Moving Pictures For Tionesta.

The "Pastime Theatre" at Tionesta, Pa., will be opened September 1st, 1913—"Labor Day." A 5-Reel, 5-Feature will be shown. You will not have to go out of town for your entertainment—try the "Pastime." The management will use first class pictures, three nights a week (Tuesday, Thursday and Saturday, Matinee Saturday), and it is the desire of the management to give a first class show, and to have every comfort for its patrons. Don't forget the date, September 1st, 1913. Watch the papers. Adv.-2 F. B. HAMILTON, Mgr.

Porkey.

The great and only wild west show at Sheffield on Monday almost completely depopulated the Tionesta valley, which shows the kind of literature most of the people were reading in their youth, and no doubt they expected to see "Dick Merriwell" and "Deadshot Dick" in the lineup of the actors in this wonderful panorama of living heroes who take part in the most wonderful show on earth. We were short of the necessary price or we would have gone to see our hero, "Hatchet Faced Joe, the Indian slayer," who we could recognize by his wonderful laugh. The railway officials no doubt have to prepare a train with much seating capacity to carry the bunch. We see in the distance at this writing some rain conditions that are ever present on circus day.

The new residence of Geo. Blum is nearly completed and in a few days the family will be able to move in and be reunited, as now part of the children are at Tionesta with relatives and part are here. Mr. and Mrs. Blum were at Sheffield on Thursday last to purchase some necessary materials for the final touches to their new residence.

Miss Della and Dorothy Bloss of Sheffield have been visiting at the Rupert home for two weeks and will return to Sheffield the first of the week. Miss Ruby Height of Sheffield was a visitor at the same place on Thursday last and went to Mayburg on Friday evening.

Norman McChesney, pumper on Lot 4821, Cook Lane, has accepted a position at Hailton, Elk county, and will move his family there in the near future. We are sorry to lose our neighbor but it is necessary to go where the money comes the fastest, as the more the money the more the eats. It is pretty hard to get a decent living at the price of grub these days.

Mrs. D. W. Downey is the guest of her mother at Pleasantville for a few days and was able to take in the camp meeting that was going on at that place last week. F. C. Proper is drilling a new well between the railroad and the creek below the old dam at Minister, and we predict a fair small well.

We are pleased to note that the Minister Sunday school numbered 51 on Sunday last, and presented a fine picture with so many children in the church. The adult attendance was small as it always is, but we hope the children will continue to come and we will do the best we can. After the Sunday school Rev. Spring gave us an interesting sermon.

Halsey.

Will Hodgkins and Frank Bundy are home from a two weeks' vacation trip through Ohio, Michigan and points in Canada, by auto. Mrs. Wood and Mrs. Mayo were shopping in Wilcox Thursday. Mrs. Reed was called to Hazelhurst Friday by the illness of her sister, Mrs. McMorris.

Misses Helen Kane and Nellie Wood are visiting friends in Ormsby this week. Mrs. Hotel and daughter Dessie were shopping in Mt. Jewett Thursday. Mrs. S. Eshelman and daughter Florence visited Miss Mae Eshelman, who is a patient in the Kane hospital, Wednesday.

Miss Lillian Tillinger of New York City is the guest of her sister, Mrs. Grosschupp. Will Dillon left Saturday to spend his vacation with friends in Warren. Misses Ethel and Edna Bundy are visiting in Ridgway.

A. L. Bundy started on his vacation Friday. The Halsey band entertained a large crowd Sunday morning. The music was delightful and the band showed marked improvement. Mrs. A. L. Bundy and Miss Grace Dillon were shopping in Wilcox Wednesday.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for a case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75. Hall's Family Pills are the best.

Good Reason for His Enthusiasm. When a man has suffered for several days with colic, diarrhoea or other form of bowel complaint and is then cured and well by one or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as is often the case, it is not natural that he should be enthusiastic in his praise of the remedy, and especially in this case of a severe attack when life is threatened. Try it when in need of such a remedy. It never fails. Sold by all druggists. Adv.
