REPUBLICAN COMMITTEE MEETING.

In pursuance of the rules governing the Republican party of Forest County, I hereby give notice that a meeting of the newly elected county committee of said party will be held at the court house, Tionesta, Pa., on Thursday, June 30th, 1910, at 2:00 o'clock p. m., for the purpose of organization for the fall campaign, and the transaction of such other business, as may properly come before the committee. It is desired that every member of the committee be present at said meeting.

C. A. RANDALL, Chairman. Tionesta, Pa., June 21, 1910.

The way eminent citizens are being detained for attempted smuggling nowadays convinces one that the tariff is at least interesting if not beneficial.

CHAMP CLARK wants Speaker Cannon's chair, so they say, but as Champ has been wanting it for the past number of years it won't hurt him so bad when he is disappointed.

At the Republican State convention which convenes today in Harrisburg the ticket is likely to be, for Governor, John K. Tener of Washington county; Lieut. Governor, John M. Reynolds, Bedford county; Secretary of Internal Affairs, Henry M. Houck, Lebanon county; State Treasurer, Fred C. Wright, Susquehanna county.

SINCE the establishment of the school savings bank system in the Williamsport public schools in 1890 there has been deposited by the boys and girls of Williamsport \$209,377, is the interesting announcement made by Mr. Speaker, chairman of the school savings bank committee, in a report made to the Board of Education. At the present time there is on deposit \$25,879.22, which includes interest to the amount of \$621.15.

At Allentown last Wednesday the Democratic Convention named the following ticket: Governor, Webster Grinn, Bucks county; Lieutenant Governor, Samuel B. Price, Lackawanna; Secretary of Internal Affairs, John I. Blakeslee, Carbon; State Treasurer, Samuel B. Phillips, Somerset. Since the adjournment a great howl has gone up in the camp of the untrified, because of the side-tracking of Berry, the sudden withdrawal of Larue Munson, and the nomination of an obscure candidate for Governor. There is a demand for another convention, but it will all blow over.

JOHN L. SULLIVAN, who is probably as well supplied with experience on the subject as anybody, says: "Young man, quit the booze, and quit it for good. You older fellow, learn the same lesson. Remember the real punch is contained in the fiery stuff. The fellow who beats it is the fellow who can dodge the punch. Did you ever know that most of the lying in the world is caused by drink? It is. You don't know it, maybe, but stop and think. Don't a drinking man say some awfully foolish and uncalled for things? And isn't he sorry for it when he thinks what an ass he has made of himself? Say, take it from old John L., a champion once at ring and at booze fighting, it's the worst game ever discovered."

By a change in the form of the postal money order and the elimination of the mail address to postmasters, Postmaster General Hitchcock expects to save the Government approximately \$500,000 a year. The order making the changes was issued by the Postmaster General. The money order form is two and a half inches longer than the one now in use. It consists of a stub, order with marginal check, coupon to be retained by the postmaster who makes the payment and a receipt for the remitter. The order and coupon both are to be mailed to the person in whose favor the order is drawn. The new form will be put into use as soon as the Public Printer can obtain the necessary supply of "safety" paper.

Science in Farming.

The farmers of Pennsylvania are showing their faith in agricultural education by sending several hundreds of their sons to the School of Agriculture in the Pennsylvania State college. The growth of this school in this state institution has been remarkable. The criticism made of some state agricultural schools that they train boys wholly away from the farm will not apply to Pennsylvania. One hundred and seventy of the four hundred and seventy-nine students enrolled in the School of Agriculture last year took courses that fit only for rural life, while a considerable percentage of the remaining number, who are taking the four years' college course, expect to engage in some department of practical farming.

