POLICE DRIVEN TO COVER

Citizens Clean Town Overrun With Crooks and Gamblers.

Kittanning, Pa., Aug. 23.—A mob of 200 boys and men drove the local police to take refuge in a hotel and then scoured the town for gamblers and pickpockets who have infested the borough since the opening of the Kittanning fair.

The riot was started by Chief of Police Thomas Hague and Policeman Donnan attacking George Heidersdorf, who made a remark to the police charging them with permitting gamblers and crooks to work the town. Jacob Heidersdorf went to the assistance of his brother and was joined by a mob which drove Hague and Donnan into a hotel. Then crowd increased to fully 200 men and boys and the six other policemen of the borough were chased into hiding. Policeman Donnan was badly beaten.

Robert Baslin of Worthington was attacked by a negro and robbed at the fair grounds, and the home of Daniel Schreongest was robbed of \$29 and he was beaten. More than a score of holdups and robberies have been reported during the past week and the police are charged with not giving the borough proper protection.

QUITS HIS PULPIT

Pastor Goes on Stage Because Salary Is Too Small.

Chicago, Ill., Aug. 23.—The Rev. Dudley C. Foster has given up the pastorate of the Ryder Memorial Universalist church, at Sixty-fourth street and Woodlawn avenue, to go on the stage.

He will appear for the first time before the footlights tonight as soloist in a touring company of "A Subborn Cinderella," with rows of chorus girls in glittering costumes, at Racine, Wis. The only reason given by Mr. Foster for resigning was that his salary was too low. Some of the trustees thought \$1,200 was not enough, but the majority decided it was all the church could afford.

Mr. Foster is 35 years of age and married. He is accompanied by his wife in the theatrical venture. The erstwhile pastor has the role of a college professor. He will sing to the dancing accompaniment of a vivacious chorus of pretty girls.

WRONG PLACE TO WED

Country Pair Mistook the County Prison For a Church.

Westchester, Pa., Aug. 23.—Arm in arm a young out-of-town couple, who came to town to be married, walked into the corridor of the big Chester county prison, where they were met by Warden Joseph James.

"Do you hold church here?" inquired the young man.

"Yes, every Sunday," replied James.

"Is this the Methodist church?" asked the visitor.

"Well," answered the warden, "the Methodists hold services in here sometimes, but this building is the county prison."

The young couple hastily retired through the open door to the street.

Man Killed by Train.

Milton, Pa., Aug. 23.—As Nathaniel G. Dry of Turbot township, a few miles from this place, was returning home in a buggy after bringing his mother to town he was struck and terribly mangled by a freight engine. The crew rushed him to a hospital, where he died a few hours later. He was 36 years old and is survived by his mother and wife.

Two Hurt In Runaway.

Marietta, Pa., Aug. 23.—Frank Bow man and Ralph Evans of Litz were badly injured in a runaway accident. The rear wheel of their wagon came off, frightened the horse, threw out the occupants, demolished the wagon and badly hurt the horse. In the mad run of the horse a number of narrow escapes were made by people crossing the streets.

Receivers Named.

Reading, Pa., Aug. 23.—Receivers were appointed here for the Reading Standard company manufacturers of bicycles and motorcycles, operating two plants here. The concern has a capital stock of \$300,000. It is believed that the receivers will continue the operation of the plants.

RE-ESTABLISHED FOOTBALL

Georgetown University Will Allow Sport Under New Code.

The University of Georgetown removed all doubts about its having a football team this fall when it gave its official approval to the tentative schedule which had been prepared by Manager Fitzpatrick.

In the annual game last year between Georgetown and Virginia Archier Christian of the University of Virginia was killed. That accident ended the Georgetown season for 1909, although other games remained to be played.

The university placed the sport under the ban, but agreed to consider it for 1910 if the rules were so amended as to give promise of less risk to life and limb. The faculty has concluded that the new code is such an improvement over the old that it has re-established the sport.

Silver Service.

"Can I get the silver service for the fire department?" inquired a young man at the free library.

"The what?" asked the girl at the desk.

"The silver service for the fire department—the questions they ask you when you take the silver service examinations, you know?"—Newark News.

lash's woven names

One thing should not be overlooked in getting the young folks ready to go away to school are Cash's Woven Names for their underclothing—always a reliable identification and will outwear any ordinary garment.

It takes one week to ten days to deliver orders for Cash's Woven Names—order has to be sent to the factory and each woven separately—a different proposition than printing stock articles by the thousand—and the price scarcely more, based upon style and size of letter and quantity of the order.

Just make a notation on your shopping memoranda, "Cash's Woven Name," that they will not be overlooked the next time you're in the store.

The Functions of a Trust Company

differ in many respects from those of a National or State bank.

In some respects the laws governing Trust Companies are more exacting.

They do however permit the Trust Company to extend more intimately personal service to the individual in financial matters.

In a series of notices, we shall explain some of these points.

Watch for this series—it will prove instructive and interesting.

The "Sweater Season."

Between August 1 and November 1 has been rightly called the "Sweater Season." The time of year when the evenings and many of the days, in fact, are so cool as to necessitate the wearing of a top wrap of some description.

A coat is clumsy and a trifle too heavy to be worn at this time. A sweater is the garment best suited in many ways to be worn during this period. A trim, natty, neat fitting garment. An entirely new stock of Sweaters from a manufacturer who has by the introduction of new wonderfully improved knitting machines been enabled to bring the price of his Sweaters down fully one-fourth. That fact is at once apparent in the Sweaters we now offer you.

Only the very best quality of yarns used—a knitting process absolutely perfect—each garment nicely finished. Button holes worded and buttons sewed on a reinforced strip of heavy cotton drill. Coat sweater style, 34 and 36 inches, single and double-breasted, high and low collars, red, grey, black, white and white trimmed in color. Prices range \$1.50, \$2, \$2.75, \$3 and upward. Ladies', Misses' and Children's.
