—The faithfulness of Frank Witherell as an employe of Wheeler & Dusenbury at Endeavor for the past forty years was last week rewarded by the presentation to him by the company of a handsome gold watch, suitably engraved, with the date on which the recipient began working for the firm. Mr. Witherell's employment has been continuous all these years, without a break, and without ever a word of complaint from the company or a disagreement of any sort. A record of which both employer and employe may be proud.

—Wm. H. Hall of Endeavor has been out horse buying again. He has been with the Wheeler & Dusenbury firm so long that "the memory of man runneth not to the contrary," and whenever they stand in need of a new team of horses they simply drop a hint to "Billy" and he does the trick. This time he found what he wanted down near Salem in Venango county, and he took the pair through town yesterday. They are 4-year-olds, weigh 3000, dapple grey, and sleek as moles. When Billy picks out a team of horses they are picked right. There are no blemishes on the quines nor flies on Billy, when he slays 'em up.

—A Sunday School Institute will be held in the M. E. church at Tionesta, Dec. 14th and 15. Through Dr. David G. Downey, corresponding secretary of the Board of Sunday Schools of Chicago, it has been arranged to have the following specialists in Sunday school work on the program: Rev. L. O. Hartman Ph. D., superintendent of the M. E. Sunday schools for the state of Ohio; Rev. Wade Crawford Barclay, D. D., of Chicago, Educational Director of the Board of Sunday schools; Miss Nellie S. Barnes of N. Y. City, specialist in elementary and graded work. Everything possible is being done to make this the strongest Sunday school institute ever held in the county. An invitation is extended to all schools to send delegates. A fine program will appear later.

—The regular monthly meeting of Capt. Geo. Stow Post, No. 274, was held Dec. 5, 1911. The officers generally were present. There was a good attendance of members of the Post, showing renewed interest as the numbers are growing less and making a closer bond of fraternity as time moves on. General orders concerning the installation of officers were read and it was concluded to hold as heretofore a joint installation along with the W. B. C. No. 137, and the following committee of the Post was appointed to confer with them as to the proceedings early in January next: Geo. W. Robinson, S. D. Irwin and D. W. Clark. It was noted that the Post had failed to elect a delegate to the State Encampment that meets at Gettysburg in June next, whereupon D. W. Clark was elected representative and R. B. Crawford alternate.

—Orville Howell, aged about 28 years, who for some time has been living with his family on the S. L. Vail farm, in Harmony township, became violently insane within the past week and on Saturday evening was taken into custody at West Hickory by Sheriff S. R. Maxwell. He was troubled by strange hallucinations and at the time was engaged in tearing down the piles of wood at the tannery. The unfortunate young man was brought to jail here and after being placed in a cell began tearing up all the movable furnishings. It is thought an injury which he sustained about a month ago, when he was thrown from a carriage and dragged by a runaway horse, may be the cause of his deranged mind. After the proper legal steps had been taken he was removed to the State hospital for the insane at North Warren Tuesday morning by Sheriff Maxwell and D. H. Blum.

—Many friends of Miss Clara Sutley in this vicinity will regret to hear of her illness. She was operated upon Monday morning at Hamot hospital, Erie, for appendicitis, surviving the operation nicely and was getting along well at last account. The parents, Mr. and Mrs. E. B. Sutley, were former residents of East and West Hickory, but now reside at 2902 Peach street, Erie, Pa.

—James Wiles and Miss Geneva Weingard, both of this community where they are well known and have numerous friends, were united in marriage at Good Hope Lutheran parsonage, Oil City, at 2:30 o'clock Wednesday afternoon, Nov. 29, 1911, the pastor, Rev. H. J. Reimann, officiating. The happy young couple will make their home in this vicinity, where the good wishes of many friends for a long and prosperous life are extended to them.

