 —The forty-fourth annual session of
 the Forest County Teachers' Institute will
 be held in the opera house at Marien-
 ville, October 31st to November 4th, 1910.
 Prominent instructors have been en-
 gaged, there is a promise of a large at-
 tendance of teachers, and the institute
 will no doubt be profitable to all who
 attend.

 vember is a Thanksgiving number which

 to come. The dawn of the Holiday Season
 is ushered in with unusual charm. "The

 Kate Douglas Wiggin, Mary and Jane
 Findlater and Allan McAdams, begins in
 this issue.

A vote of thanks was extended to the
 teachers and pupils of the Borough
 school for the fine potatoes contributed
 by them to the Brookline Memorial
 Home. There were five bushels of these
 potatoes, which were unusually fine and
 large, and they were sent, together with
 a barrel packed by the Corps, to the Home
 the past week.
 —The Commencement Bulletin of the
 Pennsylvania State College just received
 contains some notable addresses. The
 pamphlet also contains the proceedings
 of a conference of High School Princi-
 pals of the state called to consider the
 relations between the public schools and
 the college. A copy of the bulletin may
 be obtained by addressing the Registrar,
 State College, Pa.
 —J. R. Clark, the State street livery-
 man, bought a team of steel greys Satur-
 day from E. A. Singing, of West Hickory
 that are making local horsemen take
 notice. One is a mare, the other a gold-
 ing, half-brother and sister, four and five
 years old. The team weighs 2,200 pounds
 and there are only eight pounds differ-
 ence in their weights. The nags are city
 broken, remarkably docile and natural
 trotters.—Derrick.
 —Harry Harp of Marienville was a
 Tionesta visitor yesterday, having a wagon
 load of honey which he was deliver-
 ing to customers. When he left home he
 had eleven hundred pounds aboard, all of
 which was readily disposed of. Does any
 mortal want anything better on these
 frosty mornings than a crisp buckwheat
 cake with nice butter and honey accom-
 paniment? Do you? Mrs. Harp and
 young son accompanied Mr. Harp on the
 trip.
 —The burning on Tuesday of last week
 of the American Plate Glass plant at
 James City, three miles south of Kane,
 entailed a loss of nearly half a million
 dollars upon the owners. The plant was
 one of the finest in the country and is
 said to have cost nearly a million dollars
 in its construction and equipment. At a
 meeting of the directors soon after the
 fire it was determined to rebuild, and
 efforts in that direction will go forward
 without delay.
 —"No person shall by purchase, gift or
 other means, furnish tobacco in any form
 to persons under the age of 16 years." That
 is the state law and is very broad in
 its scope. It was approved by the Govern-
 or July 10, 1901. The punishment is a
 fine of \$100 or 30 days in jail, or both.
 Violators of the law should take warning.
 The fact that boys under 16 are seen using
 tobacco is evidence that some one is
 either selling the tobacco to the boys or
 else someone is giving it to them.
 —A south bound extra freight on the
 Pennsylvania railroad, running at high
 speed in a dense fog early Monday morn-
 ing, struck the section crew's handcar a
 short distance above West Hickory,
 knocking the car clear into the river.
 The crew escaped before the collision oc-
 curred, but Frank Sistiato, an Italian,
 was struck on the head by a flying mis-
 sile of some sort and severely injured.
 He was taken to West Hickory, where
 Dr. Morrow attended him, finding that
 his injuries were not of a serious nature.
 —Over at Erie the death watch has been
 placed over Alton V. Hoyer, under sen-
 tence of death for murdering his wife at
 Atlantic, that county. Two men night
 and day have the sentenced man under
 surveillance, and every precaution is be-
 ing taken to prevent him taking his life,
 it having been given out that Hoyer has
 declared he would never live to be ex-
 ecuted. His attorneys it is thought will
 make application to the board of pardons
 for a commutation of his death penalty to
 imprisonment for life, on the ground of
 insanity.
 —When it comes to hunting Dr. S. A.
 Jossop, Charles Strivson and G. Todd
 Dixon are hard to beat. They left for
 Forest county on Saturday and were not
 due to arrive at their destination until
 late that afternoon. Monday morning,
 however, a 125 black bear was delivered
 by express to Harry Reynolds, and
 friends of the Nimrods as a result are
 very exultant in proclaiming his
 prowess. Mr. Reynolds had Bruin taken
 to the Kittanning brewery and placed in
 cold storage in preparation of a big feast.
 —Kittanning Leader.
 —The second game of base ball of the
 series between the married men and
 single men of Kellettsville, Pa., was
 played Tuesday, Oct. 18th., and resulted
 in a 7inning victory for the single men
 by the one-sided score of 11 to 1. Neither
 side started by any individual playing
 Kays, pitching for the single men was
 steady throughout, while Russell, for
 the married men, was a little wild. Both
 sides were short of some of their best
 players. The deciding game promises to
 be an interesting one, as the series stands
 one and one now. The date of the last
 game has not been set as yet.
 —Samuel Bell and J. H. Campbell, of
 Salem township, Clarion county, were in
 Oil City Saturday, says the Derrick.
 These gentlemen live in the heart of the
 Limestone belt of Clarion county and are
 engaged in cattle buying, an occupation
 that takes them over a considerable por-
 tion of the county. They report that
 not in 20 years have the crops been so
 large or the quality better than this. In-
 stances came under their personal obser-
 vation where the oats yield reached 58
 bushels to the acre, corn 125 and wheat 50.
 Potatoes, which had been backward on
 account of the long drought, will make a
 good average yield.
 —Word has been received by relatives
 in this vicinity of the death of Mrs.
 Charles Logue, which occurred Monday
 morning, October 24, 1910, at her home in
 Stanford, Kansas, after a week's illness.
 She will be better remembered here as
 Miss Elizabeth Fidler, where for more
 than a year she was the head waitress at
 the Hotel Weaver. She went to Kansas
 with an uncle shortly after Christmas
 and last February was united in mar-
 riage with Mr. Logue. They were mak-
 ing their home on his farm near Stanford.
 Mrs. Logue was aged 22 years. She was
 the daughter of Mr. and Mrs. Amos
 Fidler, of Lucinda, Clarion county
 where she was born and reared to wom-
 anhood. She was a member of the M. E.
 church of Tytersburg and had many
 friends in the community, who will learn
 with regret of her death. Besides her
 husband she is survived by her parents,
 three sisters and one brother, as follows:
 Mrs. Henry Kaman, of German Hill, this
 county, and William, Mary and Lodemia
 Fidler, at home.

