

1913 AUGUST 1913

Calendar grid for August 1913 showing days of the week and dates.

The escape of Harry Thaw from the Matteawan madhouse is either calamitous or fortunate, just as you choose to look upon the matter.

UNDER the law requiring resident hunters to secure a license the owner of land or the lessee of land who resides upon and cultivates that land may hunt for game upon such land without the license, and by securing permission of the owner of lands adjoining his and connected therewith may hunt upon such lands without the license.

Harry Thaw Caught.

Harry K. Thaw was captured in Canada yesterday just over the international border at the small town of St. Hermeville-de-Garford, within a few miles of the New Hampshire line.

"I AM A REPUBLICAN."

The following from the Punxsatowney Spirit is so applicable to the situation in this county that we give the article in full and ask that it be carefully read and pondered by all:

Now is the time for every Republican of stammering to show his colors by registering his party preference. If the candidates and leaders, or any of them, in the Republican party, do not suit you, it is your duty as a good citizen to get into the ranks and vote and fight for such men as you approve.

The Washington, or Progressive party, has now served its purpose, and there is no longer any legitimate reason why you should aid in the election of Democrats to office. If this be the purpose, you are pursuing the right course in sticking to the Washington party. But we do not believe it is. We are convinced that the vast majority of those who voted for Roosevelt last fall are staunch Republicans at heart, who saw things in a different light from us, and who are now ready to return to the Republican fold and help make that party what it has been, and ought always to be, the embodiment of the highest morality, intelligence and patriotism of the nation.

The New Game Law.

The law relating to the killing of game of all sorts as passed by the last legislature is as follows. Cut it out and paste in your hunting bag:

Bear, unlimited, Oct. 1 to Jan. 1. Use of steel traps forbidden; deer, male with horns two inches above the hair, one each season, Nov. 10 to Nov. 25, both days inclusive; elk, absolutely protected until November, 1921; pheasant, mongolian, Chinese and ringneck, 10 in one day, 20 in one week, and 50 in one season, Oct. 15 to Nov. 30, both days inclusive; hare or rabbit, 10 in one day, Nov. 1 to Dec. 31, both days inclusive; Hungarian quail, five in one day, 20 in one week, and 50 in one season, Oct. 15 to Nov. 30, both days inclusive; plover, upland or grass, unlimited, July 15 to Jan. 1. After Oct. 1, 1913, under National law these birds may not be legally killed before September, 1918; quail, commonly called Virginia partridge, 10 in one day, 40 in one week, and 75 in one season, Nov. 1 to Dec. 14, both days inclusive. Not to be bought or sold, no difference where killed; raccoon, unlimited, Sept. 1 to Jan. 1; ruffed grouse commonly called pheasant, five in one day, 20 in one week, and 50 in one season, Oct. 15 to Nov. 30, both days inclusive. Not to be bought or sold, no difference where killed; shore birds, unlimited, Sept. 1 to Dec. 16; snipe, Jack or Wilson, unlimited, Sept. 1 to Dec. 16; squirrels, fox, gray or black, six of the combined kinds in one day, Oct. 15 to Nov. 30, both days inclusive; web-footed wild water fowl, unlimited, Sept. 1 to Dec. 16. Not to be sold between Jan. 1 and Sept. 1; wild turkeys, closed season for two years; woodcock, 10 in one day, 20 in one week and 50 in one season, Oct. 15 to Nov. 30, both days inclusive. Not to be bought or sold, no difference where killed.

Good Reason for His Enthusiasm.

When a man has suffered for several days with colic, diarrhoea or other form of bowel complaint and is then cured sound and well by one or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as is often the case, it is but natural that he should be enthusiastic in his praise of the remedy, and especially in this case of a severe attack when life is threatened. Try it when in need of such a remedy. It never fails. Sold by all druggists.

WEST HICKORY DRUGGIST DESERVES PRAISE

The West Hickory Drug Store deserves praise from West Hickory people for introducing there the simple buckhorn bark and glycerine mixture, known as Adler's-ka. This simple German remedy first became famous by curing appendicitis and it has now been discovered that JUST A SINGLE DOSE relieves sour stomach, gas on the stomach and constipation INSTANTLY. It's quick action is a big surprise to people.

How the Trouble Starts.

Constipation is the cause of many ailments and disorders that make life miserable. Take Chamberlain's Tablets, keep your bowels regular and you will avoid these diseases. For sale by all druggists.

Porkey.

