

The Smart and Silberberg Co

July Clearance Sale.

A Veritable Furore Has Been Created by the Great Values Offered at this Event.

Of course, we expected a crowd—but the vast throngs that surged through the store, even during the early hours, nearly overwhelmed us. Eager shoppers were everywhere—buying, buying, buying. Enthusiasm ran high, for values provided exceeded, in many instances, the keenest bargain expectations.

This week will witness even greater interest in this stock-reducing and price-reducing sale, for we have surpassed our best previous efforts in value giving.

Best to remember that discerning women do not overlook the best offerings—and to come early, escape the crush and obtain the pick of these unequalled values.

Sale Started Saturday, 9th.

And is the season's greatest stock reduction and price pruning event. Attend.

The price-ax has dropped—leaving in its course a stupendous array of shattered, cut and chipped off costs on all lines of Summer Goods. Everything must go—it is clearance time throughout the store. Not a few bargains here and there but a big, comprehensive price reduction on our entire stocks, affecting all departments.

Freely and deeply we have pared the prices, spurred by our determination to completely clear the decks—disregarding cost and profit in the sole purpose of affecting a final clearance sale of all Summer Goods.

PENNSYLVANIA RAILROAD

THE CALL OF THE SEA.

"The water is fine; come in!"

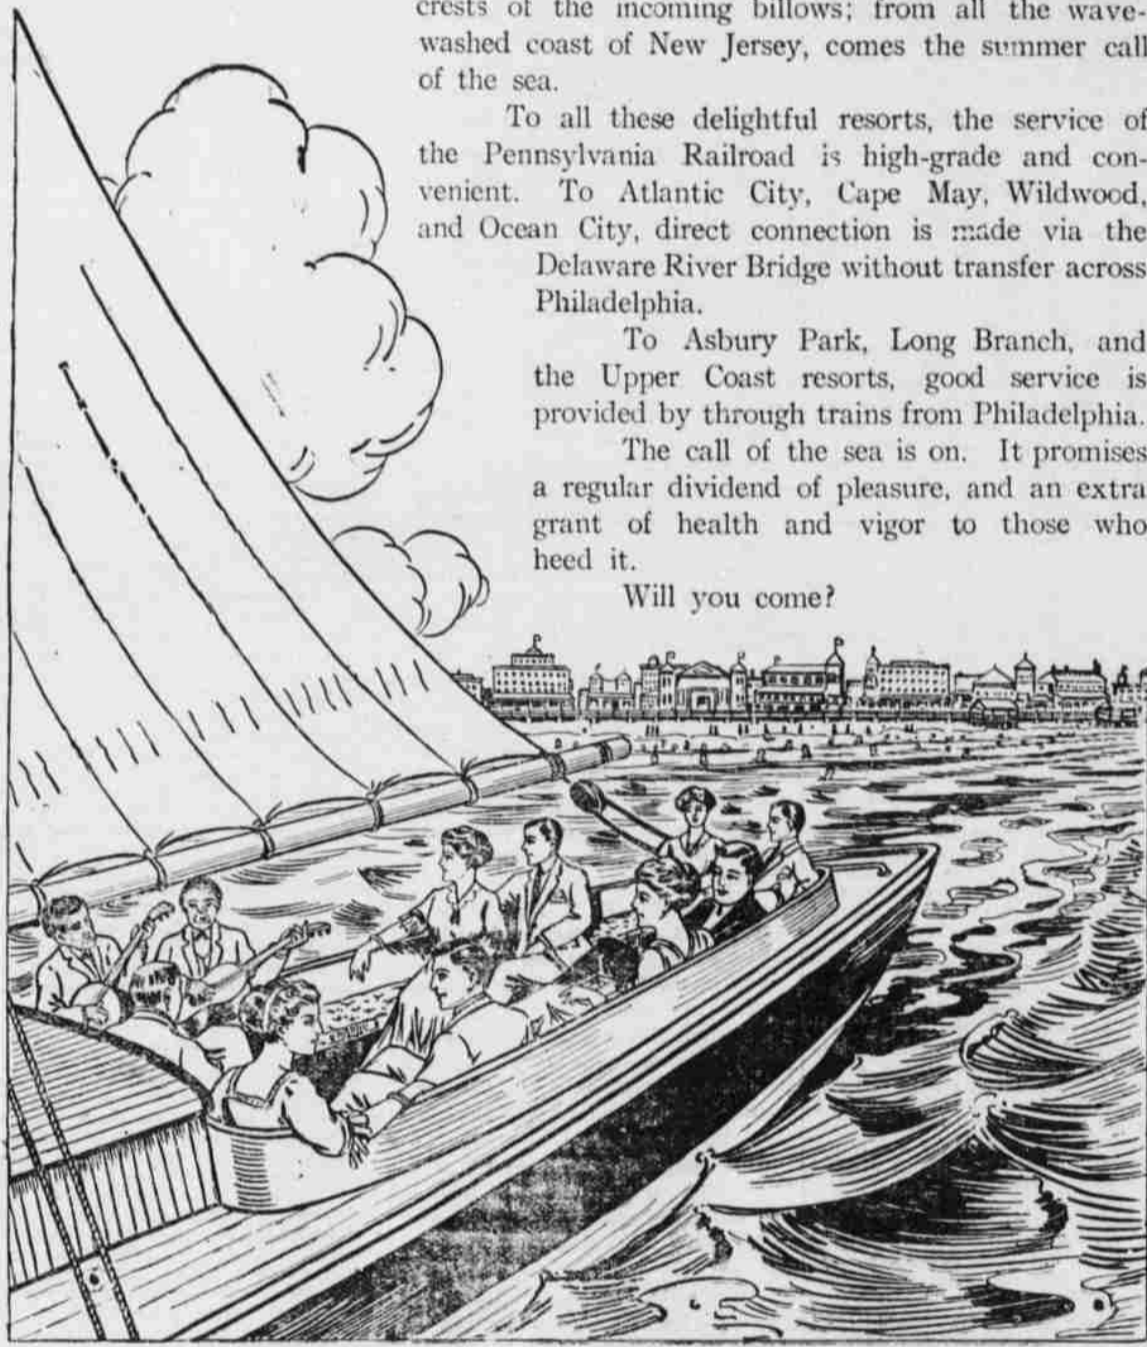

From gay Atlantic City comes the call; from witching Wildwood; from Cape May in the flush of her rejuvenation; from Asbury Park and Long Branch where the rare beauty of the country with its sylvan shades meets the crests of the incoming billows; from all the wave-washed coast of New Jersey, comes the summer call of the sea.

To all these delightful resorts, the service of the Pennsylvania Railroad is high-grade and convenient. To Atlantic City, Cape May, Wildwood, and Ocean City, direct connection is made via the Delaware River Bridge without transfer across Philadelphia.

To Asbury Park, Long Branch, and the Upper Coast resorts, good service is provided by through trains from Philadelphia.

The call of the sea is on. It promises a regular dividend of pleasure, and an extra grant of health and vigor to those who heed it.

It is simply a method of advertising. This store spends annually between \$2,000 and \$3,000 for advertising.
