## First Announcing Rugs.

New Rugs, which are now being shown in our department. The spring line is phenomenal in beauty of combinations and qualities. We are showing for the spring 1911 season the most extensive variety of domestic rugs in two-toned, all-over and medallion patterns, with dainty effects for the drawing room and boudoirs and the heavy Oriental colors and designs for the library, living room and den. We have selected only such patterns and colors that are adaptable for this vicinity. Included in these lines are the French and English Wiltons, Saxony, Arabic and Kimlot, (thick, high pile fabrics) Standard Five Frame Body Brussels, with the Roxbury Tapestry. In all sizes with special sizes to order. The stock sizes vary from 22 1/2-inch x 36-inch to the 11-3x15-0 size; from \$1.90 to \$95.

## Novelty Dress Fabrics for Spring "1911."

For weeks manufacturers, importers and commission merchants have been sending forward shipments of the many pretty new Silk and Cotton Novelties bought for 1911. Assortments are complete and the range has now reached sufficient proportions to admit of introduction. Inspecting the result of our preparation and provision for this spring season 1911 with an eye meant to be critical, we are most favorably impressed with the assembled merchandise. We display it now with assurance—confident that you will admire our selection, and if interested, experience little trouble in finding something to please you.
