REPUBLICAN COMMITTEE MEETING

Hon. C. A. Randall is Chosen As the Congressional Conferee.

Pursuant to the call issued by Chairman C. A. Randall, the Republican County Committee of Forest county met at the Court House, Tionesta, Friday afternoon, Sept. 2, 1910, for the purpose of electing a conferee to the conference which will nominate a candidate to take the place on the Republican ticket made vacant by the resignation of Hon. J. C. Sibley, the nominee for Congress in the Twenty-eighth district.

The following committee members answered to their names at the calling of the roll, nine of the seventeen precincts being represented: Barnett—W. M. Coon, Clarington; Green—Ed. West, Gultonville; Harmony—W. G. Morrow, West Hickory; Hickory—W. O. Fuellhart, proxy for H. O. Taft, East Hickory; Howe—Frank Fox, Lynch; Kingsley—Leon Watson, Kellettsville; E. E. Zaenel, Newtown; Tionesta Twp.—J. B. Eden; Tionesta Boro.—James D. Davis, proxy for A. H. Kelly.

Chairman Randall called the meeting to order and stated its purpose, reading communications from State Chairman H. F. Walton, giving the date of the conference to be held at the Park Hotel, Franklin, Sept. 10th, at 2 p. m., and stating that under the rules adopted by the last State Convention Forest county was entitled to one conferee. Nominations were then asked for and Mr. Randall was placed in nomination by W. G. Morrow, the nomination being seconded by J. B. Eden. There being no other nominations, Mr. Randall was elected by the unanimous vote of the committee.

Short speeches were made by members of the committee, as well as several others, and the sentiment was unanimous that the conferee should go to the conference unopposed and work to secure the selection of a candidate who will best represent the interests of the people of Forest county, as well as of the district and the party.

There being no further business the meeting then adjourned.

NICARAGUA has a dozen ex-presidents. The problem of what to do with them is as vexatious there as in other republics.

A CAMPAIGN ISSUE: What is to be gained by electing a Democratic House and deadlocking Congress against President Taft during the last half of his term?

THE attention of all voters is called to the fact that Saturday, October 8 is the last day for the payment of taxes to enable the voter to vote at the November election.

PHILADELPHIA's population has passed the million and a half mark, according to the official count of the returns of the thirtieth census, which gives the city a population of 1,549,088, an increase of 255,311, or 19.7 per cent., as compared with 1,293,777 in 1900. This leaves the Quaker City still ranking third among United States cities in population.

THE bureau of internal revenue gives out the following: During the year ending June 30th, the American people consumed 123,000,000 gallons of whisky, nearly a gallon and a half for every man, woman and child. During the same year they drank 50,000,000 barrels of beer over half a barrel for each man, woman and child; and smoked 8,000,000,000 cigars, and 7,000,000,000 cigarettes.

THE date for the congressional conference to nominate a candidate to take the place made vacant by the retirement of Hon. J. C. Sibley, the Republican nominee for Congress in the Twenty-eighth district, having been set for Sept. 10th, in Franklin, interest now centers in the probable nominees of the party. Ex-Judge S. H. Miller, of Mercer county, has received the instructions of Mercer county, which gives him three votes in the conference; T. C. Cochran, the other candidate in that county, withdrew his name at the committee meeting. Forest county's conferee is unopposed. The Elk county committee met Monday to choose a conferee, but we could not learn the result. The two Warren conferees will be chosen next Friday and the two in Venango county will be elected today. There are two candidates in Venango county, Hon. P. M. Speer and General Willis J. Holdings, and thus the choice will be narrowed down to one of these gentlemen and Judge Miller, as it is not expected that either Warren or Elk will present a candidate.

W. C. T. U. County Convention.

The twenty-fourth annual convention of the Woman's Christian Temperance Union of Forest county was held in the M. E. Church, Nebraska, Aug. 30th and 31st, 1910. After the devotional meeting, and usual preliminary business, the President, Mrs. S. M. Sharpe, read her annual address. To much cannot be said of this beautiful address. It breathed a consecration of self, time, and talents to the work of the W. C. T. U., and the many good thoughts and suggestions must tend to better results in the work of the coming year.

Good work was done in the different departments, as was reported by the superintendents, especially in the departments of Soldiers and Sailors, Scientific Temperance Instruction, and Sunday School Work. Mrs. Myrtle Huling, State Superintendent of Health and Heredity, read a fine paper on her department. Mrs. Rachel Wheeler, County Superintendent of Mothers' Meetings, though absent, did not forget the convention, and her paper on "Mothers," read by Mrs. Sharpe, must surely be a helpful and lasting inspiration to all who were privileged to listen to it. Our Treasurer, Mrs. Kelly, who was ill in Chicago, sent to the convention a beautiful message. Isaiah 60:1.

Tuesday evening was given over to addresses by the ministers, Rev. Harry A. Bailey, Rev. W. O. Cahoon and Rev. J. F. Scherer. Wednesday we were delighted to have with us Mrs. Emma Grayes Deltrich, of Lockport, N. Y., who was with us at our last convention. Mrs. Deltrich gave the evening address, was well received and made a fine impression, and was very helpful throughout the day.

A special feature of the convention was the excellent music furnished by the M. E. Choir, by Miss Augusta Cook, whose beautiful solos delighted the audiences throughout the convention, and by Mr. Frank Armagost, of Sheffield, Pa., who was present Tuesday evening.

