AND A SURE CURE FOR

AND A SURE CURE FOR

AND A SURE CURE FOR

All Mercurial Diseases.

It is a conveniently arranged Band, containing a medicated compound, to be worn around the Waist, without injury to the most delicate persons, no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal nedictines which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medical properties contained in the Band, come in contact with the blood and reaches the disease, through the pores of the skin, effecting in every instance a perfect care, and resteres the parts afflicted to a healthy condition. This fland is also a most powerful ANTI-MERCURIAL agent, and will entirely relieve the system from the permicious effects of Mercury. Moderate eases are cured in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long standing.

PRICE \$2.00, to be had of Druggists generally, or can be sent by mail or express, with full directions for use, to any part of the country direct from the Principal Office.

THE ABOVE IS A PORTRAIT OF DAVID M'CREARY. Sworn statement of David M'Creary, of Napier tp.,

Sworn statement of David M'Creary, of Napier tp., Bedford county:

In April, 1856, as near as I can remember, a small pinple made its appearance on my upper lip, which soon became enlarged and sore. I used poultices of sorrel, and a wash of blue vitriol, without effect.—Finding the sore extending, I called on Br. Ely, cf Schellsburg, who pronounced it CANCER, and prescribed a wash of sugar of lead and bread poultices. Finding these remedies of no avail, I called upon Dr. Shaffer, of Davidsville, Somerset county, who also pronounced the disease Carcer, and gave me internal and external remedies—the latter consisting principally of caustic; but all to no purpose as the disease continued spreading toward the nose. I next used a preparation of arsenic, in the form of salve. This for a time checked the disease, but he inflamation soon increased. I called upon Dr. Statler, of St. Clairsville, Bedford county, who also pronounced the disease Cancer, and applied a salve said to be a never failing remedy, but it had no effect whatever in checking the spread of the sore. In December in the same year, the disease had eaten away a greater part of my upper lip, and had attacked the nose, when I went to Cincinnativener I consulted Prof R. S. Newton, of the Eclectis Medical College. He pronounced the disease "a cuaneous Cancer, superinduced by an inordinate use of mercury." He applied mild zinc ointment, and gave me internal remedies. My face healed up, but the inflammation was not thoroughly removed. In February, 1857, he pronounced me cured, and I left for home. In April the disease again returned, and so violent was the pain that I couid not rest at night. Late in May I returned to Cincinnati, and again placed myself under the charge of Dr. Newton, with whom I remained ustill september, during which time he used every known remedy, and partly succeeded in checking the disease, but when I returned home there were still three disease, but when I returned home there were still three disease, but when I returned home there were Certificate from the Mayor of Rochester.

A Bard Sore Leg Current—Pittsburgh, September is, 1861—I hereby certify that I have had a sere-leg for over a year. It was covered with ulcers and sores a dark of the I was unable to do anything for a long time, for at least six months. I tried several of the best does not have the discovery and the city, but without any benefit; finally I called on Dr. Keyer, and I am entirely well, and have continued well for six months. I am employed at the Eagle Engine House on Fourth street, where any one can see me.

READ THIS CURE.—I was afflicted with a horrid disease in my feet and ankies, so much so that for six weeks I was confined to my berl, and at other times to my clair, where I was compelled to sit for weeks. I was in the care of both our eminent physicians for a long time, but they could do nothing to effect a cure or ease my pain. My feet and legs became very much swollen, and having heard of your Blood Searcher (although I had very little faith in it), I was induced by Messrs Alexander & Son, agents at this place, to try it. I had not used one bottle before I began to find immediate relief. I tried another, and ain new able to walk about without crutches. I have tried other patent medicines, but received no benefit. I take pleasure in recommending your Blood Searcher above all others, to those who may be afflicted as I have been.

Yours, truly.

PETER REMAIN.

BLAENOVON, Aug, 1861.

SIE:—An old woman in this place has wished me to write you respecting LINDSEY'S BLOOU SEARCHER, from which she found great benefit and wishes to have a little more. She has been suffering from a disease of a chaneous nature for the fast six or seven years. Her daughter, who is living in America, obtained it for her, and sent her eighteen bottles. She is now quite out of it, and I have written to her daughter twice and have received no arwer; of course she is anxious to get more, to get completely cured. I told her I would write to you for the agency in this country, and she felt very much pleased to hear me say so. I now beg to ask you on what terms you will supply me; you will please bear in mind the carriage, and supply me as cheap as possible. The carriage on the one dozen bottles was £1 8s 6d. The medicine was a present fram her daughter. I would like to have the Blood Searcher in a jar or small cask, if you can sead it is this way, or in pint or quart bottles. I will send a bill through bank or registered letter, which ever with he mest convenient to you, if you will send me carrier's receipt of bank or registered letter, which ever will be most convenient to you, if you will send me carrier's receipt of
the parcel as security. I walld send you a stamp to
