Die geeignete Auswahl von Brillen.

Es sind mehr Augen durch unrichtiges Anpassen von Gläsern als durch sonst etwas ruiniert worden. Hat das Auge mangelhafte Refraction, so muß das Bild aller Gegenstände nach einem Focus auf der Netzhaut durch außerordentliche Thätigkeit des musculus ciliaris gebracht, aber das Bild unvollkommen sein und das Resultat verdunkeltes Sehen mit Schwäche und Schmerz um Augen und Stirn. Dies verursacht Congestionen, welche sich durch schwere Augenlider, Rötze, Jucken oder Brennen, ein Gefühl, als sei Schmutz im Auge, and häufigen Schmerz, verbunden mit Empfindlichkeit gegen Licht zeigen. In schwächeren Fällen, deßo häufiger obige Symptome, Augen mögen vöyflid stark und gleichwohl fehschwach sein und umgekehrt.

Um durch Gebrauch einer Brille die Mängel aufzuheben, wird die Thätigkeit der Muskeln geändert, und wenn der Schaden vorüber oder durch zu stark oder zu schwache Gläser nicht aufgehoben ist, so sind die Ursachen der Congestion eher vermehrt statt vermindert. Besteht gemischte Refraction, muß irgend ein Danielsglas den Schaden vermehren. Jeder Schwachsichtige sollte sich sorgfältig wissenschaftlich unteruchen und Brillen anpassen lassen, ehe er sie in Gebrauch nimmt.

In befondern Fällen werden Gläser auf Bestellung geschliffen, in jedem Falle garantiert.

## Little New Locals Pertaining to The New Store As It Is At Present.

We expect this week to see the carpenters through their part of the work and the painters take charge. The boys' and children's department is now on the second floor, completely stocked, and ready for business. On account of the elevator not being ready we are using the rear double stairs.

T. We desire to thank our "up the river" friends for their patience and kindly expressions of appreciation. We apologize most heartily to our neighbors and the public generally for the inconvenience we caused through blocked streets, dust, dirt, smoke, etc.

A. The office is now as near perfect as it is possible to get it. Come in and see us work, sometime. It is the intention to have Wilton rugs on the floor of the children's department and plenty of chairs for the comfort of our lady and children patrons.

P. We especially invite the mill men, shop men and railroaders to see how near to perfection is our working goods department. We can, without walking five feet, sell overalls, jean pants, working shirts, working gloves; it is the most practical working goods department we ever heard of. We are never too busy to "swap" fish or baseball stories with any one. But don't come to us with news about your neighbor unless it's good news. Then you'll find us willing hearers.

Seems like real prosperity to grow from a 1-floor store into a 3-floor store all inside of a few years. It seems, from our viewpoint, that the people have treated us kindly and we shall endeavor to continue to merit public good will. Honestly, we would rather close up and quit than to feel we were playing public confidence against "mercenary motives" and giving "Public Confidence" the worst of it. Ladies and gentlemen, we will always play fair.

## Our Clearance Sale of Spring Suits Started Monday Morning.

Started a month earlier because our stock sheet for the first day of June shows that we have far more suits on hand than we should have at this season. But we'll put prices on that will quickly clear suit cabinets in this Second Floor Garment Section.

The rules of the sale are as follows: No suits sent on approval. No suits laid aside or on "will call." A moderate charge will be made for all alterations when needed.

We shall devote a good portion of this week to the sale of these suits. But there's great advantage in early selection. There are no reserves except 12 more silk suits which came in within the last 10 days. The prices are as follows:

### ROOSTER DAY INDORSED

Pennsylvania Farmers Adopt Resolution at Convention.

At the farmers' annual normal institute at Stroudsburg, Pa., a resolution offered by W. Theodore Whitman of Mt. Gretna, Pa., was unanimously adopted providing that June 1 shall be observed hereafter throughout the state as "rooster day."

On the previous to that date it is decreed that every rooster in the state shall be killed, sold or penned up for the purpose of preventing the over fertility of eggs supplied to market. Pennsylvania is the first state in the east to inaugurate the custom.

Speech Betrays "Dumb" Man.

Thomas James, thirty-one years old, was sentenced to pay a fine of \$50 or serve ninety days in jail by Magistrate Borland in Pittsburgh. After showing a card indicating that the bearer was deaf and dumb, James politely thanked a woman when she purchased a pair of shoe strings.
