

Calendar for September 1912 showing days of the week and dates.

Republican Ticket.

President—Hon. William H. Taft, of Ohio. Vice President—Hon. J. S. Sherman, of New York. State Treasurer—Hon. R. K. Young, of Tioga County. Auditor General—Hon. A. W. Powell, of Allegheny County.

President Vetoes Water Grab.

The reasons given by President Taft for vetoing the Coosa river bill touch the high points in the Tionesta dam situation. The Coosa river is in Alabama, and the object of obtaining the water privileges by a private company was to make it the initial enterprise for the construction of a chain of plants for the production of "air nitrate fertilizer," now known as "calcium cyanid," the immense importance of which has recently been abundantly attested by the very foremost chemists and agricultural experts of the United States and of the world.

By unanimous consent of the conference, the names of Peter M. Speer, Republican candidate for Congress, and John P. Hines, Democratic candidate, were eliminated from consideration as candidates of the Washington Party.

Beaver Valley.

Preaching in the F. M. church was quite well attended Sunday evening. Leroy Kiffer, Orion Miller and James Brecht came home from their jobs at Tidouite to spend Sunday with their folks.

Spoke Before Conservation Association.

At a meeting held in Harrisburg recently Hon. N. P. Wheeler, of Endeavor, was one of the principal speakers before the Pennsylvania Conservation Association, and his remarks are thus mentioned in "Forest Leaves," the official journal of this well known society, which is composed of many of the most prominent representative citizens of our State.

Generous Offer.

Mildredina Hair Remedy to Cure Dandruff, Stop Falling Hair or Itching Scalp. But Mildredina Hair Remedy is more than a cure for dandruff—it will make hair grow on any head where the hair bulb is not altogether dead.

The Parcels Post Law.

The plan briefly stated, is that fourth class mail matter shall embrace all articles including farm and factory products now not included in first, second and third class, and not exceeding 11 pounds in weight, nor in size 72 inches in length and girth combined. The rate will be one cent an ounce up to four ounces, regardless of distance, but in local business for local delivery, on rural route or by carrier, postage will be five cents for the first pound or fraction and one cent for each additional pound or fraction.

Maine Back In Line.

Maine turned back to the Republican party in the state election Monday, Wm. T. Haines of Waterville being elected governor over Governor Frederick W. Plaisted, his Democratic opponent, who sought a second term, while the Republican carried one of the two congressional districts they lost to the Democrats two years ago.

The new legislature will be sufficiently Republican on joint ballot to insure the election of former Congressman Edwin C. Burleigh over Senator Obadiah Gardner, Democrat, to the United States Senate.

Washington Party Conference.

A county conference of the Washington Party was held at the court house in Tionesta on Friday, Sept. 6, 1912, for the purpose of organization, and to elect counties to meet with those from the other counties of this (28th) Congressional district to nominate, or endorse, a candidate for Congress. Ex-Judge F. X. Kretler, of Nebraska, was chosen temporary chairman. Dr. J. C. Dunn and W. H. Braze, of Tionesta, and Frank J. Henderson, of Kelleysville, were selected as District Conference and were unopposed.

HULINGS NOMINATED.

A conference of the Washington Party from the Twenty-eighth Congressional district met at the Phoenix Hotel, Corry, Pa., Saturday, September 8, 1912, from the five counties composing the district were present, as follows:

Fik County—C. A. Newburg, H. S. Thayer, R. A. Cartwright, F. A. Hauber. Mercer County—Thomas Stewart, Oscar Denny, W. B. Bigler, Dr. J. M. Martin, John L. Morrison. Forest County—Dr. J. C. Dunn, F. J. Henderson, W. H. Braze. Warren County—Dr. J. R. Durham, Dr. J. C. Russell, Edward Walker. Venango County—Donald McCaen, Thomas Smith, F. W. Brown.

The meeting was called to order by John L. Morrison, member of the State Executive Committee. R. A. Cartwright was chosen chairman and W. H. Braze and F. A. Hauber, secretaries.

By unanimous consent of the conference, the names of Peter M. Speer, Republican candidate for Congress, and John P. Hines, Democratic candidate, were eliminated from consideration as candidates of the Washington Party.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

The body of John McDowell, sixty-four, an oil driller, was found in a ditch about two miles from Sharon, Pa., with his scalp partly torn off, his nose broken and several bad cuts on the head. The police are working on the theory that McDowell was murdered at some point distant from where the body was found and carried to the ditch in a buggy.
