Rebels Beaten Back. Beaten in their attack on Tampico the Constitutionalists have moved back some distance from the city.

That the rebel loss was great is also emphasized in these advices, which add that buzzards floated over the battlefield in numbers so great as to present the appearance of low-lying black clouds.

According to the federal report 800 rebels were killed before they could get out of range and this would mean many other hundreds wounded and probably left behind.

KNOW SENDER OF DEATH MACHINE

Italian Suspected of Horrible Tragedy in New York CITY SCoured BY THE POLICE

Infernal Machine Kills Office Girl When She Is Opening Package. Her Body Is Almost Unrecognizable. Commissioner Dougherty of the New York police department expects to have in custody within a few hours an Italian who is suspected of sending the death dealing infernal machine to Miss Anna Anusewitz.

With no motive even conjecturable, with the usual clues lost in the wreck of the office, the police had one definite lead and one only—that the infernal machine was contained in a package delivered by a driver for an express company.

Miss Anusewitz, not long graduated from high school, devoted to her first employment, interested in the word of the Educational alliance, fond of music and of thoughtful literature, a teacher in the neighborhood of her home, was not the sort of girl with a past that could react so violently.

The police believe that the infernal machine or bomb—there weren't enough fragments left to determine precisely what sort of murderous ma-
