these days for the reason that some boys clapped a lot of valuable time sawing the weather out of the bell with a back-saw. Really, boys, a joke's a joke, but isn't that joke getting a little monotonous.
 —Two crates containing a hundred homing pigeons from Rochester, N. Y., were received at the Tionesta Express office, Saturday, to be liberated for the flight home. The rainy weather has held them up, but they will be released this morning if the weather is clear.
 —According to the Bradford Star-Record: The Correll concrete tie has made good on the Erie Railroad, where a piece of track has been tested with the new device. The tie is the invention of Mr. H. L. Correll, of Mt. Jewett, and bids fair to revolutionize the use of wooden ties.

 —Fortunato Chiriano, the Italian who was shot and stabbed by his brother-in-law near West Hickory on Tuesday morning of last week and is in the Oil City Hospital, is getting along finely, and there is now no indication that any of his wounds will result seriously. His brother-in-law, who came from Italy with the express purpose of killing him, has not been captured and no extensive effort along that line is being made by the authorities of Warren county, in which the crime occurred.
 —Dr. H. E. King, vice president of Peking University, Peking, China, spoke at the Nebraska church Sunday morning and at the Tionesta M. E. church Sunday evening. Dr. King has been in China for sixteen years and is thoroughly conversant with the ways of the heathen Chinese and the wily Jap. His addresses were on educational work in China and very interesting. He was home on a furlough and is now returning to China. He was a guest of T. D. Collins and G. F. Watson while here.
 —The Tionesta public schools opened for the term Monday with a largely increased attendance over last year. The enrollment in the different rooms is as follows: No. 1, 32; No. 2, 42; No. 3, 28; No. 4, 27; No. 5, 43. Total, 172, as against 154 for the first day last year. The teachers for the rooms in the order given are, Miss Blanche Pease, Miss Katharine Osgood, Miss June Herman, C. F. Feit, J. O. Carson, assistant principal, and F. W. Gill, principal. The schools open with every prospect for a successful year.
 —It has developed that John Bell, of St. uen township, and Mrs. Israel Metzger, of Forest county, who is recently stated had secured a marriage license at Meadville as mentioned in a recent issue of the Courier, the prospective bridegroom giving his age as 67 and the bride as 61, were married the other evening and are now keeping house near Tryonville. Although it was said that Mr. and Mrs. Bell kept the matter under cover, their friends found it out and the young people of that section gave them a fine serenade and were cordially received and entertained by the couple.—Titusville Courier.
 —Be sure you come to Tionesta next Saturday, the occasion of the big harvest home picnic of the Odd Fellows. There will be good music by the Youngville Band, which arrives at 11 o'clock, a parade from the train to the court house grounds, where the big picnic dinner will be served at 12 o'clock, a number of good speeches, a ball game at 3 o'clock, and a grand free balloon ascension and parachute drop by Prof. Robert Jewell, of Philadelphia. This ought to round out a full afternoon of pleasure. The committee extends a cordial invitation to all people to bring well filled and attend this picnic. The ball game will be between Tionesta and Kellettville, and as each team is counting on winning, it will be worth going miles to see.
 —Reports continue to come in indicating that the bear crop will be a good one when the season opens on the first day of October. Last Thursday Miss Irene Coon, aged 16 years, and her brother, aged 8 years, of Clarion, who were carrying the mail from Clarion to Halton, were making the return trip when they espied a big black bear in the road about a half mile from Bell's store at Millstone, towards Clarion. The bear was coming towards the rig and on account of the dusty condition of the highway could not hear the noise made by the rig until they were almost upon him, when with a snort he jumped from the road and disappeared, going through a field. Persons who saw the bear's tracks in the dust and the trail he left through the weeds, say he was a monster.
 —Glenn R. Delo, aged 19 years, a brakeman on the Pennsylvania railroad between Oil City and Olean, was run over by an engine at Trunkeyville, early Monday morning, and so badly injured that he died in a short time. The crew had tied off the engine to get water and Delo, who stayed at the train, is believed to have fallen asleep while sitting on the track. The engine backed up and ran over him. Both legs were crushed, one from the ankle to the knee, and the other at the groin, and his left arm was crushed near the shoulder. He was hurried to Tidouche, where he received first aid to the injured. He was then taken to Oil City by special train, but died before he could be removed from the train to the hospital. Delo was the son of Mr. and Mrs. Samuel Delo, of Coal Hill, Venango county, who survive him, together with four brothers and one sister.