The convention accepted an invitation to meet next year at Endeavor. Adjourning by singing "God Be With You Till We Meet Again," and repeating the "Misrah."

The election of officers for the coming year resulted as follows:

Officers—President, Mrs. S. M. Sharpe; Vice President, Mrs. Alice Siggins; West Hickory; Corresponding Secretary, Mrs. Myrtle Huling; Tionesta; Recording Secretary, Mrs. Ellen B. Catlin; Kellettsville; Treasurer, Mrs. Augusta Kelly; Tionesta.

The following superintendents were appointed:

Superintendents—Anti-Narcotics, Mrs. Ida Small, Nebraska; Cooperation with Missionary Societies, Mrs. Fred Kinstetter, Nebraska; Evangelistic, Mrs. Martha Derickson; Tionesta; Flower Mission, Mrs. Audrey Lynch, Endeavor; Foreigners and Miners, Mrs. Anna Watson, Tionesta; Franchise, Mrs. Bartman, Kellettsville; Health and Heredity, Mrs. Cora Jones, Starr; Legislative, Mrs. Euphemia Mechlign; Clarington; Medal Contests, Mrs. Emma Secor, Nebraska; Medical Temperance, Mrs. Lily Duttner, Kellettsville; Mercy, Miss Pauline Gaiser, Nebraska; Mothers' Meetings, Mrs. Rachel Wheeler, Endeavor; The Press, Mrs. Nettie Adams, Tionesta; Prison and Jails, Mrs. Clara Carson, Tionesta; Purity, Mrs. Cotts, Marienville; Railroad Work, Mrs. Ellen B. Catlin, Kellettsville; Sabbath Observance and Christian Citizenship, Mrs. Harriet Cook, Nebraska; School of Methods and Parliamentary Practice, Mrs. Alice Siggins, West Hickory; School Savings Banks, Mrs. Etta Vail, West Hickory; Scientific Temperance Instruction, Mrs. Ella Wenk, Tionesta; Social Work, Mrs. Belle Hunt, Marienville; Soldiers and Sailors, Mrs. Jennie Agnew, Tionesta; Sunday School, Mrs. Lena Hensley, Clarington; Temperance Literature, Mrs. Savilla Shippe, Marienville; Unfermented Wine, Mrs. Nancy Dale, Tionesta; Young Woman's Branch, Mrs. Sue E. Warden, Endeavor.

RESOLUTIONS.

The following resolutions were endorsed by the convention, as read:

Recognizing that God has again granted us the privilege of assembling in convention, and in thankful acknowledgement of Divine love, we, the Woman's Christian Temperance Union of this twenty-fourth annual convention, tender the following resolutions:

Resolved, That we recognize His law as the basis of all law, and that we labor by prayer, by the distribution of literature, by the use of our very best speakers, and by every righteous means to create such sentiment as will secure the nomination and election of candidates for our next legislature favorable to a Local Option law.

Whereas, The ballot is the only thing that is counted voice in government, and as homes continually cry for protection against the salaried and salaried liquor traffic, we, therefore, resolve, that we labor for the enfranchisement of woman, that she may have power to effect better legislation in the protection of every home in the land.

Resolved, That we will co-operate with all temperance organizations and churches in efforts to so educate the people that they will demand such legislation which will hasten the abolition of the liquor traffic.

Resolved, That we urge our members to have published in their local papers the true conditions in prohibition sections, in order to refute the misstatements so broadcast by the liquor interests.

Resolved, That we urge all Christian people to discourage the use of and traffic in tobacco, especially its use by students of our schools and colleges, as science teaches that it is injurious to the mind and the body, and that we aid the teacher of the public schools and of the Sabbath schools of the county by furnishing proper literature in the teaching of Scientific Temperance Instruction, as facts impressed upon youthful minds are retained.

Resolved, That we urge local unions to pledge their co-operation in enforcing curfew laws for the moral welfare of the youth.

Whereas, We view with alarm the universal desecration of the Sabbath Day, especially the use of the Sunday newspaper, to lead to a desire to destroy desire for worship and lower the spiritual tone of all its readers, and the colored supplement having a pernicious effect on the minds of the young; Resolved, That we continue to do all that lies in our power to secure the better observance of the day.

Whereas, We know of no way our children can be suitably trained for citizenship in a Christian Commonwealth except by teaching them the laws of Christian morality, as these are set forth in the Holy Scriptures, therefore, Resolved, That we condemn the efforts which have been recently made to forbid the reading of the Bible in some of the public schools of Pennsylvania.

Having enjoyed the kind hospitality of the homes of Nebraska, Resolved, That, as officers and members of the White Ribbon Army, we extend to the Trustees and Choir of this church, and to all who have in any way made our stay in this place so pleasant, our hearty thanks, in the hope our influence for good may long remain. Mrs. ALICE H. SIGGINS, Mrs. MARTHA N. DERICKSON, Resolution Committee.

We cannot think that he has gone forth upon a campaign to promote a nomination which he has declared more than once that he would not seek or accept. Nor can we regard his influence as likely to be dangerous to the nation or disturbing to its business. The sober and serious people of the country will not lose control of themselves or of their affairs, but they will insist upon the rectification of wrongs, and the establishment of right, and hold their representatives and servants to higher responsibility. And it will help them to keep up this determination and to accomplish this purpose if the ex-President, whom they have so highly honored, will still act as an inspiring and stimulating force and raise no suspicion of plotting for power.—Journal of Commerce.
