, beautiful conceptions of the dressmakers' art that have been gathered from the foremost makers.

The bright tones of the hats and flowers in our millinery parlors lend a touch of beauty to these early spring days. Come by all means to see the display.

## \$5 and \$7 Are Exceptionally Low Prices to Pay for Hats Like Ours.

You will better appreciate that fact when you have seen them because the flowers that are used in the trimming of some of the models are alone worth as much as our price for the entire hat, and would cost as much if you were to buy them separately. In addition these are the becoming shape, the smart stylish design and the skilled workmanship which augment the value of the hats so that they are values unsurpassed anywhere. \$5 and \$7.50 specials.

## Girls' Washable Dresses.

Prices ranging from 50c to \$5. These are splendid dresses, in sizes from 6 to 14 years, for school and for house wear. They are made of chambray, gingham and percale—fabrics that are guaranteed to wash perfectly. 50c, 75c, \$1, \$1.50 and up to \$5.

## Genuine Mirage Silks.

Last week one of the largest Eastern department stores advertised these same silks as a special bargain at 95c. They are at that. Mirage Silks in good shades at 95c are decidedly attractive; but they're still more so at 89c, the price we now quote on them. The color range is exquisite. All the best shadings, including plenty of the scarce tans and naturals. Secure them while you can at this price.
