—Not one cent for taxes, not a nickel to church benevolent or other institutions, not the slightest thing to the moral, business or other welfare of the many communities from which they derive their trade do the mail order houses contribute. Therefore the operations of such houses tend to impoverish those places by interfering with local business, employment and revenue.

—A dance will be held on the Tionesta platform next Friday night, weather permitting. Good music furnished and all who are looking for an evening of enjoyment are invited. A good opportunity to learn the square dances.

—J. C. Church, formerly of East Hickory, but now of Clarkburg, W. Va., has sent to Postmaster Jamieson a fine hand-forged and polished hammer which shows as fine workmanship as any tool we have seen in a long time and proves John to be an expert in that line.

—The world's most successful medicine for bowel complaints is Chamberlain's Colic, Cholera and Diarrhoea Remedy. It has relieved more pain and suffering, and saved more lives than any other medicine in use. Invaluable for children and adults. Sold by Dunn & Craig.

—The first union out door preaching services of the season were held on the court house grounds last Sunday evening, the sermon being delivered by Rev. W. O. Calhoun. Next Sunday the services will begin at 6:45, and Rev. H. A. Bailey will preach. In case of rain the services will be held in the Presbyterian church.

—An all-day meeting was held at Newmansville on the Fourth by the Free Methodist brethren of the vicinity. One of the pleasing features of the meeting was a lecture by Mrs. Rosa Hunter Smith, recently returned from the missionary field in East Africa. At the close of the lecture a voluntary offering was taken at which the handsome sum of \$52.00 was realized.

—Great excitement prevailed at Rimersburg, over in Clarion county on the Fourth. The Italians attempted to raise their national flag and the proceedings were objected to on the part of some of the residents. A fight resulted in which a number of shots were exchanged. One American was shot in the arm by an Italian and the gang of Italians were chased down the road and into a coal mine where they were kept until next day. Some thirty shots were exchanged.

—A camp meeting will be held on Whig Hill beginning July 21st and continuing to the 31st, under the auspices of the M. E. church. Rev. Dr. D. A. Platt district superintendent, will have charge of the meeting. There are a number of cottages on the ground, and any one desirous of renting one may do so by addressing Rev. Mr. Phipps, West Hickory Pa. A large boarding tent will be erected for the accommodation of visitors, and a cordial invitation is extended to all.

—The Kellettville and Pleasantville ball teams met on the Tionesta grounds last Saturday afternoon and the Pleasantville boys walked off with rather an easy victory by a score of 9 to 5, due principally to the inability of Kellettville's first catcher to hold the speedy ones sent in by his pitcher. The hill top boys got a lead of seven runs in the first three innings and could not be headed off. The batteries were, Kellettville, Kayes, Bowes and Watson; Pleasantville, Robinson and Sheehan.

—Mr. and Mrs. Carrol Smith and their two daughters, Beulah and Blanche, are guests of Mrs. Smith's parents, Mr. and Mrs. Wm. L. Hunter, having arrived home June 29th from East Africa, where they had been stationed for the past eight years as missionaries for the Free Methodist church. They expect to remain in this country for at least a year before their return to the mission field. On Wednesday evening, July 20, they will give a talk on their work, in the Tionesta F. M. church. They will speak and sing in the native dialect. There will also be on exhibition a collection of curios. All are cordially invited to attend.

—F. R. Lanson took a head first tumble down the back stairs at his home at an early hour last Saturday morning. On account of the oppressive heat all the lights were turned off and while on his way to the bathroom Mr. Lanson entered the wrong door, falling clear to the bottom of the long stairs. He alighted on his head and hands and for a few minutes was unconscious. His injuries were confined to the dislocating the second joint of the second finger on his left hand and some severe bruises about the head and shoulders, but he has so far recovered as to be about his usual work at the store. His escape from more serious injury was little short of miraculous.

—Our thanks are due Miss Nancy Morrow, one of the active members of Tidouite Chapter, D. A. R., for a postal picture of the handsome monument recently erected to the memory of the Revolutionary soldiers that are buried in Warren county, and which was unveiled with appropriate ceremonies at Warren on the 4th of July, by the Tidouite Chapter of this noble order. In the list of names inscribed on the tablet are those of John Gilson a Revolutionary ancestor of Mrs. L. J. Hopkins and Mrs. J. F. Propper of Tionesta; Arthur Magee and Richard Arters, grandfather and great-grandfather of our townsman William L. Hunter; and James Magee, great-grandfather of Wm. Magee, who resides on Bridge street, Tionesta.

