—Just to show that he could do the  
trick our friend John Elder, of Endeavor  
made and sent us a little the nearest article  
in the fish spear line that we've seen  
in many a day. While the law allows  
only the spearing of suckers and other  
small varieties of fish, John's kindness is  
just as thoroughly appreciated and he is  
just as heartily thanked for this artistic  
little instrument as though the law on  
spearing were wide open.

—In a note remitting his subscription  
renewal our friend John W. Thompson, a  
former East Hickoryite, states that his  
city, Baltimore, just completed the celebra-  
tion of Star Spangled Banner week, it  
being 100 years since the British fleet  
attacked Fort M'Henry. There were two  
great parades each day. The city was  
beautifully decorated and entertained  
over a million people during the week.  
Admiral Fletcher's battle ship fleet was  
in the harbor and was visited by thou-  
sands.

—A public sale will be held at the  
Daniel Cresswell farm, mouth of Little  
Tionesta creek, Thursday, Sept. 21, at  
which time Mr. Cresswell will offer the  
farm for sale. Also a quantity of hay,  
straw and corn in the shock, wagons,  
sleds, harness, plows, cultivator, mow-  
ing machine, hay rake, and numerous  
other farm implements. A fine organ  
and many articles of household furniture  
and utensils will also be placed on sale.  
The hour for beginning will be 1:30 p. m.  
Usual terms. Don't forget the date and  
hour, adv.

—Mr. and Mrs. M. A. Cunningham of  
the Borough were called upon to mourn  
the death of their infant twin daughter,  
Mary Burnadette, which occurred on  
Wednesday last week. The child was  
born August 13, and had been delicate  
from birth. They had gone to the  
Catholic church where the ordinance of  
baptism had been administered to the  
twins, and while returning home the  
little one became suddenly ill and was  
taken to the home of Mr. and Mrs. W. H.  
Harrison, where it expired before a phy-  
sician could be summoned. The interment  
was made in St. Joseph's R. C.  
Cemetery in Oil City.

—A killing frost, the first damaging one  
of the season, fell Wednesday night last,  
when much of the corn and buckwheat  
crop throughout this section was seriously  
affected, especially was this the case  
with the late crops. In some instances  
both crops were sufficiently advanced as  
not to be seriously injured. The corn  
crop never looked more promising than  
this year, but the yield will be greatly  
curtailed on account of the freeze. Cold  
nights have prevailed all week, in fact  
there has been real freezing back from  
the streams where frogs do not protect but  
all the freezable crops were taken with  
the first, and subsequent frosts could do  
little more damage.

—Very general regret will be felt in  
this community when it is learned that  
Daniel Cresswell and family are prepar-  
ing to remove from here. Three or four  
years ago Mr. Cresswell bought the farm  
at the mouth of Little Tionesta creek and  
shortly thereafter brought his family on  
to occupy and improve the place. Dur-  
ing their residence in the community  
they have made a host of friends and  
their neighbors are loath to part with so  
excellent a family. They expect to make  
their future home at California, Pa.,  
which is not far from their former resi-  
dence. They will bear with them the  
best wishes of a large circle of friendships  
made in the few years they have spent in  
this community.

—Stephen D. Maza, a lifelong resident  
of Barnett township, this county, died on  
Thursday morning last at the Kane hospi-  
tal, while he had gone a couple of  
weeks prior to be treated for a complica-  
tion of diseases. His home was at Pad-  
cliffy whither the body was taken and  
where the funeral was held Saturday.  
Mr. Maza was one of the worthy citizens  
of his community and was highly es-  
teemed for his industry and sterling  
honesty and integrity. Although quite  
young when the Civil war broke out he  
enlisted as a private and made a good  
record as a soldier. He leaves, besides  
his wife and several grown children,  
many other relatives and a host of friends  
to mourn his death.