There is a great lot of complaints in regard to the condition of the state road that follows the creek to Sheffield. This road was a fine route when the township had charge and it seems bad to see things go to ruin so soon. There is a great amount of loose stones which are a menace to the safety of the motorists that travel this way but they don't seem to realize it as they are all speed crazy and sooner or later will meet with a bad accident and we natives will be forced to see their mangled remains or assist in picking up the remains of some poor unfortunate who trusted their life on the hands of the driver. There are stones sticking out of the road in several places that make it rough riding for rig or car. Near Blue Jay there is a fish pond between the tracks and only a narrow pass for bicycles in the centre. These are not imaginary things but will be verified by any citizen or those using the road who will not let a girl presents a very ladylike appearance while riding on a motorcycle behind a fellow's back astride the machine. We disapprove of this practice as it is not only unlady-like but is a menace to the lady's health. Ask your physician if you do not believe me.

The choir met at Minister's on Wednesday evening and practiced singing for an hour which is a good thing for the Sunday services at the church and will be helpful to the young people who wish to learn to sing. This was the second meeting of this kind held at this place.

There was a fine dance given at Fool's Creek on Saturday evening, which was better attended than the church service on Sunday at Minister church. This shows what is the most interesting thing around this part of the country. Some of our young people attended the dance and kept a good time with refreshments to report the dancing strength up.

At preaching service at Minister on Sunday morning there were only five present for the congregation, but the sermon was all right and some of the people do not know what they missed by being absent. The service at Porkey on Saturday night was well attended and very interesting. This service will be continued every two weeks until school begins and if permission can be obtained from the authorities we will keep it going all winter.

Misses Lottie and Bessie Littlefield attended the dance at Russell City Friday evening, going with Percy Jordan, and report a very good time.

Last week our friend L. R. Brennan purchased a piano and it comes up with the other piano in the neighborhood. We find no fault in it and rejoice with the family, as a home without music is dead. No one of the family plays but the possibilities are that they will soon have a player, as the boy has talent that is yet undeveloped.

Some of our people are going to attend the "Watson Boys' re-union at Marienville next Thursday, no preventing Providence. This is an ideal place to have a good time and especially on an occasion of this kind.

Wm. B. Card of Grand Valley was over with his new car on Sunday to make the E. T. Downey family a visit; also Mr. Hull of the same place, and the party in the two cars were Mr. and Mrs. Card, Mr. and Mrs. Hull, Mr. and Mrs. Louis Card and child, Harry Card and lady, and Chas. Eastwood. Miss Ruth Card, who was here on Friday, returned with the party, and Chas. Eastwood remained to visit his sister, Mrs. E. T. Downey.

Mrs. J. W. Littlefield is the guest of F. A. Littlefield at Watson Farm for a few days, leaving the girls to cook for their father.

Robert Blum is the guest of friends in the village and looking after his interests. The Geo. Blum family are now in their new home on Main Street, and it is a nicely arranged place and will be as good as we have in town.

Quite a Difference.

When the Baroness Burdett-Coutts was Miss Coutts, the great heiress, it was rumored that she was to wed the Duke of Wellington. A friend asked the duke if the rumor was true, and the duke answered irritably: "I said Miss Angela Coutts deserved to be a duchess. I never said that I would make her one."

His Only Subject.

Mr. van Vorst in a recent book tells a story of a dinner at Chicago given by the ambitious wife of a millionaire tanner. The lady noticed, to her annoyance, that her husband did not speak a word to their smart guests, and when she got an opportunity she whispered angrily, "Why don't you talk?" "What's the rood?" replied the tanner contentedly. "There ain't one of 'em as knows a thing about leather."

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Sold by Druggists, 75c per bottle. Hall's Family Pills are the best.

Jennie Rhoades and little daughter of Miller's Camp, and the former's brother, James Bennett, were calling on friends at this place Monday and Tuesday.

J. R. Anthony of Sigel passed through this place Friday with a load of J. C. Bennett's household goods, from Millstone to Tionesta.

Charles Carrington of Clarendon called on friends at this place, Thursday. Mr. and Mrs. James Slocum arrived home Monday from near Tionesta, where they attended the funeral of the latter's sister, Mrs. A. W. Mong.

Lawrence Slocum called on friends Sunday. The dance at Curt Ions' Saturday night was well attended.

E. G. McCurdy bought a fine driving outfit. It is a beauty. James Slocum was home over Sunday.

An Odd Business.

"Insurance people are queer" "How so?" "First they convince you that you may die within a week to get you to apply for a policy; then they must convince themselves that you'll live for years and years before they'll issue it."

Costly Treatment. "I was troubled with constipation and indigestion and spent hundreds of dollars for medicine and treatment," writes C. H. Hines, of Whitlow, Ark. "I went to a St. Louis hospital, also to a hospital in New Orleans, but no cure was effected. On returning home I began taking Chamberlain's Tablets, and worked right along. I used them for some time and am now all right." Sold by all druggists.
