His many old friends in this section will wish him health and prosperity in that far-off country.
 —An enjoyable birthday party for Mrs. James Emert, of German Hill, was held at her home on Monday, the occasion being a complete surprise. Neighbors and friends to the number of thirteen gathered to help her in celebrating the event, which proved very enjoyable to all. The guests were, Mrs. Charles Gesin, Mrs. Fred. Struck by Lightning.
 The home of Wm. F. Blum, in this place, was struck by lightning during a severe thunder storm about four o'clock, Monday afternoon. The bolt entered the house by way of a wire clothes line fastened to the back porch and the crash when it struck was something terrific, the whole town feeling the shock. The woodwork at the back door and some of the furniture were immediately charred and the flames were quenched by the use of a few pails of water, although the hose cart was promptly on hand. Mrs. Wm. Blum was lying on a couch in the front room. She felt no shock and beyond the scare was not injured. Mrs. David Blum and three children were on the second floor. She felt the shock but was uninjured. The back part of the house was considerably torn up, the dining room and kitchen getting the worst of the shock. A few weather boards were split, plaster torn loose, windows broken, and a great many dishes smashed. One of the freaks of the electric fluid was the breaking of a number of casters on a bed and dresser in a down-stairs bed room. It was a narrow escape and a fortunate thing that no one was in the dining room or kitchen at the time.

S. J. Grove's Home is Burned.
 The dwelling house of S. J. Grove, located at the mouth of Tabbs run, at the northern limits of the borough, was completely destroyed by a fire which broke out about two o'clock Friday afternoon. The family used wood for fuel and Mrs. Grove was engaged in doing a baking and it is supposed the fire caught from sparks from the chimney. It was discovered by Mr. and Mrs. Grove at the same time and all of the top part of the building was in flames. Mrs. Grove gave the alarm by telephone and quite a number of men went up to assist them, breaking in a number of casters on a bed and dresser in a down-stairs bed room. Mrs. Grove saved the sewing machine, a writing desk, center table and two rockers, but everything else in the house, including the clothing and a valuable collection of books owned by her daughter, Miss Evelyn Grove, was destroyed. \$10 in cash was also lost. The loss which is a very heavy one to Mr. Grove, will run between \$1,000 and \$1,500. There was an insurance of \$200 on the house and contents. The wind carried the flames away from the other buildings and it was an easy matter to save several chicken houses nearby. The barn was never in danger. The fire was under control before the close of the afternoon.

Clarington.
 John Maze was at home on a visit last week from Kane, where he is at work. He had not been home for more than six months.
 Burns Campbell is at home farming again at this time. He has been away from home all winter.
 Miss Eda Campbell is at home, having recently been away in search of health. She expects now to improve. Her friends hope for her final recovery. Clear up, Eda, spring is here.
 Mrs. Mary Fulmer became suddenly ill at church at Greenwood. Dr. Brewer was hurriedly called and she was taken home with her for more than two hours, she did not rally. While her many friends are anxious for her recovery, there seems to be a very slim chance for her.
 Miss Ida Knit was married recently to Mr. Albough of Six Mile, Pa. Congratulations are in order, if she did go away to find a man.
 Miss Alice Franz and others gave a pie social last Saturday night. The proceeds are to be used to supply a much needed dictionary and other books for the library for the Greenwood school. The receipts were quite satisfactory. There was a large attendance.
 The infant daughter of Al. Cassatt, of Redcliffe, was buried at Clarington, Sunday afternoon. Rev. J. P. McAbey officiated. He preached the funeral, but on account of Mrs. Fulmer's illness, he did not get there.
 R. W. Breneman was born in Clarington, Pa., Aug. 5, 1834. Went home from Clarington, March 20, 1910. He leaves a wife, one daughter, Mrs. Mildred Hindman, of Clarington, three sons, Reed and Herbert, both of Clarington, and Lyman of Ridgway, Pa., to mourn his loss. He was united in marriage with Miss Hannah Reile, on July 4th, 1860. He lived in Clarington and Forest counties all his life. He united with the M. E. church in early life and has always been true to his post in the church and in the community. He has been a consistent Christian for many years, and was often heard to testify to the fact that "it matters not when my Lord shall call, I am ready." To know him was to love him. Our loss is his gain. He had been the greater part of the winter, having two or three serious attacks. His funeral was conducted at the late residence in Clarington, by his pastor, Rev. Jas. F. McAbey, assisted by Rev. J. F. Strayer, pastor of the United Brethren church, and Rev. S. Steiner, of the Free Methodist church. His interment took place at Clarington.

