SEPTEMBER AT THE SEASHORE.

REDUCED FARES ACCOUNT G. A. R. ENCAMPMENT.

The rolling ocean with its boundless prospect is ever interesting; but at no time is it more enticing than during the month of September. The bathing is at its best. The sailing is ideal. The salt sea air is charged with increased invigoration, and there is a gaiety about it unknown during the torrid days of summer.

Atlantic City, Ocean City, Sea Isle City, Avalon, Stone Harbor, Angelsea, Wildwood, Holly Beach, Wildwood Crest, and Cape May are all prepared to entertain with exceptional hospitality all guests who may come. The hotels are less crowded and more comfortable; the service is better, and in most instances the rates are lower.

The train service of the Pennsylvania Railroad to all these resorts will be found convenient and comprehensive.

Excursion tickets to Atlantic City will be sold at reduced fares on September 16, 17, 18, 19, and 20, on account of the G. A. R. National Encampment, good returning to reach original starting point not later than September 28. For stop-over privileges and extension of return limit, to October 28, consult Ticket Agents.

Unusual enjoyment awaits the September sojourner by the sea.

TWO JOY RIDERS KILLED

Three Others Injured When Auto Hits Telegraph Pole.

An automobile driving along Nahant road, near the United States life-saving station at Nahant, Mass., struck a telegraph pole and then turned turtle and when the wreckage had been cleared away it was found that two were dead and that the remaining three occupants were more or less injured.

The car was the property of John Pilling, a Lowell shoe manufacturer, who is summing here, and was driven by his chauffeur, Albert Hana, who had taken several of his friends for a joy ride to Magnolia.

The dead are Albert Hana, 35 years old, of Lowell; Mrs. Ira Reed, 38 years of age, of Nahant.

The accident was due to the explosion of three of the tires. Hana lost control of the machine and it headed straight for a telegraph post, breaking it off near the ground.

SKENE NOT GUILTY

Ex-State Engineer Freed From Grand Larceny Charge.

A verdict of not guilty was brought in by the jury in Albany which has been listening to evidence since a week ago Monday against former State Engineer Frederick Skene of Queens borough.

Skene was indicted for grand larceny in cheating the state out of \$9,000 through the raising of the bid of the Russell Contracting company for constructing a good road in Nassau county, the state endeavoring to prove that Skene got \$5,000 of the money and that the Russell Contracting company retained the other \$1,000 as its share of the conspiracy to beat the state treasury.

After the divorced wife of Clarence Stanley had killed his second wife by sending ten bullets from a revolver into her body, Stanley set fire to the home of his first wife, twice wounded his brother, engaged in a pistol duel with his uncle and intimidated the police, he surrendered and was lodged in jail at Caruthers, Mo.

The first wife said her successor in the Stanley home fired the first shot when she was refused the two children by the first marriage.

OLD SWEETHEARTS WEDDED

Lester I. Dingee and Mrs. Markley, Both of Philadelphia, Married.

Lester I. Dingee, millionaire hop merchant, and Mrs. Maud Markley, both of Philadelphia were married at Troy, N. Y., at the Ronselaer Inn.

Mr. and Mrs. Dingee formed an early attachment, which was broken, and both married. Mr. Dingee's wife died a few years ago, and recently Mrs. Markley was left a widow. The friendship was renewed, and the romance culminated in a quiet wedding here last night. Mrs. Dingee was a former resident of Troy.

Enlightened.

"Before I married," said Mr. Henpeck, "I didn't know what it meant to support a wife."

"I presume you know now."

"Yes, indeed. I looked up the word 'support' in the dictionary and discovered that one of its meanings is 'endure.'"—Birmingham Age-Herald.

Conservatism

Read what Hon. William B. Ridgely, Controller of the Currency, had to say on this subject before the Trust Company Section of the American Bankers Association, September 13, 1904.

"Conservatism is really the foundation of all good banking, and it is more especially so in trust company operations than in anything else. The purely trust functions of the old fashioned trust company are undoubtedly the highest development of the principle of credit and of confidence. They are the highest application of that principle to the relation of man to man in business."

It is just such Service that we offer our Clients.