—The Tionesta ball team won a well  
played game at Kellestville last Wednes-  
day by a score of 5 to 4. Both Grove and  
Gayley pitched good ball for their re-  
spective teams. Tionesta took a big lead  
with three runs in the first inning and  
were never headed off, although Kellest-  
ville made a big effort in the ninth when  
they rallied and scored twice. Tionesta  
took Lucinda into camp in easy fashion  
last Saturday, after the visitors had  
started off like a whirlwind and scored  
all of their four runs in the first inning.  
Score, 9 to 4. The pitchers were Hepler  
and Nealand. The hottest game of the  
season is expected this afternoon when  
Endeavor will be here to play at 3:00  
o'clock. Tionesta having won the last  
argument 2-0 in ten innings, a good game  
will be seen. This will probably wind  
up the season, so turn out to the game  
and give the boys a big boost.

—Edward Dunkle received a letter yester-  
day from Mrs. Dunkle, who is visiting  
her father in Nubgo, Sweden. Mrs.  
Dunkle stated that she had no idea as to  
when she can sail for America, for owing  
to the mines in the North Sea it is so un-  
safe that King Gustav has given out the  
word that anyone leaving the country  
does so at his own risk. She said that  
just before writing the letter that she had  
heard that a ship carrying 300 passengers  
had struck a mine and been blown up.  
At the beginning of the war she stated  
that an average of 4,500 Russian refugees  
from Germany passed through Nubgo  
daily for several days. They were with-  
out shoes, coats, or hats and were half  
starved. The Swedish people en-  
deavored to feed them at first but realized  
shortly that this must be stopped in or-  
der to protect themselves as the crops in  
that country have been an entire failure  
this year. Flour is selling at 40 cents a  
pound which would mean about 11 cents  
in American money. Mrs. Dunkle ex-  
pected to return to Oil City about the last  
of August but her return now is very in-  
definite. Mail is being carried at about  
the normal schedule at the present time,  
the last letter received by Mr. Dunkle be-  
ing two weeks coming over. Previous  
to that letters ranged from 24 to 31 days  
from time of mailing until reaching Oil  
City.—Franklin Herald. Mr. and Mrs.  
Dunkle were both former Tionesta resi-  
dents.

—Peter S. Lindal of Tionesta enjoyed  
the annual reunion with his old comrades  
of the 9th N. Y. Cavalry, which event  
took place at Brocton, N. Y., Sept. 9th  
and 10th. Eighty of the members of the  
regiment were present and they were  
royally entertained for two full days by  
the citizens of Brocton. At the outbreak  
of the Civil war Mr. Lindal enlisted in  
this command at Westfield, N. Y., and  
served until honorably discharged at the  
close of the war. He states that twenty-  
seven of the comrades have answered the  
last roll call during the past year.

—At the parsonage of the First Baptist  
church, Warren, Pa., Sept. 12, 1914, at 9  
o'clock p. m., the pastor, Rev. H. I.  
Stewart, united in marriage Mr. John W.  
Daubenspeck, one of Kellestville's well  
known and popular citizens, and Mrs.  
Mary Gramlick, of Huey, Clarion county,  
highly esteemed in the community in  
which she has made her home for a num-  
ber of years. Mr. and Mrs. Daubenspeck  
passed through Tionesta Monday enroute  
to their home in Kellestville, where the  
bridgroom has a well furnished home  
for the reception of his bride. The Re-  
publican joins their many friends in ex-  
tending best wishes for a long life of  
prosperity and happiness.