The Two Years' Course in Agriculture attracts young men who have not been able to prepare for a four years' course, and it fits men for practical work only and not for professional life. A booklet has been prepared for free distribution that describes the work offered in this course, and it presents some fine illustrations that are descriptive of the work in the School of Agriculture. Students are shown engaged in livestock judging, horticultural work and other practical. An excellent picture of the students engaged in military drill is shown on the last cover page. This attractive booklet may be secured without charge by sending a postal card request addressed to School of Agriculture and Experiment Station, State College, Center county, Pa. Every young man who wants to know the science of agriculture and its useful application and who has not had the advantage of school preparation for a four years' college course, should take advantage of this Two Years' Course in the Pennsylvania State college.

Campaign Expense Accounts Filed.

Most of the candidates at the late primaries have filed their accounts of expenses incurred, as provided by the primary election law, some of which run way up into the thousands, and are calculated to strike terror to the heart of the man of ordinary means who might have a mind to shy his castor into the ring for official preferment.

Mr. Sibley makes affidavit to having spent \$10,088.83. The account is in the form of two statements, one made by Mr. Sibley and the other by his treasurer, Frank H. Taylor. Mr. Sibley says he paid to his treasurer the sum of \$39,288.83 during the months of February, April, May and June. Mr. Sibley appends the following explanatory note: "This manner of conducting my campaign was absolutely necessary, inter alia, for the reason that I was sick and under the doctor's care with ailments which wholly incapacitated me from personally supervising said disbursement made by my said treasurer."

In another note Mr. Sibley tells of the payment of \$1,410 to various newspapers for advertising space, and by adding this amount to that paid to Mr. Taylor the total of \$40,838.83 is shown. The second note is as follows:

"Sometime in January or the early part of February, 1910, before I became a candidate, there was paid the sum of \$1,410 for advertising space in the following newspapers: Sharon Herald, \$200; Sharon Telegraph, \$100; Sharon Eagle, \$60; Warren Mirror, \$50; Vart Land, \$200; Emmenton News, \$200; Oil City Blizzard, \$200; Youngsville Enterprise, \$100. This money was paid for me before I became a candidate, and I find that receipts were not taken. These receipts will at once be procured and filed herewith."

Mr. Sibley enumerates the following bills as not having been paid: Grit Publishing Company, \$7.50; Corry Leader Publishing Company, \$84.10; Langdon Brothers, advertising, 74.50; Progress Publishing Company, \$20; Evening News Printing Company, printing, \$225.90; Bell Telephone Company, \$14.10; Postal Telegraph Company, \$8.12.

In Mr. Taylor's statement the payments appear in detail, the account covering nine typewritten pages. The person receiving the largest sum of money was C. D. Crandall, manager of the Warren county campaign, who got \$13,800, in various payments. D. M. Howard, also of Warren county, received the sum of \$4,000. C. C. Swift, Republican county chairman of Elk county, also got \$4,000. Daniel Williams, of Sharon, received \$1,500. The individual receiving next largest sum of money was Senator J. D. Emery, of Mercer, to whom was paid \$1,000. O. W. Proper, of Forest county, received \$825. E. E. Fleming of Tionesta received \$325. J. C. Dunn, Tionesta, \$300 for transportation of voters. D. Heidenberger, \$200.

The amount paid by Mr. Sibley to the various papers and publishing houses, including the sums mentioned above, was \$5,648.30, divided as follows: Sharon Telegraph, \$2,048; Oil City Blizzard, advertising and extra papers, \$700; Vart Land, a Swedish newspaper printed in Jamestown, N. Y., \$500; Warren Mirror, \$500; Sharon Herald, \$182.90; Evening News Printing Company, \$571.70; Emmenton News, \$325; Liberty Printing Company, \$325; Sharon Eagle, \$182.90; Western Press, Mercer, \$157.95; Youngsville Enterprise, \$147.10; Pittsburg Dispatch, \$138; Marienville Express, \$90.60; Corry Leader, \$84.10; Ridgway Publishing Company, \$82.10; Warren Mail, \$61.50; Oil City Derrick, \$47.20; Tionesta Republican, \$47.20; Sharpville Advertiser, \$40; Emmenton Herald, \$35; South Sharon News, \$25; Sandy Lake Breeze, \$25; Shesango Printing Company, \$25; Sheffield Observer, \$25; Tionesta Indicator, \$25; Mercer Dispatch, \$25; Greenville Progress, \$25; Lawrence Printing Company, \$18; Journal Printing Company, \$10; Grit, \$7.50; Labor Review, \$5. A great many payments were made to individuals, numbering over 340, for the "dissemination of information," ranging from a few dollars up to \$450.

