 —Dr. C. Y. Detar, of Kellettville, was badly burned about the face and head Monday night while preparing to take out his automobile. Something had gone wrong and as he raised the hood to investigate a flash of flame from exploding gasoline enveloped his head. His eyesight was affected and he will be laid up a few days for repairs, but no serious consequences will follow.

Theodore Huddleston Dead.
 Information reached here this morning of the death of Theodore Huddleston which occurred near his home, Chelsea, Okla., on Monday of this week. About a year ago he suffered a stroke of paralysis from which he had almost recovered, when a second stroke was sustained some days ago, resulting fatally. Mr. Huddleston was aged about 54 years and unmarried. A more extended notice next week.
 The body is on the way to Tionesta and is expected to arrive about Friday.

—It is announced that the Clarion & East Brady Electric railway is assured. It is expected that the contract will be awarded by September 1 and that the road will be ready for operation by July 1, 1911. The thirty-one miles, with power house, substations and equipment, will cost \$1,025,000, and the money has been provided. An engineer named Patterson, formerly connected with the Wabash road, at Pittsburg, will superintend the work of construction, establishing his headquarters in Clarion. The road will connect with the Franklin & Clearfield at Reidsburg. Happy Clarion.
 —"Bury the croaker out in the woods in a beautiful hole in the ground, where the woodpecker pecks and the bumble-bee hums and the straddle bug straddles around. He is no good to city push-too unpractical, stony and dead, but he wants the whole earth and all of its crust and the stars that shine overhead. Then hustle him off to the bumble-bee's roost and bury him deep in the ground; he's of no use here, get him out of the way, and make room for the man that is sound." Shakespeare didn't write this and we do not know who did, but it is all right, equally applicable in all places and fills the bill admirably.—Blizzard.

—Hereafter when a person sends a registered letter or parcel he will not get a return receipt card unless such matter bears the endorsement, "Receipt desired," or words of similar import. The Postmaster General, under date of July, issued orders to this effect to all postmasters in accordance with the amendment to the postal laws and regulations, which is as follows: "Whenever the sender shall so request, a receipt shall be taken on the delivery of any registered mail matter, showing to whom and when the same was delivered, which receipt shall be returned to the sender, and he received in courts as prima facie evidence of such delivery."

—Miss Caribel Kahle, of Oil City, was badly hurt in a runaway accident near Scotch hill, Clarion county, late Saturday afternoon. She is a daughter of the late J. W. Kahle, and was spending her school vacation with her grandmother, Mrs. Andrew Seigworth, at Scotch hill. On Saturday afternoon while driving, the horse became frightened and the buggy was overturned. Miss Kahle had her left arm and several ribs broken, and the arm dislocated at the shoulder. She is under treatment at her grandmother's home. The young lady is favorably known in Tionesta where she has frequently visited as a guest at the home of her uncle, S. M. Henry.

—Warden Alberts, representing State Fish Commissioner Meehan, paid an official visit to this vicinity last Wednesday. His errand was not for the purpose of gobbling up violators of the game or fish laws, but to caution some people against putting sawdust, tannery, oil refinery, and other refuse into the streams. Mr. Alberts says it is not the purpose of the authorities to hamper or harass the citizens engaged in business that must have an outlet for its refuse matter, but to impress upon them firmly that such practices must cease in the future, as a matter not wholly for the benefit of the sporting fraternity, but to protect the health of the people as well. He finds that many institutions are preparing for the erection of disposal plants, and believes that within a very short time little or no deleterious matter will be found running into the streams of the Commonwealth. Happy day, that.

—The Corry Leader of last Saturday says of the Robbins Shows which exhibit on the ball grounds here this afternoon and evening: "That grand old circus general, Frank A. Robbins, and his big aggregation of sawdust celebrities, arrived in Corry this morning from Union City, where they played to two packed houses yesterday, and the general opinion of all who witnessed the show was that it was the finest that has played in this section in years. Every act is a feature, and judging from the applause from the packed tent this afternoon the show carried a great hit in Corry. The show carries 300 people and 150 horses, and judging from the street parade that it is a clean show throughout. The performance includes 50 all-feature acts, eight of which is Professor Karl Gerhart's eight performing stallions recently imported from Circus Beach, Germany. Mr. Robbins has been in the show business 40 years, 10 years working for another company and 30 years on the road for himself. He is the dean of all showmen in the country today."

—Ernest Kerr, aged about 32 years, a resident of Marienville, was seriously injured about two o'clock Tuesday afternoon by a falling limb striking him on the head while he was at work in the woods near Hastings, above Kellettville. He was employed by John A. Jones, contractor for the Salmon Creek Lumber Co., and was felling a tree, when a limb was knocked loose and came down on his head. He was in a stooping position and received the full force of the blow on his head and back. A bad gash was cut in his head, extending from his forehead back to his neck. He was hurried to Kellettville and taken to the Sandstrom boarding house. Dr. W. W. Serrill was summoned and dressed his injuries, finding that the skull was not crushed, as was first feared. It required twenty-one stitches to close the wound. The surgeon says the injured man will recover. Mr. Kerr is a brother of Mrs. S. M. Henry, of Tionesta. Misfortune seems to have overtaken him, as his wife was taken to the Kane hospital about ten days ago for an operation for appendicitis. They have one child, a daughter aged 12 years.