—Rev. A. H. M. Zahniser, sends us a postal card with this interesting little tale: "Ridgway, Pa., Dec. 1, 1911. Hanlan Emerson Zahniser, a fine 8-pound boy, came to live at the Free Methodist parsonage in Ridgway, about 6:30 Thanksgiving evening. When he arrived he at once set up a cry for Thanksgiving dinner. He has the fine features of his mother and the lung power of his dad, and bids fair to make his way through the world successfully."

—A postal from our young friend Keppler Davis, who is attending the preparatory school connected with the Annapolis, Md., naval academy, states that his studies keep him as busy as a nigger, but he finds time to read every word in the REPUBLICAN, and that he would rather miss his dinner for a week than a single

issue of the paper. Furthermore he is too busy to get either home sick or into serious trouble. Keppler has the energy and pluck to "make good" seven days out of the week, and all his Tionesta friends wish him complete success.

—Many Tionesta people were pleased to greet their old friend and former townsmen, Thomas W. Corah, the past week while here to visit his daughter, Mrs. Frank S. Hunter. Mr. Corah is engaged in mercantile pursuits in Canada, being located in the city of Hamilton, Ontario, where, we are pleased to learn, he is doing a prosperous business, and where no doubt he will sooner or later become a full-fledged "Canuck." It was pleasant to note the fine physical condition of our old friend, indicating that the frigid climate of that country thoroughly agrees with him.

—Mr. and Mrs. Harry Dewees, newly wed, spent a part of their honeymoon during the past week in Tionesta, where they were guests at the home of the former's great-grandmother and grandmother, Mrs. J. Many friends of the happy young groom had the pleasure of extending congratulations to Harry and his fair bride on this occasion and to wish them very many years of joy, peace and prosperity. They will live in Akron, Ohio, where Mr. Dewees holds a responsible position in the treasury department of the Diamond Rubber Co., the second largest institution of the kind in the world.

Reading Club Enjoys Rich Treat.
Mrs. J. F. Proper entertained the Tionesta Reading Club with a few invited guests at her home Friday evening last. Miss Hattie Gould of Oil City being the honor guest. Miss Gould, who had spent her summer vacation in a visit to Norway, Sweden, Denmark, Holland and England, gave a most delightful account of her tour in Norway and Sweden, using the stereoscopic views to illustrate her talk on these interesting countries. Beginning with Christiania, the capital of Norway, she gave a detailed account of her trip, first introducing to the club the sovereigns of Norway, King Haakon and Queen Maud, whose portraits she threw upon the canvas. The scenery of these two countries as depicted on the canvas is grand beyond description. Norway is a country of high mountains, with innumerable waterfalls, which are fed from the glaciers on the tops of these mountains five thousand feet high. The "Fjords", which are parts of the ocean that have pushed their way into the land, flowing between these abrupt mountains form the most magnificent and awe-inspiring scenery. Miss Gould said she learned while in Norway, there were more Norwegians in the United States than in Norway itself, and more Norwegians in Chicago than in the three largest cities of Norway. The pretty, quiet costumes, worn by the Swedish women were very much admired. The different provinces of this country each have a distinct costume, which is never changed. The members of the club appreciate these illustrated talks very much and consider they have received a rare treat. This is the third entertainment of this kind with which Miss Gould has favored the club, having previously given her trips to England, the Bermuda, the Bahamas and the West India Islands. At the close of the entertainment very delicious refreshments were served by the gracious hostess.

Mayburg.
Mr. Henry Deshner visited his wife at Cherry Grove over Sunday.

—Oliver Mealy of Franklin and Dura his brother of Beaver Valley, made a short visit with their sisters Mrs. Wm. and Chas. Deshner, Sunday.

—Mrs. Jno. Paul and son were shopping at Kellettville Friday.

—Miss Myra Horner of Barnes is still visiting friends at this place.

—Revival meetings are being held at the M. E. church of this place. Good sermons by Rev. Frampton, assisted by Rev. Arters and some convictions but not many conversions as yet.

