COMING TO TIONESTA

Of Interest To Every Sick Person

Dr. Rhoads, of Pittsburgh, specialist in chronic diseases, will be at the Central Hotel, Tionesta, Wednesday, Sept. 23, 1914, giving all who are sick an opportunity to consult this eminent specialist free of charge and get his advice and treatment right at your home. Dr. Rhoads has decided to visit this place by request of people living here who otherwise would not have the chance to consult him. I realize that a visit to Pittsburgh to see me would be a hardship to the sick, therefore, I come to you, believing that more good can be accomplished to see the largest number of sick. I ask therefore all who need the services of an expert specialist in chronic and long-standing diseases to call and see me, consult me free of charge, get my advice and if I find after examining you that I cannot cure you I will gladly tell you, and if your case is curable which in 90 per cent., with my new treatment get well, I will accept your case.

WHAT I CURE.

I cure rheumatism, no matter how long standing. I give you relief at once. My treatment removes the cause of it, purifies the blood, relieves the kidneys at once.

I cure kidney and bladder trouble. If you have kidney trouble, pain in back, urine highly colored, dark sediment, pain along spine, weak back and headaches, come to me and let me show you why I can give you a cure—does the urine burn you, pass it too frequently, pains in the bladder and prostate gland. I can relieve you at once and give you a permanent cure. This is especially the trouble with middle aged persons and if neglected, causes more distressing pains as you grow older. I cure this in a very short time.

TO SUFFER FROM STOMACH OR LIVER TROUBLES?

Have you pains after eating, does your food disagree with you, suffer from constipation and gases in the bowels? Then come and consult me. I will cure you in one month, complete restoration to health. My treatment is different from the old pills and nauseous medicines you have been taking. It cures.

SKIN AND BLOOD DISEASES.

If you have blood poison, which causes eruption, pimples, sore throat, eczema, and all rash and sores, no matter how long you have been sick, I can cure you of the disease, many cases with one treatment.

DISEASES OF WOMEN.

I positively cure all unnatural conditions that you may be suffering from. My home treatment has been used by thousands with benefits in every case. Come and let me advise you and a cure awaits you.

I cure lung trouble, nervous diseases, epilepsy, catarrh, piles, and all chronic and special diseases.

DISEASES OF MEN.

YOUNG MEN—I especially invite men who are sick, nervous, weak, despondent, loss of ambition, no desire for work or pleasure, I want you to call and get my special advice. I cure blood diseases, varicocele, weakness, losses and drains; stopped in ten days. Ulcers, loss of ambition, nervous debility, lack of energy and all special diseases of a private nature. Consult me confidentially, and I assure you of a permanent and lasting cure. No matter how long you have been sick or the nature of your disease.

REMEMBER.

I will make regular monthly visits to your town, and no matter what your disease is, I want you to come and consult me. I have treated only chronic diseases for 25 years, and if you are sick, you need the advice and care of a man who has had the proper training and experience to cure you.

BRINGS SURVIVORS HOME

Revenue Cutter Bear Rescues Portion of Stefansson Expedition.

Report received by the revenue cutter service from Captain Cochran of the revenue cutter Bear brings the news that the cutter has rescued eight members of the Stefansson expedition, a part of which was caught in the ice floes of the far northwest about a year ago. Since then the members of the party who have survived held out on Wrangell island.

The names of two members of the party who died are given and another was accidentally killed. Eight others are missing. Stefansson himself became separated from part of his expedition who were on the steamship. Stefansson is still in the far north conducting his explorations on behalf of the Canadian government. Messages

have been received from him which show that he and others of the original party are alive.

The following telegram was received last night from Captain Cochran of the revenue cutter Bear:

"Bear returning to Nome with following members of Canadian exploration party: Munro, Williamson, McKinley, Hadley, Chaf, Templeman, Williams, Mauver and Eskimo family. All doing well and under care of surgeon. Expect to arrive on Sunday. Party was rescued by schooner King and Wing Sept. 7. Transferred to a small boat Sept. 8 in latitude 69.55; longitude 175.30. Malloch and Manen died of nephritis. Brady accidentally shot. Eight missing men who never reached Wrangell island. Bear reached within twelve miles of Herald island. Clear weather and heavy ice. Unable to land on island. No signs of life."
