 —Appointments for fourth class postmasters in Clarion county have been made as follows: Arthur, Elizabeth Bains; Bela Robert E. Murphy; Kossuth, Martin L. Weaver; Fern, William S. Master; Showers, George J. Howe; Strubleton, Solomon H. Frank.

—George Holeman is moving his drilling rig to the McIntyre farm, in Harmony township, where he has contracted to drill at least two wells for a Meadville company. This territory is not far from the Fogle Farm field which has been one of the best paying fields in this county for many years, and the operators have under lease a piece of territory which should open up well for them.
 —Earl Albaugh, of Albaugh Hill, was taken to the Oil City hospital Thursday for treatment for injuries received the Monday previous while employed on D. J. Cropp's saw mill just below Nebraska. He was working on the gang edger when a board was thrown over the saw, striking him in the right side. It is thought two of his ribs were fractured and he did not improve as he should.

—G. W. Robinson & Son have their new electric light plant in operation and are lighting their large store building from cellar to garret with the fluid. The appearance of things inside is greatly enhanced by the brilliant incandescent lamps, while the outside illumination is quite attractive. A 4 horse power gas engine installed in the rear of the building runs the dynamo and the electricity is taken from a direct current.
 —Halloween was fully celebrated Friday night in the borough in the usual manner. The masqueraders were numerous and the costumes varied enough to suit the most particular fancy. The band was out and helped greatly to enliven the occasion. A masquerade party was held in Boyd's hall which was quite well attended. A number kept "open houses" for the evening, and those who didn't had their homes invaded anyway by the jolly crossers, and as a whole the town had a "bully good time."

—Miller C. A. Lanson is making some noticeable good improvements about his residence and grist mill properties. The alley at the side and rear is being paved with concrete and when the job is completed Charles will have his feet out of the mud. Contractor Frank P. Anslar has charge of the work.
 —The Jarvis brothers, William, Walter and Samuel, of Pittsburgh, who are spending a few days at Fred Weingard's, on German Hill, had the happy experience of playing a 200-pound bear yesterday, out in what is known as the "Poseyfield," Hickory township. They were hunting small game, but it seems they were loaded for bear, also, and when Bruin crossed their tracks they killed him before the "back fever" came on. Well, well, if there isn't a happy bunch when they log that big black fellow into town, believe us.
 —Thomas E. Halyday, for many years a traveling salesman for Levi Bros. of Buffalo, a position he retained up to the last, died at his home at Youngville, Pa., Oct. 29, 1913. He was born in Oil City, May 26, 1833. He had been on the road for more than forty years, for a long time traveling through this section where he is remembered by many old friends. For a number of years Mr. Halyday was employed at Braceville, Hickory twp., when Alfred Short lumbered there. He is survived by his wife. The funeral was held from his late home in Youngville last Friday.
 —Extension work on the Sheffield & Tionesta railroad has progressed quite well in the past few weeks, the track having reached as far as the creek bridge, and before the week is out it is expected to have rails laid to the Lawrence swinging bridge which is the end of the grading. From this point considerable filling will be necessary and it is the intention to do this work by train, bringing the filling material from points above. Whether a regular train schedule will be inaugurated from this place through to Sheffield this winter is not stated, but no doubt there will be.
 —The apple crop of northwestern Pennsylvania, outside of the Lake Erie belt, is estimated by experts at one-tenth the yield of last year. This includes the counties of Crawford, Venango, Mercer, Lawrence, Clarion, Warren and Forest. Mercer is given the credit of being the best apple county of those mentioned. In Forest county the failure of the apple crop is so nearly total as to be scarcely worth considering. A few of the orchards, and these only in spots, have a few trees of the northern spy variety that yielded about a tenth crop, and these were not up to standard as to quality.