 —On October 20th the Nebraska W. C. T. U.
 held an anti-narcotic meeting at the
 home of Mrs. Wallace Imhoff. A very
 interesting program was carried out. At
 the close of the meeting a fine lunch was
 served by the committee in charge. All
 present report having a fine time. On the
 25th the Nebraska W. C. T. U. will
 give a picnic, to which a general and
 cordial invitation is extended. Ladies
 please bring pies.
 —Bass have been taking hold with a
 vengeance in the past week or two, ac-
 cording to reports. Gus B. Evans, who
 was down from Endeavor, Monday, told
 us of a three days' catch he and Frank
 Witherell made at Trunkville eddy last
 week that is almost staggering in its
 proportions, the number being 71, which
 is just one under the limit. They kept
 none under 12 inches and had several
 weighing upward of 3 pounds each. We
 are not doubting Gus' word, which is
 usually gilt edged, nevertheless there was
 no evidence laid on the editorial table to
 prove its correctness in this particular
 instance.
 —With the decision to meet next year
 at Tionesta, the District convention of the
 W. R. C. closed its meeting at Bradford
 Thursday. The morning session opened
 at 10:30 o'clock with an address of wel-
 come by Mrs. Pearl Little. Mrs. Char-
 lotte Cummings of Tidouite responded.
 Following this officers were elected as
 follows: District president, Mrs. Pearl
 Little of Bradford; senior vice-president,
 Mrs. Minnie Watrous of Johnsonburg;
 junior vice-president Mrs. McCredy, of
 Duke Center; treasurer, Mrs. Jennie
 Agnew of Tionesta. The meeting was
 then adjourned for dinner which was
 served by the ladies of the Universalist
 church in the basement of the church.
 The afternoon session opened at 2:30
 o'clock and business of importance was
 transacted. The Bradford Woman's Re-
 lief Corps, No. 13, exemplified the ritual-
 istic work. In the evening there was a
 camp fire at G. A. R. hall at which there
 were vocal and instrumental solos, and
 several good speeches by local orators.
 —John Carlson, section foreman on the
 Hickory Valley railroad, who was re-
 cently so seriously injured by being
 thrown off the top of a box car, last Sat-
 urday a week, was obliged to submit to
 the amputation of his right leg below the
 knee, the operation being performed at
 Emergency hospital, Warren, whither he
 had been taken following the accident.
 Mr. Carlson's escape from instant death
 is little short of miraculous. He was
 riding on top of a freight car which was
 attached to the head of a locomotive and
 was being pushed at a slow rate of speed.
 Carlson in some manner fell from the top
 of the car, alighting across the track be-
 tween the locomotive and the box car.
 The engine reversed and the wheels of
 the locomotive spun round and round.
 The engine was going so slowly that
 when the wheels came in contact with
 the body it was shoved ahead instead of
 being crushed. As it was he sustained a
 fracture of the skull, cuts and bruises on
 the head, and his right foot and ankle
 were so badly crushed that amputation
 was necessary, as above stated, in order
 to save the man's life.
 —One of the very prettily appointed and
 happy social functions of the season was
 held at the pleasant home of Mr. and
 Mrs. Wilber Decker Friday evening. It was
 a birthday party for Miss Pearl Decker,
 one of the popular young ladies of Centerville,
 who upon that date had reached her
 eighteenth natal day. The gathering,
 which was in the nature of a surprise to
 Miss Pearl and on that account all the
 more interesting, was attended by nearly
 all the young people of the village, who
 were delightfully entertained with music,
 games and a finely prepared supper. Mr.
 and Mrs. Decker are among those
 thoughtful and sensible people who be-
 lieve that the lives of young people should
 be made as happy and as full of sunshine
 as possible, for all too soon the stern
 realities of life will be upon them and the
 free-from-care period will be forever past,
 and so the Decker home is always open
 to the young people who are ever royally
 entertained. It was an evening to be
 long remembered with pleasure.—Centerville
 Cor., Titusville Herald. The
 Decker family were former residents of
 Whig Hill, this county.

