At the conclusion of these dates an examination will be held at the Clarion Normal for the accommodation of Forest county students at that institution, the exact date of which has not yet been fixed.
 —Some time ago O. F. Miles had a bicycle stolen from the hallway of the Hoffman block and yesterday Constable Magee with the assistance of a Western Union messenger boy found the wheel hidden in a shed on Jefferson street. The wheel was stolen by three boys and they had it in the shed and were preparing to alter its appearance with a coat of paint and parts from several old bicycles. The boys have not yet been arrested and the case may be settled out of court by their parents.—Warren Times.
 —Friday's Warren Times says: Attorney D. U. Arild and the two Philadelphia men, who are in town for the purpose of gathering evidence to be used in the trial of John M. Andrews for the murder of Emilie Amano, visited the scene of the crime this morning and went over the ground carefully. It was learned this afternoon that the two men discovered a bullet hole in the gate of the fence surrounding the reservoir and that the hole was made by a bullet of the same calibre as those that killed Mr. Amano.
 —A petition asking for a discontinuance of the proceedings in connection with the audit of ex-Congressman Joseph Sibley's primary election expense account was presented Monday to Judge George S. Criswell, at Franklin. It is signed by all those who nearly a year ago petitioned the court for an audit. It is based on the physician's affidavits that Sibley's condition is such as to require prolonged absolute freedom from all physical or mental exertion in order to prolong and probably save his life. The Judge made an order discontinuing the audit.
 —Charles F. Weaver attended the funeral of his uncle, John Higgins, at North East, Erie county, Friday. The deceased was a native of Clarion county, having been born at Snyderburg, and was aged 75 years. He had twice held the office of burgess of North East and was one of its most prominent and popular citizens. The funeral was held from the M. E. church, of which the deceased was a long time member. He is survived by his wife and two grandchildren besides two sisters and a brother, namely: Mrs. Susan McCauley of Pittsburgh, Mrs. Margaret Logan of Los Angeles, Cal., and Laughlin Higgins of Cleveland, Ohio. [Clarion papers please note.]
 —Ex-Sheriff C. R. Bowman, of Clarion, and G. C. Miller, of Tylersburg, narrowly escaped with their lives while trout fishing in Forest county two weeks ago. The woods caught fire from sparks from a sawmill near where they were fishing, and the fire spread so rapidly that they had to run for their lives, and it was with great difficulty that they managed to get out of range of the flames. At one time they were compelled to lie with their faces close to the ground in order to get fresh air. They inhaled a great deal of smoke. Sheriff Bowman has not yet fully recovered from the trying experience.—Clarion Democrat. We understand "Chris" had one hand seriously burned in trying to cover his face, and the side of his face and hair badly singed.
 —Rev. Wm. H. Flake, the river evangelist, of Binghamton, N. Y., arrived in Tionesta Tuesday and preached at the Elm and Bridge street corner last night. He left Warren a week ago and expects to go clear to the Gulf of Mexico, intending to cover the 3,000 miles in eight months. Mr. Flake travels and makes his home in a row boat 18 feet long, 3 1/2 feet wide, with a canvas roof, and will preach in many of the small towns along the way and in the lonely homes in the mountains. He will remain here for a few days. He will give his life personal experience from crime to Christ. The transfiguration of his life is so great and so good that he longs to see his brother have the same. Two years ago he made a similar trip of 300 miles from Binghamton to Chesapeake Bay.
 —Assemblyman John Crumm has returned from Harrisburg for the summer recess. He is especially pleased with the passage of the Sprul highway bill, in which he was especially interested, being a member of the roads committee. Part of his work was to secure the selection of the south side route of the proposed state highway to Tionesta, Forest county. The route selected is out along the old grade of the Cranberry railroad to McPherson's Corners, part of which has already been laid out as a roadway to Coal Hill, thence to Hampton Station of the United Fuel Gas company to the McCray school house and President on to Forest county, the entire road being on the south side of the Allegheny. Changes that will be noted in this route were due to concessions made to residents of Forest and Clarion counties. Clarion gets a highway from the county seat, through Knox and Lammertown to East Sandy and Salina in Cranberry township, on through to Franklin over the brick paved road from Sugar Creek, through Bradleytown to Titusville, from thence to Warren.—Derrick.

 —O. D. Bleakley of Franklin headed an auto party that took dinner at Hotel Weaver Monday evening and then moved on to the forest primeval to enjoy a day's communion with nature while tempting the "speckled beauties" to take the angle worm and grub. They were provided with blankets, bacon and cooking utensils, and were ready to stake their all on the catch—for one day at least. The other members of the party were R. R. Bleakley, Harry Grant, E. G. Crawford, James Woodburn, Jr., and B. Haskill.
 —Our thanks are extended to the following persons for new subscriptions and renewals: L. J. Catlin, Jefferson, Ohio, (new); W. L. Osgood, Starr; Miss Bertha Cusins, Tylersburg; Mrs. J. Gleung, Tionesta; F. W. Law, Pittsburgh; George H. Lowe, Jamestown, N. Y.; Isaiah Cassatt, Clarington. In noting subscription renewals last week we incorrectly stated the address of Mrs. Helen F. E. Cox as Boston, when it should have been 103 Davis street, Waltham Park, Mass., which has been her home for upward of six years.

