### NOT GUILTY.

We shall never be proven guilty of carrying one season's goods over to another. This tells the story of this sale in a nutshell. Being progressive is the axis upon which our business revolves. Goods bought for this season must be sold this season, no matter how much the wholesale price advances, hence the radical reductions here quoted on goods entirely new, and every article carries with it at sale prices the same broad-gauged guarantee that is absolute assurance of your satisfaction.
