## LAMMERS.

# THE CLEARING SALE

That's Expected—That's Looked Forward To—

Opened Saturday Morning, January 14th, and Closes Saturday Night, January 21st.

The reason for this semi-annual clearance, we believe, is known to you. We've told it twice a year for a good many years. Small lots must accumulate in this busy store. We expect them—you expect them. It's a decided opportunity for you. This sale in this store always does, and always will mean the best qualities at prices in many instances lower than the cost of manufacture. The value of a suit of clothes or an overcoat is the same after Christmas as before, but the worth of it is governed by demand, and demand is influenced by price—therefore we reduce prices to increase the demand and convert surplus stocks into money. Prices one-third, one-quarter, and on some goods even one-half off. Visitors will find that our prices are not first over-estimated in order to be stated as below our regular prices.

Terms of Sale Cash. Positively no goods sent on approval or charged at sale prices, but we will cheerfully change at any time any goods not satisfactory or refund the purchase price.

We give S. & H. Trading Stamps during our sale, in addition to the lower prices we quote on thoroughly reliable merchandise.
