## Going After The Water Snakes.

Attorney T. F. Ritchey, who has considerable experience in killing "water snakes," represented this community at by Mr. Butterfield and usually paid by another hearing on snake legislation at the month, and he took pride in telling Fleming has been estranged from his Harrisburg last week, accompanying ex-Congressman Speer, who represented the freight bills for which he had assumed Oil City Chamber of Commerce, one of the most wide awake organizations in the \$2.00. He considered this record a re-State. The Derrick has this to say of the markable one and a credit both to himmatter in question: Representatives of the Chamber of Commerce of Oil City took a most important part in the hearing given by the Appropriation Committee of in June, 1843, and he would have been the House of Representatives in Harris- 70 years of age had he lived another other two. burg on Wednesday. ## Health a Factor in Success.

The largest factor contributing to a man's success is undoubtedly health. It has been observed that a man is seldom sick when his bowels are regular-he is never well when they are constipated. For constipation you will find nothing quite so good as Chamberlain's Tablets. They not only move the bowels but improve the appetite and strengthen the digestion. They are sold by all druggists.
