Popularity of "Rock of Ages."
When Toplady in 1776 wrote the "Rock of Ages" he could not have conceived that it would become so widely known or so popular among all shades of religious opinion. It was this hymn that Mr. Gladstone translated into three languages, and which the Prince Consort asked for when on his death-bed.

Right to Keep Pigs in London.
The freedom of the city of London carries with it, nominally, at any rate, the right to keep pigs in the parish of St. James, Piccadilly. But even were any one disposed to avail himself of this liberty, and if the sanitary authorities failed to object, land in that part of London is somewhat too costly for profitable pig farming.

Albatross Given to Museum.
A fine specimen of the wandering albatross, caught on the Pacific coast, has been presented to the national history department of Golden Gate Park Memorial museum by J. B. Williams of San Francisco. It stands five feet in height from back to tail, and the distance from tip to tip of its wings measures nine feet.

Not the Only Favored One.

Young Jamie's people were poor and not always solvent, wherefore the lad, while still very young, knew the meaning of debt. One day when Jamie had been sent to ask a patent tradesman for more supplies he was hurt and ashamed to see the man hesitate. "You needn't be afraid of sending the things because we owe you a little money," exclaimed the child, with indignation. "We owe plenty of people more than we owe you!"

Use of Cement Saved Bridges.

At Hamburg there are two bridges the masonry of which was threatening to fall in ruins, being traversed by innumerable cracks of varying size. A remarkable process has just been made use of to rejuvenate these bridges. A number of holes were bored throughout the structure so as to give access to the interior and cement was injected by pumps under pressure. Reports on the present condition of the two bridges are favorable.

Probably.

The man who complains that the world isn't giving him his due would probably be pained if it did.

COMING TO TIONESTA

Of Interest To Every Sick Person

Dr. Rhoads, of Pittsburgh, specialist in chronic diseases, will be at the Central Hotel, Tionesta, Tuesday, July 21, 1914, giving all who are sick an opportunity to consult this eminent specialist free of charge and get his advice and treatment right at your home. Dr. Rhoads has decided to visit this place by request of people living here who otherwise would not have the chance to consult him. I realize that a visit to Pittsburgh to see me would be a hardship to the sick, therefore, I come to you, believing that more good can be accomplished by seeing the largest number of sick. I ask therefore all who need the services of an expert specialist in chronic and long-standing diseases to call and see me, consult me free of charge, get my advice and if I find after examining you that I cannot cure you I will gladly tell you, and if your case is curable which in 90 per cent, with my new treatment get well, I will accept your case.

WHAT I CURE.

I cure rheumatism, no matter how long standing. I give you relief at once. My treatment removes the cause of it, purifies the blood, relieves the kidneys at once.

I cure kidney and bladder trouble. If you have kidney trouble, pain in back, urine highly colored, dark sediment, pain along spine, weak back and headaches, come to me and let me show you why I can give you a cure—does the urine burn you, pass it too frequently, pains in the bladder and prostate gland. I can relieve you at once and give you a permanent cure. This is especially the trouble with middle aged persons and if neglected, causes more distressing pains as you grow older. I cure this in a very short time.

TO SUFFER FROM STOMACH OR LIVER TROUBLES?

Have you pains after eating, does your food disagree with you, suffer from constipation and gases in the bowels? Then come and consult me. I will cure you in one month, complete restoration to health. My treatment is different from the old pills and nauseous medicines you have been taking. It cures.

SKIN AND BLOOD DISEASES.

If you have blood poison, which causes eruption, pimples, sore throat, eczema, and all rash and sores, no matter how long you have been sick, I can cure you of the disease, many cases with one treatment.

DISEASES OF WOMEN.

I positively cure all unnatural conditions that you may be suffering from. My home treatment has been used by thousands with benefits in every case. Come and let me advise you and a cure awaits you.

I cure lung trouble, nervous diseases, epilepsy, catarrh, piles, and all chronic and special diseases.

DISEASES OF MEN.

YOUNG MEN—I especially invite men who are sick, nervous, weak, despondent, loss of ambition, no desire for work or pleasure, I want you to call and get my special advice. I cure blood diseases, varicocele, weakness, losses and drains; stopped in ten days. Ulcers, loss of ambition, nervous debility, lack of energy and all special diseases of a private nature. Consult me confidentially, and I assure you of a permanent and lasting cure. No matter how long you have been sick or the nature of your disease.

REMEMBER.

I will make regular monthly visits to your town, and no matter what your disease is, I want you to come and consult me. I have treated only chronic diseases for 25 years, and if you are sick, you need the advice and care of a man who has had the proper training and experience to cure you.

Consultation Free, At the Central Hotel, Tionesta,