Tionesta's Memorial Day.
 Memorial Day yesterday was one of ideal weather conditions and its observance in Tionesta was in keeping with the spirit of the occasion. The program as given in the REPUBLICAN last week was carried out to the letter, being in charge of George Stow Post, G. A. R., and its worthy auxiliary the Relief Corps. The patriotism of our citizens was evidenced by a profuse display of the national colors on all sides, and the town looked its very prettiest.
 At the noon hour the veterans and their wives were entertained at a sumptuous dinner by the Corps ladies at their hall and at one o'clock a line was formed and headed by the Martial band, marched to the river bridge where flowers were strewn upon the water in honor of the sailors and marines who gave their lives upon the seas that their country might survive. From thence the march to Riverside cemetery was continued where the graves of the heroic dead were bedecked with sweetest flowers in accordance with the beautiful ceremony of the Grand Army, and then the comrades and their friends repaired to the court house where the ritualistic services were rendered, and a most excellent address was given by the orator of the day, Marion A. Carringer, Esq. The talented young attorney was at his best and many thought his address was the finest they had ever listened to on such an occasion. Miss Genavieve Douth, whose talents as a reader are well known, favored the audience with a splendid rendition of "The Blue and the Gray." The exercises were interspersed with patriotic music by Tionesta's martial band.
 The memorial services at the M. E. church Sunday morning were largely attended, and Rev. Mr. Bailey's sermon was enjoyed and very highly complimented by all who heard it.
 This ended the ceremonial exercises which were attended by a large highly pleased and withal most orderly crowd. The absence of a number of faces, always heretofore familiar on such occasions, was another impressive reminder of the rapid thinning of the ranks of the heroic veterans. The hardships of war and advancing years are telling rapidly upon the Grand Army's sacred ranks, and sooner than we think the duty of keeping sweet the memories of our honored dead will have devolved upon the younger generation, and may it never falter but ever find sweet pleasure in its performance.
Horse Stolen and Recaptured.
 A handsome three-year-old colt belonging to Van McAlmont was stolen from the pasture field near President last Saturday night. When the owner went to the field Sunday morning and discovered the theft he set to work to learn the direction in which the animal had been taken. He succeeded in tracking it some miles in the direction of Tionesta, but lost the track out near the headwaters of Indian Camp run. The colt had neighborhood and sometime during Sunday evening it fell in with a passing rig belonging to Livermen Potter & McCoy followed the rig to the stable, where it was cared for and the owner notified. Mr. McAlmont came in Monday and took the animal away. Evidence showed that the colt had been driven very hard and greatly overheated as its body was completely covered with heat boils the size of an ordinary marble, but was otherwise unharmed. The thief had doubtless discovered that the colt was unbroken, and fearing he could not "get away with the goods" had turned it loose.
 The colt is quite a pet and when it heard its master's voice, whinney its recognition and showed by its every action that it was glad to see him.

RECENT DEATHS.
WATTERSON.
 William Bennett Watterson was born March 12, 1842, near New Bethlehem, Pa., and entered into rest at 11:15 p. m., Sunday, May 28, 1911, at his home at Muzette, Forest county, after an illness of six weeks, of paralysis. He was the son of Joseph and Martha Watterson and was reared to young manhood near his birthplace. At the outbreak of the Civil war he enlisted as a private in Co. F, 103d Regiment Pennsylvania Volunteer Infantry and served his country faithfully throughout the dark and trying years of that fearful struggle. Mr. Watterson was captured by the Confederates and confined for a time in Libby prison. Later he was transferred to Andersonville prison and was confined there during the whole time the prison was in existence, realizing to the fullest extent all its privations and sufferings. About thirty years ago he was united in marriage with Miss Catherine Stover, of Helen Furnace, Pa. For many years he resided on his farm near Scotch Hill, Pa., and about four years ago, on account of failing health, removed to Muzette, where he was employed as mail carrier between that place and Yowinkel. He was a consistent member of the M. E. church and was highly respected by all who knew him. Besides his wife he is survived by the following children: John, of Miller Creek, Pa.; Reuben, of Coombsburg, Pa.; Robert C., of Woodbine, W. Va.; Mrs. Margie Brady-Baugh, of Kellestville, Pa.; Mrs. Mary Mohny, of Muzette, and Miss Lillie, at home. Thirteen grandchildren also survive him. Funeral services, conducted by Rev. M. B. Riley, of Tylersburg, will be held this afternoon in the Scotch Hill M. E. church. Interment will be made in the cemetery connected with that church.
KORB.
 Christian Korb, for the past forty years a highly respected resident of Tionesta township, passed peacefully away at his home surrounded by all the members of his family, on Sunday morning, May 28, 1911, at three o'clock, after quite a lingering illness from a complication of diseases. Mr. Korb was born in the town of Lemburg, Germany, July 8, 1837, and when but eighteen years of age he emigrated to this country, where by strict industry and economy he soon saved enough to purchase the present farm home in Tionesta township, which is a model of neatness and under a good state of cultivation. After purchasing the farm he returned to his home town in Germany, and there he married Miss Frances Koch, the lady of his choice, who with a family of four sons and four daughters survives him, as follows: Charles, Jacob, M. E. and William Korb, all residents of Tionesta township, Mrs. Mary Dart, of Polk, Pa., Mrs. Anna Wolf, of Pittsburgh, Pa., Miss Caroline Korb, of Erie, Pa., and Miss Gussie Korb at home. He is also survived by one sister, Mrs. Phillipp Hackman, of Clearfield, Pa. Although living a retired life on a farm he was from his youth a great student in geography, being familiar with every large river, mountain, volcano and cape on the globe, spending much of his time in his youth, in fact all through his life in this interesting and important study. His familiarity with this science was indeed surprising and accurate. His study of maps made him familiar with the world, and accurate in his location of countries, coupled with the study of the peculiarities of foreign lands, about which he possessed a great fund of information. Rev. A. F. Rhor, pastor of the Lineville Lutheran church, of which the deceased was a member, conducted funeral services at the late home of the deceased at twelve o'clock yesterday, after which the body was taken to the Lineville cemetery for burial.
