—E. T. Wells a former manager of the Western Union in Warren died on the 8th inst., of typhoid fever in the Ridgway Hospital. He is survived by his widow and two daughters, who reside in Emporium; a sister, Lizzie, of Warren, and three brothers, Frank of Bradford, and George and Joe of Warren. The deceased is remembered by many Tionesta people as a former operator at this station.

—M. L. Rhodes has an ancient coin in his possession, which he found one day last week. The coin is of copper and about the size of the old copper cent, but it is undoubtedly English. Through age and wear the inscription is about obliterated, but enough remains to show the figure of a woman and the date 1746 on one side, while on the other appears the head of a man with the inscription II Rex yet visible.

—Apples are greater luxuries in New York than oranges. While single oranges of the best variety can be bought for 5 cents each. And don't forget that you are living in the greatest apple producing belt in the world, right here in Forest county, and for several miles north of us. There is not always a bumper crop—as for instance the failure this year—but the quality of the fruit is never surpassed.

—A meeting was held at the store of F. R. Lanson last Friday evening for the purpose of organizing for the Forest County Summer School for 1911, at which we understand the following officers and directors were elected: President, T. F. Ritchey; secretary, J. C. Dunn; treasurer, J. C. Geist; directors, S. S. Sigworth, John G. Jamieson, S. B. Maxwell, L. L. Zaver, W. H. Hood, J. B. Muse, C. F. Feit, D. W. Morrison, L. J. Hopkins, F. J. Bovard. The tuition was fixed at the sum of \$2.00 and the length of the term at eight weeks, to begin at the close of the Tionesta public school.

—Now that the schools have begun their sessions, we must not forget that our children are still our children and the more interest we show in their school the more its efficiency is increased. There is no teacher worthy of the name who is not pleased with the judicious advice and assistance and sympathy from the parents. The gift is too wide between the home and the school, and the more we help to bridge it over the more we are improving not only our own children, but the general tone of the school. If the children see that the parents appreciate their teacher, they are much more apt to appreciate him or her themselves, lend cheerful and willing obedience to her wishes, and have certain pride in the success of the school.

—The dedication of the magnificent monument erected by the State in honor of the Pennsylvania soldiers who fought at Gettysburg will take place next Tuesday, 27th inst., and the occasion will draw an immense crowd of veterans to this historic battlefield. Among those who expect to attend from this vicinity are Comrades R. B. Crawford, F. W. Robinson, Wm. Lawrence, James Johnston, Wm. McCann, Tionesta; William and Jonathan Albaugh, of East Hickory; T. J. Van Gieson, President. There are doubtless others from here who will be present, but their names have not been learned. The annual reunion of the 8th Regiment will take place on Little Round Top, which strategic point this famous organization did so much to save to the Union army.

—Perival Zerba, a respected citizen of Farmington township, died at his home two miles south of Leeper, Thursday night, September 8th, after an illness of about two hours, aged 74 years. Heart failure seemed to be the cause. He had been afflicted more or less with this malady for the past two years and spoke to the writer several times that he felt the end was near. He is survived by his wife and five children. Mrs. Jerome Weaver, Cloe W. Va.; Charles and Winfield, Mayburg; Mrs. Trace Fitzgerald, Mayburg; Mrs. Frank Mauk, Kellettville. Also four brothers and two sisters, all being present but one sister. His funeral was largely attended Monday, September 12, at two o'clock, from the Presbyterian church at Tylersburg, Rev. Presby of the Lutheran church of Fryburg, officiating.—Clarion Republican.

—Pennsylvania is the largest Sunday School territory in the world; over 11,000 schools are located in the State, with a membership of 1,841,855. Like all progressive agencies, these schools are federated in a State wide movement under the name of the Pennsylvania State Sabbath School Association, with auxiliary Associations in every one of the sixty-seven Counties. The organization seeks to bring improvement in methods and equipment to the smallest school held in the country school house, as well as the largest city school on the Avenue. Representatives of these schools assemble annually in State Convention for the purpose of outlining its yearly policy. The next Convention will be the Forty-Sixth Annual and is announced to meet in Altoona, Pa., October 12, 13 and 14. This annual gathering is the largest assembly of religious workers held within the State. Delegates and all others who desire to attend can secure card orders for reduced railroad fare by calling on or addressing Rev. W. O. Calhoun, Tionesta, Pa.

—Miss Olive Lanson attended the 20th anniversary of the Philomel musical association at the home of Judge and Mrs. W. M. Lindsey, at Warren, on the 13th inst. The Mirror's account of the function pays this tribute to Miss Lanson's splendid talent as a pianist: "The piano numbers were played by Miss Olive Lanson, of Tionesta, who studied for some time at the Hill Plains School of Janesville and with Mr. Franklin Cannon of Warren." Miss Lanson is possessed of unusual musical ability. Her work is polished and smooth, and her careful attention to detail attests to her musicianship. In style she is exceedingly sincere and unaffected, which makes her playing so delightful. A splendid and most gratifying future is predicted for this young artist. Miss Lanson's interpretation of the Schumann group called forth such a burst of warm applause that she graciously played an encore. The Liszt numbers were played with such a warmth of spirit and poetic manner that applause only ceased when she returned, and played so well the beautiful and familiar melody in F by Rubenstein."

—Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croupy cough appears, will prevent the attack. Sold by Tionesta Pharmacy.

It is pleasant to take and equally valuable for children and adults. Sold by Tionesta Pharmacy.

**George Dawson's Saw Mill Burned.**

The saw mill of G. R. E. Dawson, which was located near the farm of George L. King, below West Hickory, was totally destroyed by fire at an early hour last Friday morning. Mr. Dawson was sawing out some hardwood lumber for the McCabe Lumber Co. at that point and the mill had been running on Thursday. Elmer Horizer, the sawyer, who lives near the mill, states that everything appeared to be all right a short time before the fire was discovered and the origin of the fire is not known. The fire was discovered at two o'clock and nothing could be done to save the property. None of the lumber was burned. There was no insurance on the property and Mr. Dawson places his loss at \$800.
