REPUBLICAN COMMITTEE MEETING

Hon. Charles A. Randall Re-elected Chairman for the ensuing year.

The newly elected Republican County Committee of Forest County met at the court house, Tionesta, June 30, 1910, pursuant to call of the Chairman, and proceeded to organize for the approaching campaign. Out of the 17 districts in the county 14 were represented, either by the duly accredited members or their proxies.

The meeting was called to order promptly at 2 o'clock p. m. by Chairman Randall, and Dr. W. G. Morrow, of West Hickory, was made temporary chairman, and Leon Watson, of Kelleitville, temporary secretary. The roll of members was called and the following responded: Barnett Twp.—W. M. Coon, Clarington; J. C. Lyons, Cooksburg; S. R. Crossman, Redeflye.

Green Twp.—M. C. Jones, Nebraska; Ed. Weist, Gultonville. Harmony Twp.—W. G. Morrow, West Hickory; Fogie Farm (no election of committee man, vote being a tie).

Hickory Twp.—W. O. Fuelhart, proxy for H. O. Tait, Endeavor. Howe Twp.—J. S. Silvershoe, Brookton, absent; G. Fox, Lynch.

Jenks Twp.—A. Stromquist, Marienville; John Benson, proxy for Charles Anderson, Duhning.

Kingsley Twp.—J. G. Richards, Mayburg, absent; Leon Watson, Kelleitville; E. E. Zuendell, Newtown Mills. Tionesta Twp.—J. B. Eden, Tionesta. Tionesta Boro.—Howard Kelly, Tionesta.

The election of a Chairman for the ensuing year being the first order of business, Charles A. Randall and Joseph Clark, both of Tionesta, were placed in nomination. A. Stromquist and S. R. Crossman were appointed tellers and a ballot was taken resulting as follows: Randall 10 votes, Clark 4 votes, and Mr. Randall was declared duly elected.

Harry T. Klineviter, treasurer of the committee for the past year rendered his account, which was audited by Mr. Fuelhart and Mr. Kelly. The report showed receipts to the amount of \$119.25, and disbursements amounting to \$89.25, leaving a balance on hand of \$30.00.

At the conclusion of the regular order of business, Mr. Randall was called upon and delivered a rattling good speech in which he returned thanks for the confidence reposed in him by the committee, and counseled harmony and earnest work in the campaign upon which the party is about to enter. He said he had no axes to grind, friends to reward nor enemies to punish, but admonished all Republicans to get into the harness and aid in the election of the ticket in November by large majorities.

Mr. Campbell, the Republican nominee for Assembly, was called upon for a speech, and responded in a few well chosen words in which he thanked his friends and the party for honoring him with the nomination, and promising his best efforts in winning success for the whole ticket in the fall.

Capt. J. J. Haight also responded in a short speech, and others were called upon, but the oppressive heat made a suggestion to adjourn the most popular sort of speech, so the meeting came to a harmonious end.

The following resolutions were unanimously adopted by the convention: 1st. That we, the representatives of the Republican party of Forest county, in convention met, hereby reaffirm our adherence to the principles of the Republican party as enunciated in their various platforms, both state and national.

2d. We hereby endorse the wise and business like administration of President William H. Taft, and his persistent and successful determination to carry out the pledges of the Republican party as enunciated in their platform.

3d. We hereby endorse the successful administration of Governor Edwin S. Stuart from beginning to end. He has ably and conscientiously carried out every pledge and promise upon which he was elected to the office of governor.

4th. Forest county points with pride to the record of one of her most respected citizens, the Hon. Nelson P. Wheeler, member of Congress from the 28th district of Pennsylvania, believing that he faithfully and honestly served his constituents in all their varied interests. His earnest endeavor in behalf of the old soldiers who stood up in front of the battle in their country was commendable. Faithfulness to every trust and true to his constituents was the height of his ambition, and though defeated for re-nomination he no doubt feels grateful to the many loyal friends who supported him, and throughout the district as well, who gave him their earnest support. An ardent supporter of the administration and a loyal Republican has been his course, and we feel confident will be what represents the 28th district in the halls of Congress.

5th. We point with pride to the record of our present member of Assembly, the Hon. A. R. Mehlberg, who served his constituents well and never betrayed a trust, honest and careful in the discharge of his duties, frank and fair in his position on all public questions, and as general in adversity as in prosperity.

6th. We hereby endorse the candidates placed in nomination by the Republican party in Forest county and pledge to them one and all our earnest and hearty support.

On petition of citizens of Venango, Warren, Mercer and Elk counties, of the 28th Congressional district, Judge Criswell of Venango has directed that an audit be made of the expense account of Hon. Joseph C. Sibley in the late primary campaign, in which Mr. Sibley avers that he expended the sum of \$40,698.83. The name of the auditor is not given in the court's order, and may be that the Judge intends to conduct the audit in person. August 29, 1910, at 10 o'clock a. m., is the time set for beginning the work which is likely to consist several days, perhaps weeks, in its completion. Under the law the auditor is empowered to subpoena witnesses in any part of the district to testify concerning all matters at issue. The court requires the petitioners to give bond in the sum of \$5,000 to cover the costs, in case the same are placed upon petitioners.