Parade for Hallow'e'en, Oct. 31st.
 Let us all join in a parade Hallow'e'en
 in proper masks and have a good time, in
 which the ladies can participate without
 fear of being molested or subjected to
 any rowdism or disorderly conduct. I
 would suggest that all who are interested
 in a parade of this kind meet at seven
 o'clock on the evening of Monday, Oct.
 31st, at the bank corner on Elm street, in
 full costume and mask, where the line
 of the parade will be formed, for the pur-
 pose of marching to the court house
 square, then back on Elm street to Has-
 let's corner, then return to place of start-
 ing. Any information in reference to
 arrangements, or program can be had by
 consulting John B. Eden. No rowdism
 or disorderly conduct will be tolerated,
 such as pulling off masks or meddling
 with costumes. It would add to the
 cheerfulness of the parade for the people
 along the line of march to have their
 homes illuminated as much as possible.
 It would be a good time for the ladies to
 call on their lady friends after the parade
 is over. Let every one do their part to
 make this a pleasant and enjoyable eve-
 ning. JOHN B. EDEN, Chief Marshal.
 By order of the Burgess.

 ing him many more bright and happy
 birthdays. A GUEST.

 abeth Hollings, was over from Muzette

 —We have the right to appeal to the
 people from the standpoint alike of na-
 tional and state achievement. In the last
 eighteen months a long list of laws em-
 bodying legislation most heartily to be
 commended as combining wisdom with
 progress has been enacted by Congress
 and approved by President Taft," said
 Theodore Roosevelt in a recent speech.
 Mr. Roosevelt wants a Republican Con-
 gress elected and has said so in every
 political speech he has delivered. Do you
 believe in upholding him in this desire?
 Then vote for P. M. Spear, the fearless,
 brilliant and courageous candidate of the
 Republican party in this district. There
 is nothing of the blatherskite or balder-
 dash about Spear. He's clean-headed,
 absolutely straight and incorruptible in
 all his business transactions.

Difference in Clothes.
 There are few manufactured goods in which there is so great a resem-
 blance in first appearance and so remarkable a difference in actual worth as
 men's clothes. Stylish cut and a good fit count for little without durable
 fabric and permanent shapeliness. Quality is the backbone of clothes satisfac-
 tion after all.
 If you want to know the real points of difference between clothes, we
 will be glad to instruct you, showing you the good kind and leaving you to
 make comparisons with the other kind wherever you may find it.