—The Derrick's oil report for August shows that 400 new wells were completed during the past month in the Pennsylvania field, which is a loss of completed work of 66 wells and a decrease of 250 barrels in new production is also noted. There were 308 new rigs and drilling wells, a falling off of six from last month.
 —The Ladies' Aid Society of the Presbyterian church will hold a dime social in the basement of the church next Friday evening at 7:30, to which everybody is cordially invited.  —Prof. C. A. Anderson, of Brookston, led today for Big Run, where he will be principal of the schools for the coming school year. Prof. Anderson was principal of the same schools last year, and his reelection for the second term is one of the best evidences of his success. He is one of the bright young men graduates of the Sheffield schools who are making a success of life.—Sheffield Observer.
 —F. R. Lanson has purchased the interest of A. H. Gordon in the mercantile business of Lanson & Gordon, in this place, and will hereafter conduct the business under his own name. Mr. Gordon has made no settled plans for the future, but is thinking seriously of going to Oregon to look up the prospects there. Wherever he may locate, many friends here, who recognize in him an upright business man, will wish him abundant success.
 —Several women nurses have gone on a strike at the Warren State Hospital on account of working too hard, they say. The trustees and Superintendent Hawke claim that all the patients continue to be well cared for, that if any employe is dissatisfied he or she is at liberty to leave, and that this institution will be conducted by its officers with the main idea of caring for every patient as well as possible. Forty-eight nurses are said to have quit work since last Friday, twelve of whom were seniors who would have received their diplomas within a fortnight.
 —The heavy rains at the headwaters have brought the Allegheny river up to a good boat or barge stage. J. A. Lawrence has 25 barges for the Forest Barge Co., of West Hickory, ready to run to Pittsburgh, and a fleet of four in charge of pilot Jos. Morgan got out from here last evening. Lewis Cook has 20 empty flat boats, one loaded flat and 14 barges to run out of Tionesta creek for Collins, Darrah & Co., of Nebraska. The rains did not reach the creek, in which there is a very small flood, but an effort will be made to pond flood the empty boats out today and get them ready for the trip to Pittsburgh. The Warren Times says a cloud burst on Jackson run, above Warren, was the cause of the rapid rise in the river.
 —John Topper, aged 19, a member of the Century Fire Company of Warren, Pa., was drowned in the Allegheny river at Big Bend, near that place, Sunday. Following the annual custom the members of the volunteer company went to Big Bend to spend two days in camp. Topper donned a bathing suit and rowed out into the middle of the river where he anchored the craft and dived overboard. After swimming for a short distance he showed signs of distress and called for help. Fellow firemen set off from the bank in boats but he sank before they reached him. It is supposed that he was overcome by cramps. An immediate search for the body was made and it was recovered in a short time, but life was extinct. The body was brought to Warren. The young man was a son of Harry Topper, who for the past six weeks has been a driller on the Reek, Cooper & Co. lease, on Cropp Hill, this county. The father was called home Sunday evening by the sad occurrence. Besides his parents the young man is survived by three brothers and three sisters.
Nebraska.
 John and Mildred Thomson, of Tionesta spent Sunday at the home of James Thomson.
 Dan Small returned to Pittsburgh, Saturday, after a two week's visit with his parents.
 The W. C. T. U. Convention held here last week was a grand success. The speeches by Revs. Bailey, Scherer and Calhoun were fine, as well as the music and other selections given.
 A large number of the young people attended the party given at the home of Walter Scott, last Saturday night, and all report a good time and a fine luncheon.
 Willis Maybon, of Ripley, N. Y., and Lamont Platt, of Franklin, Pa., are boarding at the hotel. Mr. Maybon has charge of room No. 2, here, and Mr. Platt is the teacher of the Flynn school.
 The boat scaffold shut down Friday, after having filled an order for 50 boats already this season.
 Some of the boys around here are rather doubtful whether our friend "Andy" Small was a soldier or not. They say he might be all right to shoot from ambush, but he is no good in a corn field. Be careful, boys, he is only out of practice.

The Osgood Family Reunion.
 The thirteenth annual reunion of the Osgood family was held at the Maccabee Hall, East Hickory, Pa., Saturday, Sept. 3, 1910, and as usual the gathering of the clans was an occasion of much enjoyment. The dinner, a most beautiful one, was served at 1:30 on handsomely decorated tables arranged in the spacious hall, and all did full justice to the spread. At the close of the repast a short time was devoted to speaking, the chief speaker being Squire Jonathan Albough, of East Hickory, who gave an excellent address, dwelling principally on the history of some of the pioneers of the family and the good resulting from these annual gatherings. The assemblage was also favored with several fine vocal duets by Anna and Pearl Osgood, the young daughters of Mr. and Mrs. Edward Osgood. The latter part of the afternoon was spent in dancing, which was much enjoyed by old and young alike.
 At the business meeting the following officers were elected for the ensuing year: President, G. W. Osgood; treasurer, E. J. Behrens; secretary, J. H. Osgood; corresponding secretary, G. W. Osgood. It was voted to hold the next reunion at the home of G. W. Osgood, in Tionesta, on the first Saturday in September, 1911. The records showed no births or deaths in the family since the last meeting. A vote of thanks was tendered to the Maccabee Hall for the use of their hall. The promoters of the reunion were pleased to see the interest taken in the gathering by the younger members of the family, and hope to see it continue.
