WAYNESBURG, PA.

Wednesday, Dec. 11, 1861.

DEMOURATIC MEETING. There will be a Democratic Meeting, in

the Court House, in Waynesburg, on Tuesday evening, (of Court week,) 17th inst .-And as business of much moment to the party is to be transacted, it is hoped that a large number of the Democracy of the county will convene at that time.

R. A. McCONNELL, Chairman Dem. Co. Com.

Dec. 11, 1861.

Accounts.

We send out accounts this week to all our subscribers who are a year or more in arrears. We trust all will respond promptly and cheerfully, and enable us to meet our obligations for Paper, Labor, &c., which are very heavy.

Those who have already kindly remembered us have our hearty thanks.

Mistakes.

If, in making out our accounts against subscribers, we have made any mistakes, we shall be happy to correct them so soon as informed of the fact. We have, in some instances, made out the accounts a few weeks ahead, in order to make it reach the middle or end of a volume.

NEGRO EMANCIPATION.

The tone of the fanatical Abolition prints and politicians becomes bolder daily, and affords confirmation of the fact that their only object in this war is to exterminate slavery. Many, if not all of them, would evidently prefer a final separation and a Northern Republic to a reconstruction of the Union on the old basis, as it was founded by Washington, Jefferson, Madison, and their compatriots.-"No union with slaveholders" is their motto, and the arming and emancipation of the slaves their programme. If their mad policy is countenanced and inaugurated by the Administration, the country will be hopelessly dismembered and "chaos will come again." We await with anxiety the enunciation of the President's burpose on this subject. If he is faithful tenant in the Ringgold Cavalry. to his official obligations, all will be well, and we shall augur an early termination of the war. If he is not, God only knows restraints. It would inevitably divide the people of the North, if it did not make them violent antagonists of the Government itself, would hopelessly lose us the border slave States, and would indefinitely spread and prolong the war. Our dependence, in this exigency, is upon the firmness and patriotism of the President, and we trust we are not leaning on a brittle reed. Nous verrons.

Our readers will find the Resolutions offered in Congress on this subject in another column. Action must be had on them, and the sooner the better. Let there be no dodging,-let us know at once who are for the Union of our fathers, who are for confining the President and the Government to their constitutional sphere, and who are against it. In no other way can the war be successfully terminated, and the event will prove it, than by adhering to the wise policy hitherto pursued on the subject of slavery.

HINTON ROWAN HELPER.

This notorious individual, the author of that Abolition campaign document known as the "Impending Crisis"—i. e., the "crisis" now upon the country-has received from the President the lucrative appointment of Consul to Buenos Ayres.—We marvel at this selection. Instead of being thus honored, this fellow should have been compelled to shoulder a musket, and placed wherever danger is most were so instrumental in bringing about.— Lancaster Intelligencer.

of profit and dignity, he should have been great advantage in making his purchases. "strung up" as an enemy to the peace and unity of the country. No more dangerous all skeptical about his cheap buying or his men in the community than abolition agitators of the "Helper" school.

JUDGE GILMORE.

Hon. S. A. GILMORE, on his late retirement, from the President Judgeship of this respect and esteem for him as a gentleman, and as a testimony of their appreciation of the impartiality and ability with which he has discharged" his public duties .-Learned in the law, with an intellect of great quickness and vigor, and a mercy whose "quality was not strained," few men have filled the position with greater ac- worth, five dollars a head. ceptability to both the Bar and the people, or with more conspicuous ability.

FARMERS' & DROVERS' BANK.

The following gentlemen have been elected Directors of this institution: Charles A. Black, President.

Daniel Boner, John C. Flenniken, Richard Phillips, A. A. Purman, Wm. T. E. Webb, Meeker W. Denny, THE PRESIDENT'S MESSAGE.

We lay this important document before our readers in to-day's Messenger. As a State paper, it is one of the weakest we have ever had from the national Executive. being, as a cotemporary well remarks, a "dry, plain, rambling and common-place" production. It will be seen that the President is not, as yet, prepared to adopt the emancipation and negro-arming policy of the Abolition disunionists. How soon he may be ready to recommend and inaugurate it, however, we are left to conjecture. If he is as feeble at the knees as we fear he is, it will not be a great while before he will be able to go the whole "nigger figure." A little courage and back-bone, on the part of the President, at this juncture, would have put an effectual quictus on the crazy and mischievous fanatics who seem bent on the ruin and disintegration of the country. From our heart, we regret that Mr. Lincoln has not spoken out in more

manly and decided tones in their rebuke. NEWS.

The Message excludes our usual variety of news matter. Nothing, however, of special interest has occurred to our arms during the past week.

WAYNESBURG COMMON SCHOOLS.

Neighbor Cooke of the Republican administers something of a castigation in his last paper to the School Directors of our village, who have sold the school-house belonging to the District, have failed to provide a new one, and have left the children to get instruction where they can and as they can. As a consequence, the children of such as are unable to pay tuition in private schools are wholly without the advantages intended to be afforded by the State to all classes of our people by our liberal system of Common School education. We do not know who our Directors are, nor do we care to know; but we do know they are not doing their duty and richly deserve a weekly lampooning. Blaze away at them, brother Cooke, "we'll hold your bonnet," and help you if you need it.

We respectfully suggest that such of the Directors as are unwilling to do the "clean thing" resign at once, and give the people assembled and ready to proceed to assembled in Grand Salt Lake City. trains will be run on that road until a chance to get men who will discharge their duties faithfully and judiciously, and who will give us a school which will be a credit to the town and county.

PROMOTED.

Our townsman, MILTON M. KENT, who went out as a Lieutenant in the "Greene County Rangers," has been appointed Adjutant of the 8th Regiment of Pennsylvania Volunteers. Lieut.