HELD ON CHARGE OF MURDER.
 Joseph Black and Jerome Weaver Have Quarrel Which Ends Fatally To The Latter
 Saturday evening about 7 o'clock a fatal quarrel took place at the barn on the farm of Nicholas N. Hoover, a mile and a half north of Tylersburg, Clarion county, between Joseph Black and Jerome Weaver, the latter dying three hours afterwards from injuries inflicted by the former.
 It seems that Black was at the barn doing the evening chores when Weaver accosted him and used abusive language. In the quarrel that ensued Black struck Weaver on the head with a pitchfork handle several blows. The only witness to the fighting was a young son of Weaver, aged 10 or 12 years, who ran for assistance as soon as the quarrel started, but before aid could be summoned the deed was committed. Weaver expired from the effects of his injuries about ten o'clock that evening, without regaining consciousness.
 Weaver, who was aged about 50 years, lived with his family on the farm occupying the house as a residence, and Black, who is aged about 55 years, and has his home at Marienville, drove Mr. Hoover's team and boarded at Weaver's while at work about the place. Both are large men and had quarreled before, but neither was known to be quarrelsome when sober, and Black is not known as a drinking man. Both have families of children some of whom are grown to manhood and womanhood, all of whom are highly esteemed in the communities in which they were reared. Weaver was well known as the former proprietor of the Maple Shade hotel at Tylersburg in which community he was born and had been a lifelong resident. Besides his wife, who was Miss Hartle before her marriage, he is survived by eight children. He was the son of Mr. and Mrs. Sebastian Weaver, who are residents near Fryburg where the deceased was born.
 The funeral was held yesterday at 10 o'clock at the Crown R. C. church, the interment taking place in the cemetery connected with the church.
 Black surrendered himself to the authorities Sunday morning and was given a hearing before Justice of the Peace F. E. King, of Tylersburg. He was committed to the Clarion county jail without bail to await trial on the charge of murder.
 On Sunday Justice of the Peace, F. E. King, acting in the absence of the Coroner, impaneled a jury composed of the following citizens: Frank Sigworth, Frank Sharrow, W. G. Rogers, U. S. Little and Peter Young. Considerable testimony was adduced at the inquest, at the conclusion of which the jury rendered its verdict to the effect that Weaver came to his death by the hand of Joseph Black, but exonerating Black because the killing was done in self defense.
 A post mortem was to have been held on the body of Weaver yesterday morning but had to be postponed on account of the inability of a Clarion physician to be present. The body was held after the funeral services for this purpose, and the examination by the physicians will probably be made today.

Tragic Death of J. N. Sandrock.
 Justus N. Sandrock, a resident for many years of Marienville, and well known throughout this and Clarion counties as a dealer in livestock and a huckster, lost his life in an accident while driving home last Wednesday evening. He was driving toward Marienville with a load of young pigs and when he had reached what is known as Hatcher's hill, two miles out from Tylersburg, the tongue of his wagon broke while descending the hill, and it is supposed this accident threw the occupant forward to the ground. When discovered, about 5:30 p. m., by Dr. J. M. Hess, who happened along about that time, Mr. Sandrock was lying lifeless on the ground with one of the wagon wheels resting against his neck, the team having evidently stopped when the accident happened and had not moved. The body was taken back to Tylersburg and placed in charge of Undertaker Gillilan, where it was found that his neck had been broken causing instant death, and an inquest was deemed unnecessary.
 The members of his family, who reside in Oil City, were at once notified and on the following day the remains were conveyed to that place for burial. He is survived by his wife and the following children: Mrs. F. A. Ludwig of Titusville, Mrs. A. F. Berlin of Brookston, Pa., Mrs. Harry Jamieson of Tionesta, Mrs. Edward Mohny, and Norman, Floyd and Dorothea of Oil City. Four brothers also reside in Oil City, John, Martin, Einhard and W. H. Sandrock.
 The deceased was born near Lineville, Clarion county, 62 years ago, and had spent his entire life in that section and Marienville, where he was respected for his industry and thorough honesty. His tragic death was a shock to the community in which he was so well known. Mrs. Sandrock, a most estimable lady, who resided in Tionesta and conducted a millinery establishment here for five or six years, removed to Oil City with her children about two months ago.
 Funeral services in memory of the deceased were held at the home of his daughter, Mrs. Edward Mohny, Oil City, Saturday morning, Rev. W. S. Mitchell, pastor of Grace M. E. church, officiating. The interment was in Grove Hill cemetery.

Declare War on Colds.
 A crusade of education which aims "that common colds may become uncommon within the next generation" has been begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:
 "Don't sit in a draughty car."
 "Don't sleep in hot rooms."
 "Don't avoid the fresh air."
 "Don't stuff yourself at meal time. Overeating reduces your resistance."
 To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by all druggists. adv.