RECENT DEATHS.

ARMSTRONG. George Beatty Armstrong was born in Middlesex, Mercer County, Pa., Jan. 6, 1848, and died at his home in Tionesta, July 1, 1910. When a young man thirty years of age he came to this vicinity and has resided here ever since. He was a plasterer by trade and among the best workmen of his vocation, buildings for a radius of many miles bearing witness to his skill and faithfulness. For several years he had been afflicted with kidney trouble, but his strong will enabled him to be about the home and village up to a few days before his death. Armstrong was married three times, his first wife being Miss Caroline Beckman, who died twenty six years ago. By this marriage there survives him one daughter, Mrs. Emma Towersox, of New Bethlehem, Pa., and one son Frank E., of Tionesta. His second wife was Mrs. Mary Cousins. Of this marriage two sons survive him, Andrew J., of Colville Wash., and Ellsworth, of Tionesta. His last wife was Miss Margaret Huddleston, whose tender care made as comfortable as possible the last days of his life. Mr. Armstrong was a member of Tionesta Lodge, No. 309, I. O. F., and at the time of his death was in rank of membership the oldest member but one in the lodge. His funeral service, conducted on Sunday, July 3, at 3 p. m. by Rev. W. O. Calhoun, was largely attended both by members of the order and the citizens of the community. The beautiful ritual of the I. O. F. was used both at the home and in Riverside cemetery, where his body rests in peace.

GREEN. John J. Green was born at East Hickory, Forest county, Pa., Dec. 31, 1848, and died at his home at New Martinsville, W. Va., July 1, 1910, aged 61 years and 6 months. Deceased leaves his wife, besides five children by a former marriage, namely, Mrs. Marvin Neal of Nansen, Elk county, Pa., Mrs. Harriet E. Taylor of Butler Run, Kansas, Albert L. Green of Oklahoma, L. Banks Green of Coalinga Calif., Miss Georgia B. Green of Mexico City, Mexico. The following brothers and sisters also survive him: Rev. A. Jackson Green, Belleaire, Mich.; Joseph Green, West Hickory, Pa.; Mrs. Lewis Wells, Asheville, N. Y.; Mrs. T. J. Bowman, East Hickory, Pa.; Mrs. Bessie Williams, Girard, Pa.; Mrs. Mary Sager, wife of Rev. Lewis Sager, Niagara Falls, N. Y.; and Mrs. Elmer M. Tidmore, Pa., all of whom were present at his funeral except A. J. Green of Belleaire, Mich. The body arrived at Hickory station on July 5th, and was taken in charge by Rev. L. R. Phipps who conducted the funeral services at the M. E. church of East Hickory, and the remains were laid to rest in the cemetery at that place. A union of the choirs of East and West Hickory rendered beautifully the following familiar hymns at the obsequies: Jesus Lover of my Soul; What a Friend we Have in Jesus; Rock of Ages. Beautiful floral offerings were sent by Mr. and Mrs. Orin Siggins, Mrs. Andrew Carman, Mrs. John Vail, Mr. and Mrs. Engdahl, Mr. and Mrs. N. P. Wheeler, Mr. and Mrs. Joseph Green. The pall bearers were Homer Ball, Frank Whitmore, Clarence Gorman, Earl Boughton and Jacob Whitmore. Mr. Green had suffered for some months with what the physicians pronounced cancer of the stomach and which ultimately caused his death. Being a Forest county boy had a host of friends and acquaintances in this vicinity who will be surprised and pained to learn of his demise. Before moving to West Virginia he had resided at Tylersburg and at McCrays station near Marienville, at both of which places he had been engaged in mercantile pursuits. In the communities in which he had resided he was known as one of the kindest of neighbors, ever willing to lend a helping hand in time of trouble, and loyalty to his friends was one of his prominent characteristics.

OVER \$15,000,000 annually is poured into the coffers of those who exploit and advertise fake consumption cures, according to a statement issued recently by the National Association for the Study and Prevention of Tuberculosis; and for this vast sum the victims received nothing in return, but are often permanently injured and in the majority of cases cheated out of the chance for a real cure. Worse still, most of this money is paid by those who can least afford it. The National Association has investigated several hundred so-called "cures" and "treatments" for tuberculosis throughout the country, and finds that more than \$3,000,000 a year is being spent in soliciting the patronage of the public. A SIMPLE rule of penmanship laid down by the Philadelphia Inquirer is this: "Write any way please, but write safe and legibly." That is the whole science of penmanship. Why should a pupil be taught to hold a pen in a position that seems awkward and unnatural, or form letters according to any particular standard? Legible penmanship is all that is desired, and the pupils should be left free to obtain results in the way that is most natural, is the very sensible conclusion of the Pennsylvania Spirit.

With the admission of Arizona and New Mexico the national flag will have forty-eight stars. There are but three territories left under American rule—Alaska, Hawaii and Porto Rico. At the rate of American immigration to the former it may not be long before it will be a candidate for statehood honors.