—The following complimentary notice of a well known Forest county musical aggregation is found in the Kane Republican's account of the Fourth of July celebration in that bustling city: At seven o'clock the Kellettville and Sheffield bands rendered concerts, the former in front of the New Thomson House, and the latter in front of the New Fleming and other points on Frayle street. The concert by the Kellettville band was most thoroughly enjoyed by all who had the pleasure of listening to the many selections. The band is an excellent one, showing that they have a most competent instructor and leader in Mr. F. B. Robbins. He is surely a man who understands his business. It is an organization that any town might well feel proud of.

—The annual camping of the Oil City district, Free Methodist church, will be held on the grounds of the Pleasantville camping association July 28th to August 7th inclusive. Every convenience and comfort is afforded at these grounds, which are most pleasantly located in a handsome grove of natural growth, and those who attend are always assured of a profitable as well as pleasant day or week, and the association extends a cordial invitation to all well disposed people to come and meet with them and enjoy the benefits to be derived from associating with those who have only your welfare at heart. Any information desired as to renting of tents, boarding, etc., will be gladly furnished by your local minister or by addressing Rev. C. E. Weaver, Pleasantville, Pa.

—J. S. Kerr has retired from the well-known monumental firm of J. W. Kerr & Son, whose works are located at Franklin, and he will hereafter confine his efforts in monument building to the Oil City end of the business, which was formerly a branch of the Kerr & Son firm. The new establishment in which "Suode" is the leading spirit will be known as the Oil City Granite and Marble company, and it will endeavor to serve the people in this section better than ever in the line of fine work. Always consult him before you place an order. It will pay you.

—The Musical Club, one of Tionesta's re-creative organizations, gave a public rehearsal at the Presbyterian church last evening which should have been heard by thrice the number that was present. A more delightful treat one would not get in a week's travel. Every number on the program was a classic and every rendition was of the same high order. The affair was not sufficiently advertised to bring out a crowd, but those who did attend were charmed with the entertainment. Had we the gift of the critic we should like to mention each rendition of the program, but that is out of the question for a novice; suffice it to say, however, that a more delightful entertainment the music lover is rarely permitted to enjoy. And the next time the ladies have such a treat in store we insist that they give it a little more publicity.

Arrested for Larceny.
Bart Ewing, aged 29 years, whose home is at Richardsville, Jefferson county, is confined in the Tionesta jail, charged with larceny in the stealing of \$25 in cash, a silver watch, a gold watch, job chain, chain, and a coat ring from Edward Martin, of Endeavor. Ewing had been employed by the Goodyear lumber firm on Potato Creek, Potter county, and blew into Endeavor shortly before the 4th. On the evening of the 5th he was seen drinking together and the robbery took place near the east end of the river bridge at Hickory. Ewing disappeared and a description of him was sent to the offices of surrounding counties. Sheriff Galbraith, of Jefferson county, picked him up last Friday at the mouth of Red-bank Creek, finding \$15 in cash and all the other stolen articles in his possession. Sheriff Maxwell went to Brookville and returned Saturday evening with a witness. Ewing was taken before Squire Jonathan Albaugh, at East Hickory, Monday, where he waived a hearing and was held in \$300 bail, in default of which he is now in jail. Ewing, according to his own story, had done time before, serving a workhouse sentence and several jail imprisonments, mostly for fighting. He is a man of powerful physique. Martin was the victim of a similar robbery at West Hickory last November, for which two young men are now doing time in the penitentiary, having been sentenced by Judge Rice to a year each.

Child Dies From Snake Bite.
Freda, the five-year-old daughter of Paul Gilbert, of Kickingville, Clarion county, died on the 29th ult. from the effects of a rattlesnake bite received two days before. The child and an older sister were gathering flowers not far from their home. Freda reached into a clump of wild roses and was struck on the arm by the snake, but supposed that the pain was caused by striking her bare arm against the thorns of the bush and reached into its branches the second time and again the snake fastened its fangs upon her. This time the teeth were sunk so deeply into the flesh that when she drew her arm quickly towards her an involuntary action caused by the prick from the serpent's fangs, the reptile's body was dragged from concealment. The older girl came to the assistance of Freda and hurried her home where medical assistance was called, but before the doctor arrived the poison had thoroughly permeated the system of the little girl. Her wounded arm soon swelled to twice its normal proportions and her sufferings were horrid. Nothing known to medical science could save her life. This is the first authentic case of death by snake bite to be recorded in this section in forty years or more. In fact it is the only one ever recorded by this paper, strange as it may seem in a country where rattlesnakes are so plentiful.