CARE OF THINGS.—We desire, through our pastor and your paper, to express our sincere thanks to the neighbors and kind friends who have shown us kindness, or given comfort or cheer through this bereavement, the sickness and death of our husband and father.
 Mrs. R. W. BRENEMAN.
 Mrs. M. V. HINDMAN.
 Born, to Mr. and Mrs. Arthur Drunkle, a girl, Sunday, March 27; to Squire and Mrs. Wm. Burket, a girl, Sunday, March 27. And Sunday was not such a good day for the store after all. Dr. J. J. Brewer is busy, as usual, you see.
 Lyman Breneman returned to Ridgway Saturday morning, he having been called here by the serious illness of his father. His wife accompanied him.
 Commissioner Clark and others deserve credit for the splendid condition of the roads, they having had the road machine in hand for some time and have certainly improved the roads a great deal.
 Mrs. Wm. Maze has had an operation performed on her foot. She is getting along nicely. Dr. Brewer, attending here, Meehling & London have been busy this last week, as undertakers, having no less than three funerals.
 Rev. M. B. Riley is to deliver his famous lecture in this vicinity, as follows: At Clarington M. E. church Tuesday, April 19, subject "17 to 34." At Blue Ridge, Wednesday, April 20, subject, "Reminiscences of Early School Days." Admission, 10 cents. Early and avoid the rush.
 Making garden seems to be the order of the day.
 Dan Meehling was home over Sunday. He is attending school in Brookville.
 Rev. S. M. Ward is repairing his house, moving the old part back, and says he expects to put another story on top.
 For SALE.—Eggs for hatching from choice Rose Comb Brown Leghorns at \$1.00 per 15, \$2.00 for 30, at Clarington. Carriage extra if over 5 miles away. Address, Jas. F. McAbey, Clarington, Pa.

Greatly Exaggerated.
 GROVE CITY, PA., March 23, 1910.
 DEAR MR. EDITOR:—Will you in justice to Grove City and for the purpose of counteracting the exaggerated and damaging stories about, say that there were 400 cases of meningitis in Grove City and in a population of about 400, and that at the present time there is not a single acute case of disease of any nature whatever in the community and that the health conditions of Grove City were never better in its history than they are today?
 R. E. ENGLISH,
 President of the Board of Health.

Cunningham and daughter spent Thursday in Sheffield.—Blanche Hendricks and Goldia Hill were Warren visitors Saturday.—Prof. D. W. Morrison, of Tionesta, visited our schools Friday.—Mrs. W. C. Catlin and son, Russell, of Sheffield are visiting relatives in town.—Edward Gillespie moved from Porky to our town last week. Mr. and Mrs. Gillespie were former residents here and will be welcomed by all.—H. Port, of Clarion, and Lawrence Zuendel, of Shippensburg, visited friends in town over Sunday.—Carter's Original Jolly Singers, of North Carolina, was the attraction at Andrews' Hall, Thursday evening. A large audience greeted the singers. People from Mayburg, Newtown, and Nebraska arrived on special trains. At least every reserved seat in the house was sold. The program was pronounced the best that was ever rendered to a Kellettville audience. The audience was entranced and spellbound from the beginning to the end. A special feature was "The Flag that Never Touched the Ground," caught the house by storm. The gentlemen's quartet in amusing impersonations and burlesque brought forth round after round of applause. The rendition of "The Battle," by Mr. Carter, was masterful and classical. Mr. Manning, the basso, sang, "Asleep in the Deep." If the audience had the disposition of the Carnegie medals, Mr. Manning would be assured of at least one. At the close of program, a unanimous request was made for a return date. We understand Prof. Simmons is negotiating for the same. The course was a financial success netting the schools \$100. Two young men who disturbed the audience in the hall Thursday evening will be excluded from all entertainments given under the auspices of the public schools.