Kellestville.
 Mr. and Mrs. Jacob Daubenspeck and Mrs. Mrs. Roland Daubenspeck, of Butler, attended the funeral of Mrs. John Daubenspeck, Tuesday, and spent the week with E. E. Daubenspeck's family and other relatives in town.
 Jennie Johnson has been on the sick list for the past week suffering from a severe cold.
 Mr. and Mrs. Oscar Johnson of Sheffield, and Mr. and Mrs. H. E. Murphy of Ridgway, attended a family birthday party for G. E. Johnson and Viola Cunningham on Monday, Murphys remaining over until Wednesday.
 The following notice was taken from an Ohio paper: "Mr. L. J. Catlin of Jefferson has been appointed superintendent of the N. E. O. Gas Company in place of A. A. Crawford. Mr. Catlin's territory will include Jefferson, Conneaut, Geneva and the Clarion line. The many friends of Mr. Catlin are glad to know of his merited promotion." Mr. Catlin is one of our Kellestville boys, being the son of Mrs. Mary Tobey, and his many friends in Kellestville will join with the Jefferson people in being glad to know of his promotion.
 Prof. C. T. Herrington spent Sunday with friends in Nebraska.
 A. C. Shannon is moving from the Tannery boarding house to Pine Camp to keep boards for Wheeler.
 There is considerable speculation about who upset the shoe shop the night of Halloween, but we are inclined to think it took an overdose of "mum's tell." That's the way it acted on the boys, anyway.
 Mrs. Edward DeWoody of Nebraska was in town Saturday calling on friends. She was on her way to Kane, but a wreck on the railroad made it impossible to get through, so she spent the day in Kellestville.
 W. A. Kinch's family autoed to Clarion county Sunday afternoon. E. E. Daubenspeck's family also autoed to Tylersburg.
 Wm. Watson went to Warren Friday to secure lights for the Halloween parade. Kellestville was a lively place on the night of Halloween. The parade and supper given by the W. C. T. U. was a decided success in every way. There was a larger crowd of maskers than last year and the garbs were so cunningly devised that it was utterly impossible to find out who was hidden beneath. Alta Jensen received the prize for the most handsome costume, and H. B. Dotterer was awarded the booby prize. Considerable mystery surrounds a certain bride and groom who mingled freely with the crowd, both in the march and in the hall, but as it neared time for the unmasking they disappeared and it is not known who they were or whether they returned to the hall or not. The supper netted about \$33 and more could have been sold if the establish had not run out. A scarcity of eggs and pumpkin made it a little difficult to obtain the desired amount of pies. The young people did not derive enough fun from these pleasures. There were taffy pullings and parties at different places; the juniors and seniors had a party in Robbins hall, and after all these enjoyments they spent the time ringing the school bell, soaping windows and placing wagons and other implements on the store porches. Nothing malicious was reported and it is believed that all the fun was innocent hilarity.
 Mrs. M. Andrews is having a new roof put on the hall building.
 John Watson's are building a new barn on their lot.
 The Kellestville Water Co. has been having quite a time locating leaks in the line. On Saturday forenoon the entire supply of water was shut off to fix a leak, so the ladies had a good excuse not to scrub or clean.
 Rev. Henry Smaalenberger is holding revival meetings on Whig Hill this week.

Mayburg.
 The weather is considerably cold yet. Snow a few days ago tells us that winter is nigh.
 Mr. and Mrs. A. L. VanMarter are rejoicing over the new daughter which arrived at their home Wednesday evening, Oct. 29, 1913.

 Tressa Hendrickson attended the W. C. T. U. supper at Kellestville, Friday evening, returning to her home Saturday morning.
 The masquerade Halloween party which was held at E. L. Campbell's residence was well attended by all, and all report a good time, Andrew Snyder being the only one to receive a prize for not being recognized by the other masqueraders.
 Misses Lottie and Wilda Deshner have been on the sick list with tonsillitis and gripe for the past week. The former is able to be up, while the latter seems to be in a very serious condition.

 Miss Belle Kline is on the sick list with tonsillitis and gripe.