A Sane Fourth Here.

It is not too late to make the declaration that Tionesta celebrated the 4th of July in the sanest manner within the annals of the good old town, in the opinion of the crowd, and that of the committee—who had the affair in charge, be it said. To begin with the weather man provided a perfect day, so that every outdoor event scheduled could be carried out completely, and the program was so arranged as to keep the crowd, which was an exceptionally large one, busy sightseeing every minute of the day. Many booths and refreshment stands were in evidence and we believe every one of them did a thriving business, while keeping the hungry and thirsty visitors well fed and "liquorated" with lemonade and soft drinks. During the entire day and night not a drunk man was seen on the street, not a boisterous or profane word was heard, and there was an absence of rowdiness of any sort, thanks to the vigilance and watchfulness of Burgess Reek and his efficient corps of peace officers, some of whom had been specially sworn in for the occasion. The fantastic parade, while not as large as it should have been, was a complete success and afforded much amusement to begin they day with. One of the pleasing features of the celebration was the presence of the Endeavor cornet band. This excellent musical aggregation consists of 25 members, all newly uniformed, and which has been under the instruction of Frank B. Robbins less than a year, yet their playing is fine. The committee made no mistake when it secured the services of this band.

Following are the prize winners in the races and other events: Canoe Race, first, G. H. Hagerty; Ed. Lawrence, second, Glenn Harty; Paul Gibson, third, Ed. Lawrence; first, Lawrence Buzard; second, G. H. Hagerty; Tub Race, first, Ed. Lawrence; second, G. H. Hagerty. Fantastic Parade, first, Fogle Farm Dance; second, Fantastic Band. Va., where Mr. Carringer holds the position of bill clerk in the B. & O. railroad office.

Zuendel Family Reunion.

The members of the Henry A. Zuendel family held their annual reunion on the old homestead farm, at Starr, on July 4th. The day was very pleasantly spent in visiting the men and boys enjoying a game of base ball. At noon an elaborate dinner was served in old fashioned picnic style on the shady lawn, and the entire company, thirty-two in number, did great justice to the many good things prepared by the ladies. Those present, besides the mother and son Conrad, and daughters, Elizabeth and Mary, who reside at home, were George Zuendel and sons Lawrence and Howard; Mr. and Mrs. John M. Zuendel and children, Harry, Floyd, Glenn, Lester, Georgia and Gladys; Mr. Mrs. Henry Zuendel and daughters, Marjorie and Mrs. Emma Confer, and her daughters, Minnie and Hazel; Mr. and Mrs. Ernest Zuendel and children, Roy, Rex, Ray, Walter, Mary Alice, Effie, Chester, Alta and Helen. All are children, grandchildren and great-grandchildren of Mrs. H. A. Zuendel. At the close of the session all for the day had been most pleasantly spent, and returned to their homes with the hope that all might be spared to attend the next reunion, on July 4th, 1911.

Health.

It is very important at this time of year that health or sanitary rules be carefully observed. Complaints have been made to the Health Board that certain persons are throwing refuse over the river bank between the bridge and the F. R. Lanson lot. This is a violation of the ordinance and Rules of Health. The penalty prescribed for any violation of the ordinance or health rules is a fine of not less than one or more than one hundred dollars and costs. If costs and fine are not paid the offender may be committed to jail for a period of not more than thirty days. It will be unpleasant to prosecute any one, but the good of the public health demands that the rules and ordinances be enforced. The Health Board requests that the names of offenders with the names of witnesses be handed in that all violations may be stopped. All sewers that do not extend to low water have been declared a nuisance detrimental to public health, and that they must be repaired at once. We have the means of making our town one of the cleanest along the Allegheny. Let us do so. The Health Board will act on all nuisances properly reported. Cleanliness depends upon the acts of each individual. Complaints can be handed to the Health Officer, W. W. Walford, or to any member of the board.