—The "old boys" from this section who  
attended the 83d Regimental reunion at  
Corry last week, pronounce it a decided  
success, notwithstanding the rather light  
attendance, evidencing the rapid declina-  
tion of their ranks by old Father Time.  
The roll call showed representatives pres-  
ent from many sections, Warren, Titus-  
ville, Erie, Tionesta and other towns.  
Out of the whole number that had been  
members of the regiment but sixty-six  
are left, the records show. The distinc-  
tion of having fought in two more regular  
engagements than any other of the Po-  
tomsac army belongs to this gallant regi-  
ment, and but one, a Rhode Island regi-  
ment, claims to have lost more men in  
action than the 83d, and they claim that  
one more man. A fine dinner was served  
to the members at the State Armory, in  
which the reunion was held. Charles  
Himrod of Waterford was selected Presi-  
dent, O. S. Kliner of Erie, Vice President  
and Mr. L. D. Rockwell of Union City,  
Secretary and Treasurer. A committee  
was appointed to discuss and ascertain  
the feasibility of holding the reunion per-  
manently in Erie at the Soldiers home.

**Fatal Shooting Accident.**

Clayton Karn, aged 16 years, son of Mr.  
and Mrs. Peter Karn of Meadville, Pa.,  
recently well known residents of Tionesta,  
accidentally shot and killed himself  
shortly before noon Monday, the charge  
from a 22-calibre rifle which passed di-  
rectly through the left eye, taking effect  
in the brain. Death was instantaneous.  
Karn, who is a bell boy at the Lafayette  
hotel, accompanied by Burton Williams,  
rented a rifle from the P. B. Graham  
store that morning and about 10 o'clock  
left the city going in the direction of the  
Huidekoper barn in Vernon township.  
The boys went to the hill, about a mile  
back of the barn and after doing some  
shooting with the rifle Williams handed  
the rifle to Karn. Karn sat down on a  
log and began shooting at a target on the  
range. Suddenly a bird flew over-  
head and Karn quickly pointed his rifle  
into the air and as he pulled the trigger  
he fell backward, the charge entering the  
left eye. A physician was hastily sum-  
moned but life was extinct long before he  
reached the place. The dead boy is sur-  
vived by his parents, two brothers and  
one sister, Arthur, Norman and Mabel,  
all residing at home.

**Forest Lusher Crippled For Life.**

A most distressing accident happened  
at Titusville last Thursday afternoon, by  
which a Tionesta young man was ren-  
dered a cripple for life. Forest Lusher,  
son of Mr. and Mrs. Howard Lusher, had  
his left leg crushed under a trolley car in  
that city at about 3:30 in the afternoon  
of the day stated. He had gone with many  
others from this vicinity to take in the  
Fair, and was on his way to the fair  
grounds and had reached a point just west  
of the city limits, when car No. 4 of the  
Titusville street car line running west  
came along. The car was in charge of  
William West, motorman, and Conductor  
Frank Witherop, while a trailer that was  
attached ahead of the car was in charge of  
Conductor George N. Hess. Just as the  
cars had reached a point along the  
macadam road, above Schwartz's lane,  
where the sidewalk is located on a slight  
elevation, Forest ran out onto the road-  
way with the intention of jumping aboard  
the trailer, which was an open car. He  
failed in his effort and being struck by  
the car, was knocked down. According  
to spectators, the young man fell in such  
a manner as to leave his left leg project-  
ing across the right hand rail and the  
wheels ran over him before the car could  
be stopped, though the power was shut  
off and the brakes strongly applied.

Doctors were summoned from the fair  
grounds, Dr. J. C. Logan of Titusville  
and A. W. Goodwin of Oil City respond-  
ing to a call. They were promptly on  
the scene and directed that the injured  
man be taken to the city hospital. At the  
institution it was discovered that the left  
leg had been so badly crushed that am-  
putation was imperative, and it was  
taken off between the knee and ankle.  
The patient suffered greatly from shock  
and pain, but has since been doing well un-  
der the trying circumstances. He is aged  
22 years and is a young man of strong  
constitution, having followed drilling  
with his father since he was 16 years of  
age. His parents were promptly notifi-  
ed of their son's misfortune and started  
at once to his bedside, and remained with  
him several days. It will doubtless be  
several weeks before the young man is  
able to leave the hospital.
