—John Bush was exhibiting the finest specimen of fish of the season last Friday evening. It was a muscalunge weighing 12 pounds and measuring 3 feet. John hooked the beast just above the dam at the mouth of the creek, and the water being high, for a time it looked like a toss-up as to whether he'd get the fish, the fish would get him or the dam would get the both of them.

—The schools at West Hickory were called on Monday, September 24, and pupils received their grades and books, but on account of not having all the blackboards in place the schools were dismissed until Monday of this week. With the new building just completed the people of West Hickory feel that they can boast of having the finest and most up-to-date school building in the county.

—The National Vacuum Cleaner, the simplest, best and cheapest article of the kind on the market, can be had in connection with a year's subscription to the best paper published in Forest county—which is this one—for the small sum of four dollars. Now is the time to get a thoroughly reliable vacuum cleaner. Wherever once installed the good wife would not let it leave the household for twice the price if she couldn't get another. If you want one speak up promptly.

—Harrison Swab, of Hunter Station, has taken over the milk route of Charles Emick, and tomorrow morning will supply his customers in Tionesta. Mr. Swab is well equipped for this service, having a large herd of excellent milk cows, fine pasturage and good stable accommodations. He hopes, by giving the business his close attention to double his list of customers, guaranteeing them the best possible service.

—A fine bunch of Holstein cows was unloaded at the station here and started overland for Clarion Saturday morning, where they will be added to the already well stocked dairy farm of Clyde Reed, a former Forest county citizen. The herd came from near Nazans, N. Y., and consisted of 13 cows and a calf, and for beauty and sleekness their equal was never before seen in these parts. They cost Mr. Reed from \$60 to \$90 per head.

—Mabel Beatrice, the little daughter of the late William and Vernie Walters, died at the home of her mother in Muncie, Ind., Aug. 21, 1912, aged 7 years, 2 months and 14 days. The cause of death was congestion of the brain, from which her illness was of brief duration. The child was born in Albany, Ind., the former home of the parents, where the father died about two and a half years ago. In the home a mother, two sisters, two brothers and two aunts are left to mourn the loss of a loved one, and these have the sympathy of numerous friends in Tionesta and vicinity, their native home.

—George Lewis, one of Oil City's most prominent and popular citizens, died by his own hands Sunday about the hour of midnight. Having retired in his usual good health and spirits he left his bed and went to the bathroom where he shot himself through the temple with a 32-calibre revolver, the bullet passing through the head, causing instant death. There is no known cause for the act, and physicians ascribe it to a sudden fit of insanity. Mr. Lewis, who was a vice president of the Oil City Trust company, has always been the highest esteem of his fellow citizens, among whom he had spent the greater portion of his busy and active life. He was aged 69 years, and is survived by his wife.

—In a personal letter to a lady friend in Tionesta, Mrs. Birdena Walker, of Athens, Bradford county, Pa., states that her brother, Elbert W. Chadwick, died on the 28th of last June at her home. She gave no particulars except to say he suffered greatly from brain fever. The deceased was aged about 45 years, and left Tionesta, where he grew to manhood, about seven years ago. The last that any one here had heard of him he was working at his trade as printer on a daily paper at Towanda, Pa. Mrs. Walker also referred in her letter to a serious misfortune which occurred in her family some time ago, when their oldest son was caught under the wheels of a railroad train near their home and meeting with the loss of both legs.

—Speaking of the juvenile fair held in Oregon City, Oregon, recently, the Morning Enterprise of that city says: "Among the exhibits that were notable and attracted no little attention was the automobile made by Alan Sheeman, who was the youngest of mechanical ingenuity, and his work showed unusual ingenuity in the motor wagon with detachable body, and with an electric lamp, by which may be seen a push button connecting a small light with the battery. Young Sheeman has a future before him in this line. He was awarded first prize for one of the mechanical pieces. He is a member of the Concord school, and is an unusual bright lad. He is the son of Mr. and Mrs. W. A. Sheeman, formerly of Oregon City."

—Mrs. Harry, wife of Thomas P. Harry, died at the family home West Hickory, Monday morning, Sept. 9, 1912, at 2:10 o'clock, after an illness of several months' duration of cancer of the breast. She was in the 65th year of her age, being born June 3, 1848. At Lake City, Florida, Sept. 12, 1885, at the close of the civil war in which her husband had borne an honorable record, she was united in marriage with Mr. Harry, and shortly thereafter they came north and for the past 20 years have been residents of West Hickory. Ten children were born to them, only one of whom, a daughter aged 17 years, survives to comfort the aged father. Funeral services were held yesterday morning at 10 o'clock with interment in the East Hickory cemetery, Rev. W. W. Dale pastor of the M. E. church, of which the deceased had long been a devout and consistent member, conducted the services.

Shocked by News of Father's Death.
Mrs. Charles A. Lanson of this place was shocked last week by the receipt of a telegram stating that her father had died at a sanatorium in Los Angeles, California. The message was the first intimation that she had that her father was enjoying anything but good health, although he seems to have been at the sanatorium for fully four weeks prior to his demise. A letter from a physician followed the telegram giving additional particulars, but failed to state the cause of his death.

Frederick K. Wagner was born in Cincinnati, Ohio, Dec. 27, 1840, and died in Los Angeles, California, Sept. 3, 1912. When still a young man and not long after the civil war, he was united in marriage with Miss Rosa Shippe, of Buffalo, N. Y., whose sudden death occurred at Tulara, Cal., Dec. 24, 1910, where he had previously resided for 27 years. Mr. Wagner enlisted as a private in the 24th New York Cavalry at Buffalo at the breaking out of the civil war and gave three and a half years of honorable service to his country. His regiment was engaged in many hard-fought battles including the three days' bloody engagement at Gettysburg, in all of which the subject of this sketch was with his comrades in the thick of battle. Mr. Wagner is survived by two children, Frank Wagner of San Jacinto, Cal., and Mrs. Charles A. Lanson of Tionesta, and one sister residing at Newport, Ky. His remains were taken to Tulara, Cal., and laid to rest beside those of his wife. A little more than a year ago, during July and August, Mr. Wagner visited his daughter here, remaining six weeks, during which time he formed many pleasant acquaintanceships among our people, all of whom sympathize deeply with Mrs. Lanson in the loss of a fond and loving parent.

Auto Went Over Bank.

Friday forenoon about half past eleven o'clock while Call Swoop and Richard Rumberger, two Dubois traveling men, were making a trip by auto, a Ford runabout, along Tionesta creek, they met with a rather serious accident not far from Mayburg.

They were running at a good rate of speed and in some unaccountable manner got too near the edge of the bank and the machine and the occupants went down over the embankment a distance of about 20 feet. Mr. Swoop was caught under the car and received a bad fracture of the right leg between the knee and ankle, while Mr. Rumberger was more fortunate, escaping with a few slight bruises on the body and an injured shoulder.

Swoop was quickly taken from under the machine and given first medical aid, and then driven a distance of 20 miles to Sheffield where he was put on a train and from that transferred at Kane for his home at Dubois at 4:30. He is a son-in-law of Rev. J. Bell Neff, who is one of the prominent ministers of the Erie conference. His injury is quite a serious one, and will doubtless lay him up for several weeks.