THE HOME CANDIDATES.

Congressman Wheeler's expense account was received at the Prothonotary's office this Wednesday morning and shows a total expenditure of \$7,818.75. The items of the account are as follows: Dissemination of information to public, \$3,996.40; political announcement of candidacy to district, \$785.20; Oscar J. Denny, chairman Mercer county, \$1,500; C. F. Keefer, treasurer campaign committee Warren county, \$5,000; John Curry, treasurer campaign committee Elk county, \$500; C. E. Trace, treasurer campaign committee Venango county, \$700; J. T. Dale, treasurer campaign committee Forest county, \$800; J. Allison Keck, Mercer county, \$500; W. H. Baker, Elk county, \$500; postage, \$200; traveling expenses, \$173; telephone and telegraph bills, \$32.85; typewriter rental, \$10.50; campaign buttons, \$120.80.

W. J. Campbell, the successful candidate for Assembly, spent \$100.88, consisting of printing, telephone, transportation of voters, hotel bills, railroad fare, etc. Forty-two dollars of this account, Mr. Campbell states is still outstanding. A. R. Meehling, who failed of nomination expended \$172.77, the account consisting of pretty much the same items as Mr. Campbell's, with the addition of rig hire, which constituted the largest item of expense.

The expenditures of Wm. J. Breene, Democratic candidate for Congress; E. A. Wolfe, Democratic candidate for Assembly, and Asa H. Sigworth, candidate for delegate to the Republican State convention, did not exceed \$50 in either case, so they are not obliged to file an itemized account.

Whig Hill.

Again the clouds that overhung the skies for many weeks have passed away and the glorious old sunshine is felt once more and oh, how we appreciate it. The crops, hay and gardens will have to hustle to get out of the way of Jack Frost this fall. Nothing but sunshine will do the trick. People are cultivating and trying to make a stagger at farming and where some have worked their crops you almost need a spy glass to see them. But we are promised a seed time and harvest, so ye tillers of the soil dig in and look up. Eugene Berlin, of this place, is making some nice roads. When we can get a man like Gene, why not let him follow the business up for a succession of years? Don't need any old codger to tag behind to watch him and draw an extra salary.

Considerable change has taken place on the hill in the last few weeks. The parsonage has been torn down and ancient landmarks removed to other places. As people grow wiser we have to advance, so where there is wealth there is prosperity. Two churches one mile apart. We want the conference to send us a preacher with a good bass voice this fall, so he can have services at both churches at once. Also we want a good old gospel ship built on a wagon with four good wheels, so she can be moved along when necessary. Also we want charity to go with it, so all will be unity. A house divided against itself cannot stand.

John Gold, of this place, was called to the home of his father at Bedclyffe, who is not expected to live.

E. N. Decker and Chas. Prather sold their restaurant in Sheffield last week to parties in Buffalo.

Cattle buyers are still roaming the fields of old Forest and sister counties buying cows and a large number have been shipped and driven out. Lots of cows for sale yet. Butter down to 20 cents and nobody to buy it, so we feel like saying, "Jamie, Jamie, come over here. If you can't come in one ship come in two. Taters are two shilling a bushel and whiskey the same and no hanging for stealing."

The Ladies' Aid of German Hill met with Mrs. Fred Rudolph, of this place. A grand time reported and much good done. Come again, ye noble daughters. The buckwheat acreage will be large this season on account of backward weather this spring.