It Is Now Judge Hinckley.
 On Wednesday last Governor Stuart announced the appointment of Watson D. Hinckley, of Warren, as President Judge of the 37th judicial district, composed of Warren and Forest counties. The naming of Mr. Hinckley to fill the vacancy caused by the resignation of Judge W. E. Rice, gives very general satisfaction throughout the district, especially so in the community in which he is best known. Speaking along this line the Warren Evening Times says: Since the retirement of Judge Rice July 1st this appointment has been daily expected, and the new Judge is in receipt of numerous and hearty congratulations over his promotion. It is expected he will soon be sworn in and hold a session of Argument Court as several important matters are awaiting adjustment, but the first regular Court will be held on September 5th next.
 Mr. Hinckley has been a resident of Warren about 28 years, and also a member of the Warren County Bar for the same period, coming from Bradford, McKean county, where he read law with N. B. Smiley, Esq., and practiced in that county for a short time. On removing to Warren he became a partner of Hon. L. D. Wetmore and Charles H. Noyes, and after Mr. Noyes became President Judge in 1890, he was a partner of his predecessor, Hon. W. E. Rice, for nearly eighteen years, J. A. Alexander being also a member of the firm in more recent years. Since the elevation of Mr. Rice to the bench, the firm has been Hinckley, Alexander and Clark.
 Mr. Hinckley was born and raised near Fredonia, N. Y., graduated from the Normal school and attended the University of Michigan from which he graduated with high honors in 1878. It is hardly necessary to state that during his long residence in Warren, the new Judge has been a successful attorney, a useful and active citizen, winning and holding the esteem and confidence of all who came in contact with him. In short, he deserves all his success.
 In his new position, Judge Hinckley will continue by this appointment, President Judge until January 1, 1912. An election will be held in November, 1911, for a term of ten years, at which it is certain, if he lives and wants to continue, Judge Hinckley will be elected for a full term.

RECENT DEATHS.
 BOWMAN.
 Thomas J. Bowman, almost a lifelong resident of Forest county, died at his home at 10:30 o'clock a. m., July 20, 1910, and thus passed out one of East Hickory's oldest, most prominent and highly esteemed citizens. In October, 1908, he suffered a stroke of apoplexy from the effect of which he did not fully recover, and which ultimately resulted in his taking away.
 Mr. Bowman was a son of David and Ellen (Robertson) Bowman, natives of Scotland. He was born at Helen Furnace, Clarion county, Pa., March 27, 1840, but grew to manhood on his parent's farm, near Tylersburg, Pa., and learned the trade of carpenter, which he followed until 1861, when he came to East Hickory, where he engaged in lumbering and boat building, continuing in this line of business the greater part of his life. He also embarked in the mercantile business in 1871, and for 22 years was postmaster of the village. In 1886, in company with H. W. Ledebur, he built a large grist mill in East Hickory, having a capacity of grinding 20 tons of feed and two tons of flour per day. This mill is in active operation at the present time. The partnership was dissolved after a few years, Mr. Bowman remaining the sole owner. He was treasurer of the Hickory Bridge Company for twenty-eight years, from its organization in January of the present year, when his health compelled him to resign his duties.
 As a citizen and business man he occupied a place in the front rank in his community, being public spirited and thoroughly trustworthy, his advice was highly valued and eagerly sought by very many of his friends and neighbors during a long life of thrift and usefulness.
 In November, 1867, Mr. Bowman was married to Miss Nancy Green, daughter of James and Molly (Brown) Green, who survives him, with four children, as follows: Dr. L. D. Bowman, a leading physician of Jamestown, N. Y.; Dr. Glenn F. Bowman, orthodontist, of Pittsburg, Pa., and the Misses Leona and Ellen Bowman, at home. He is also survived by five brothers and one sister; J. C. Bowman, of Titusville, Pa.; W. W. Bowman, of Kane, Pa.; E. P. Bowman, of Newmansville, Pa.; Frank and Charles, of Clarion, Pa. and Mrs. Jane Alt, of Leeper, Pa. Funeral services were held at his late home Friday, at 2 p. m., followed by the interment in the East Hickory cemetery. The services were conducted by Rev. J. F. Scherer, of Endeavor, who based his remarks on the text as found in the latter part of the thirtieth verse of the 107th Psalm: "He bringeth them unto their desired haven." The active pall bearers were personal friends of long standing, as follows: Orion Siggins, G. W. Warden, M. E. Abbott, F. L. May, E. H. Boughton and Orion Clark. The honorary pall bearers were, Jonathan Albaugh, James S. Henderson, Judson Clark, Wm. Albaugh, Caleb Middleton and Uriah Klester.

A Good Record.
 The material growth of the Clarion State Normal School is shown by the fact that in 1905 sixty-eight students were recommended to the State Board, while in 1910 three hundred and twenty-five were recommended and all passed with highly creditable records. The school stands for high grade work. Fall Term opens September 13th. Get a new illustrated catalogue by addressing a postal card to the Principal, J. George Becht, Clarion, Pa.
