Cut Glass Bon Bon Dishes, 79c.

We have placed on sale 100 cut glass bon bon dishes or handled nappies, at a very low price, 79c. \$1.50 is the regular price. Some time ago a manufacturer wrote us that, in order to keep his hands employed through the dull season, he would take our order for 100 of these nappies at \$7.50 per dozen. We secured a lot, and make the price to you 79c. You can buy them now at a much lower price than we can buy them at next fall.

Different and Better.
A Label that means something.

You're going to need a new suit this season. The uncertainty of the weather lately may have thrown you off your guard. But if you are not careful, the weather man will "double cross" you one of these days and he'll hand out a brand of weather that will make you think of moth balls and a place to store your winter things.
Then it might be that the assortments of beautiful clothing that we show at present, would not be quite as large. Why wouldn't it be a good idea to select your suit now? We'll hold it until you're ready for it and your choosing will be done from a remarkably well selected stock. The kind of clothes we sell are the kind any man would be proud to own. The prices, \$10 to \$40, represent the least of a splendid proposition.
Stout Men, Long Men, Long Stout Men, Short Stout Men, Regular Men and Near Men—all amply provided for.

Ladies' and Misses' Wash Dresses.

\$2.50, \$3, \$3.50, \$4, \$4.50, \$5, \$5.50 and \$6.

Along few lines of manufacturing endeavor has greater progress been made in recent years. In fact a standard of perfection altogether remarkable has been attained by several New York suit makers.
This store has the good fortune to control, for this city, the product of two manufacturers who make the handsomest Wash Dresses shown anywhere in this country. We have purposely made the terms of that statement most sweeping. Our buyers have had the privilege of inspecting many lines of Wash Suits. None of them in our judgment compared with these two. Their lines are distinctive. One makes suits to retail for \$2.50 to \$5; the other nothing under \$5. Suits that possess many distinct features, all of which stamp them suits of a superior character. Qualities rarely found and which you scarcely expect to find in "ready to wear garments." The designing is original and of a very high order. The materials are of the best, choice and most carefully selected.

Serge Suits.

Spring's Best.

Each season brings a bigger demand for Serge Suits. No other fabric combines all the good features and comforts of serge.
Get a good serge and it looks well, wears well and is altogether the nicest stuff one can use.
But—(and here is the saving clause) be sure of your serge. Some won't stand the test of time and wear, and a poor serge is a poor investment.

Our Hart, Schaffner & Marx Suits

Run \$18, \$20, \$22.50 and \$25. Other good suits, union made, run \$12, \$15, \$18 and \$20. Our serges are fine close woven fabrics that we know all about. We guarantee them. Splendid tailoring all through the shaping and the proportions are perfect. Snappy models.