—Rev. and Mrs. F. N. Fox, pastor of the F. M. church of this place, expect to leave Monday for Tionesta to assist in the revival meetings which are being held at that place.

—A house about a mile from here, once known as the Stalman Camp, but lately occupied by Mr. Breenneman, was totally destroyed by fire Saturday afternoon. The fire was caused by a leak about the gas jet which caused an explosion, and apparently ignited the whole house and contents in an instant, the family merely escaping with the clothing they had on.

—Mr. and Mrs. Haight, who were staying there, also escaped danger but they are all left scarce of clothing for winter weather but we think the good people of Mayburg will do all they can to make both families comfortable again.

—Mrs. Less Parker, who has been confined to her bed for some time with pneumonia, is able to be up again and getting along as well as can be expected.

—Miss Mabel Patterson called at the home of Mr. and Mrs. Wm. Deshner Sunday.

—Victor Hendrickson came up to attend the meeting Sunday evening and called a few moments on his parents, Mr. and Mrs. Hendrickson of this place.

—Grandma Tobey, who had been visiting friends here for some time left Monday for her home in Warren, accompanied by Mr. and Mrs. Wm. Richards.

—The first sleighbells of the season in this place were heard last evening. Makes us think winter is approaching.

—Don't know of any turkey being had here for Thanksgiving, but oh the chickens that had to give up their heads. Some had chicken dinners and some had chicken for supper, and some of the young people had the pleasure of feasting on chicken at both meals, but guess there will be enough left for Xmas dinner if those who have chickens will remember to "Love their neighbors as themselves."

—We are expecting revival meetings at the F. M. Church of this place soon after the holidays. Everybody is cordially invited.

—We wish to call your attention to the fact that most infectious diseases such as whooping cough, diphtheria and scarlet fever are contracted when the child has a cold. Chamberlain's Cough Remedy will quickly cure a cold and greatly lessen the danger of contracting these diseases. This remedy is famous for its cures of colds. It contains no opium or other narcotic and may be given to a child with implicit confidence. Sold by all dealers.

Mr. Collins Purchases Adamson Timber.

T. D. Collins, of Nebraska, on Tuesday of last week purchased the timber interests of J. F. Proper, of Tionesta, and A. L. Weller, of Kellettville, on the Adamson estate tract of 8,000 acres, on the Salmon creek, Kingsley township, this county. The deal was quite a large one, but the consideration seems to be the contrary Mr. Collins did not purchase the land and the deal with Proper & Weller includes only the standing timber, what chemical wood there was out, and a mile of railroad. The latter reverts all the manufactured lumber and three saw mills now on the property. There is a nice lot of hemlock and hardwood timber and between 40,000 and 50,000 cords of chemical wood yet remaining on the land and it was chiefly to secure the wood that Mr. Collins made the purchase. Mr. Collins and his partners are building a large chemical plant at Mayburg, having a capacity of 20,000 cords per year, and this deal, with others they have recently made, will give them a supply for the new plant for years to come.

RECENT DEATHS.

ALLEN.
William C. Allen, for many years a prominent and popular resident of West Hickory, died at his home in Tuscaloosa, Alabama, on Wednesday, November 22nd, after an illness of ten days. The funeral was held Saturday afternoon, November 25th. Interment in Tuscaloosa, where Mr. Allen has resided for the past six years as manager of the Tuscaloosa Lumber Company. He leaves besides his widow, formerly Miss Lydia P. Hinkle of Warren, a daughter, Harriet M., and two sisters, Mrs. Byron Elder of Spring Creek, and Mrs. S. L. Vail of West Hickory, the latter of whom went to Alabama to attend the funeral. Mr. Allen came to West Hickory from Warren county and engaged in mercantile pursuits and lumbering, the firm of Allen & Hardenburg being at that time amongst the most prominent in the county. The deceased is pleasantly remembered by many friends in this county, all of whom will greatly regret to hear of his demise.