ANOTHER CORRESPONDENT.
 An important change occurred in the ownership of the M. E. Co. store last week, when the Hon. Geo. R. Johnson retired from the firm. Mr. Leon Watson purchased his interest. Mr. Watson intends to give more attention to the mercantile business hereafter.—The Keystone Handle Co., of Corydon, Pa., have purchased all the material on the ground at the old wood factory and have a large crew of men here to erect a new building, which will be ready to place their material on the market. This is a new industry and so glad to report any news of this kind.—The Salmon mill has resumed operations for the summer. Their cut will be principally hard wood.—The high school course of entertainments was concluded on Thursday evening by the presentation of the world wide Carter Jubilee Singers, of Chicago. No better entertainment was ever given in Kellettville than this last number. Special trains from Mayburg and Nebraska assisted materially in filling the hall to its utmost capacity and also adding luster to the treasury of the high school funds. Words are inadequate to express the pleasure of the assemblage. Prof. Simmons was the recipient of many kind words and expressions in his rare judgment in selecting none but the very best of entertainers. After paying all indebtedness the neat sum of \$80 remained as a nest egg for future layers. Something to be over that.—The well known Steve family, consisting of father, mother and several children, of which two boys are married and have families, departed for Wisconsin Monday, where they expect to better their condition financially.
 Mr. Steve and sons have been employed at the tannery for the past 15 years. The three families left on the early train Monday, where a large number of friends at the depot to see the gathering of the Shaves.
 Mrs. Hattie B. Catlin, who has been here for the past two weeks, is slowly recovering.
 —Mrs. Pat Welsh and son Miles are visiting friends at Brookville.—Miss Jennie Meagher of Tionesta visited her friend, Bertha Mathe, last week.—The Warren visitors Saturday were Misses Blanche Hendricks, Goldia and Gwendolyn Hill and F. J. Henderson.—Plummer Wilson has accepted the position as deliveryman for the Salmon Creek Mercantile Co. Plummer says you can't keep a good man down.
 —Signs of spring. Spring is now here. It has been here before, but not so much so perhaps as it is this year. In spring the buds swell up and burst. The violets bloom one more and the husband and father puts up one more door to fool the annual when he tries to get a goodly amount of debt. Spring comes with joyous laugh and song and sunshine and the burnt sacrifice of the overripe boot and the hoary overcoat. The common cry of farmers begins to come forth into the market at a price where it can be reached with a step ladder. There are four seasons, spring, summer, autumn and winter. Spring is the most joyous season of the year. It is then the green grass and the lavender pants come forth. The little birds twitter in the branches and the farmer goes forth to till the soil till the cows come home. We all love the moist and fragrant spring. It is then that the spring bonnet of the world crosses the earth's orbit and makes the bank account of the husband and father look fatigued. The sun of the day is gentle and deals with us. The little striped hornet beats his nose with a spirit lamp and goes forth to seek the man with the linen pantaloons. All men are full of life and activity. It is like the man with the linen pantaloons. The frogs in the valley add their joyous discord to that of the dog at 11 p. m. The idle man will wander up to the sunny side of a horizontal object and gaze with his head on his back to the object, while in his eye there is a faraway look as he gently propels himself as doeth a walking beam. The small boy will gallantly don his father's boots and proceed to plow up the fat and luscious angle worm and gently lay them away for future use. And last, but not least, a sure sign is Charley Russell toting in his traps that have been set all winter without successful incubation.

Attention, Farmers!
 E. B. Dorsett, Lecturer of the Pennsylvania State College, will lecture in the Grand Hall, on Cropp Hill, on Thursday, April 14th, at 8 p. m. The subject of the lecture will be, "The Grange; what it is and what it means to the farmer." All who heard Mr. Dorsett speak at the Farmers' Institute this winter will be glad to hear him again. Everybody invited.

Spring Suits.

You don't have to excuse anything in these suits because they're ready to wear; they give you exactness of tailoring that marks clothes of the highest class; here fitting you has been reduced to an exact science.
 The new fabrics show a lot of handsome stripes and invisible plaid effects, in quieter colors than prevailed last spring; grays are the most popular. Coats have rather loose backs and medium lapels; trousers show clean-cut, effective styles in the new models. And in addition to their goodness we sell you clothes with national reputations.
