We have this standard of value because there are hundreds of men whose limit on Suits, Overcoats and Raincoats is exactly fifteen dollars.

If you are a man who makes clothes buying a strictly business proposition-who looks at a garment from all sides and buys it simply because it is the best the town affords for the money-then you will appreciate pretty fully the merit of our fifteen dollar assortment.

Fifteen dollar Suits and Overcoats are common; such Suits, Overcoats Raincosts as we have at fifteen dollars are not.

Better Suits, Overcoats and Raincoats for Men and Young Men \$18, \$20, \$22 50 and \$27 50.

Our \$3 Hats.

Here is more solid Hat value than you get in many bats higher priced. An intense, lasting black is an important feature. The felt has body and stability; is of smooth, fine texture. Each hat is beautifully finished by hand work; and the edges won't wear shiny.
