FRAUD TO BE PUNISHABLE WITH DEATH. The Committee on the conduct of the war have resolved to advise the itamediate passage of a bill to punish with death any person who com-mits a fraud upon the Government, whereby a soldier is bodily injured, ss for instance in the sale of unsound provisions. Also, to punish with imprisonment and confiscation of all property and Government dues all contractors who in any way defraud the Government in the qualities of goods sold, or services pretended to be rendered to the Government:

A CONTRACT TO BE ANNULLED: It is understood that the contracts let out by Secretary Cameron, for over a million Springfield muskets, and over a quarter of a million rifles and carbines, will be ordered to be nnulled by Congress. They will not be available in the present war, and as they are to cost an average of seven dollars each above the manufacturer's prices, they involve a loss of nearly nine million dollars to the Treesury.

SECRETARY CAMERON'S REPLY.

General Cameron, in replying to the resolution of the Senate calling for information relative to army contracts and payment of troops, says

"I take occasion to state that I myhelf have not made a single contract for any purpose whatever, having always interpreted the laws of Congress as contemplating that the Reads of Bureaus, who are experienped and able officers of the regular trmy, shall make all contracts for empplies for the branches of the sersice under their charge respectively.'

The Anaconda Coils Again. The New York Times publishes, is from the "highest authority," a letter dated at Washington, from which we take the following extract: "I write warmly about Gen. McClelhan, because I know and love the man. IRON BUILDINGS, FIFTH ST. Your suggestion to attack Manassas, even at the risk of defeat, on the ground that we had better be beaten than rot to pieces, is not like your usual good sense. Any military man would tell you that to hurl our forces against those strong entrenchments would be sheer madness. But ments would be sheer madness. But Gen. McClellan has them caught in their own trap. They are like a fox Also, Duff's system of in a burrow with one hole, where they must soon be forced out, and then Gen. McClellan will fall upon Duff's new system of RAILROAD BOOK-KEEPING them like a thunderbolt. The public will not then complain of his want the country of the country of the solution of the solut of energy. I tell you it will be so grand plan of the campaign, I repeat that the rebels are doomed, and Secession will never again raise its hyhead in the land. Again I say, look out for 'a short war and a desperate one.'"

Another Financial Scheme.

The refusal of the Committee of Ways and Means to sanction the financial scheme of Mr. Chase and the Bank Presidents, has led to the presentation of a new plan, which it is said can pass Congress: 1. An issue of demand notes to

meet the wants of the people for currency, not to exceed three hundred millions, receivable for Government dues, and convertible into six per cent. bonds.

2. An issue of six per cent. Bonds,

5. Registered bank notes to be issued for circulation to corporations or individuals, on pledge of Government

6. No direct taxation, if there is a

reasonable assurance of two millions of revenue without it.

AYER'S PILLS.

AYER'S PILLS.

A RE you sick, feeble and complaining? Are you out of order with your system deranged and your feelings uncomfortable? These synthoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered humors—purify the blood, and let the fluids move on anobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, proflucing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surfering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness or Constipatioa. As a Dinner Pill they are 10th agreeable and effectual.

Price 25 cents per box, or five boxes for one dollar. Prepared by Dr. J. C. AYER, Lowell, Mass. WM. L. CREIGH. WM. A. PORTER and M. A. HARVEY, Waynesburg, and one trader in every town in the country.

Bedford county:

In April, 1856, as near as I can remember, a small pimple made its appearance on my upper lip, which soon became enlarged and sore. I used poutices of sorrel, and a wash of blue vitriol, without effect.—Finding the sore extending, I called on Dr. Ely, of Schellsburg, who pronounced it CANCER, and prescribed a wash of sugar of lead and bread poutifices. Finding these remedies of no avail, I called upon Dr. Shaffer, of Davidsville, Somerset county, who also pronounced the disease Cancer, and gave me internal and external remedies—the latter consisting principally of caustic; but all to no purpose, as the disease continued spreading toward the nose. I next used a preparation of arsenic, in the form of salve. This for a time checked the disease, but the inflamation soon inferenced. I called upon Dr. Statler, of St. Clairsville, Bedford county, who also pronounced the disease Cancer, and applied a salve said to be a never failing remedy, but it had no effect whatever in checking the spread of the sore. In December in the same year, the disease had eaten away a greater part of my upper lip, and had attacked the nose, when I went to Cincinnatiwhere I consulted Prof R. S. Newton, of the Eclectic Medical College. He pronounced the disease "a cutaneous Cancer, superinduced by an inordinate use of mercury." He applied mild zinc ointment, and gave me internal remedies. My face healed up, but the inflammation was not thoroughly removed. In February, 1857, he pronounced me cured, and I left for home. In April the disease again returned, and so violent was the pain that I couid not rest at night. Late in May I returned to Cincinnati, and again placed myself under the charge of Dr. Newton, with whom I remained until September, during which time he used every known remedy, and partly succeeded in checking the disease, but when I returned home there were still three discharging ulcers upon my face. I continued using Newton's preparations, and also medicine that I got from Dr. Ely, but the Cancer continued growin NEW GROCERY.

Although my face is sadly disfigured, I am still grateful to a benign Providence who has spared my life, and which has been done through the instrumentality of LINDSEY'S IMPROVED BLOOD SEARCHER.

DAVID M'CREARY.

Sworn and subscribed, this 31st day of August, A. D. 1858, before me, one of the justices of the peace in, and for the borough of Hollidaysburg, Blair county, Pa.

Witness—U. J. Jongs.

We also refer to the case of Nancy Bleakney, • Elderton, Armstrong county, Pa., cured of Scrofula after being unable to get out of bed for three years. To the case of a lady in Ansonville, Clearfield county, who was also afflicted with Scrofula in its worst form. form.

To the case of George Meisel, residing in Carrolltown, Cambria county, Pennsylvania, who was abadiy afflicted with Cancer that it ate his entire nose oft, and his case was worse, if possible, than MeCreary's.

The particulars of these cases—every one of which was cured by the use of the "Blood Searcher"—may also be found in a circular to be had of any of the agents.

A BAD SORE LEO CURED.—Pittsburgk, September 18, 1861—I hereby certify that I have had a sore leg for over a year. It was covered with ulcers and sores se that I could not work for nearly a year. My leg swelled so that I was unable to do anything for a long time, for at least six months. I tried several of the best doctors in the city, but without any benefit; finally I called on Dr. Keyser, at No. 140 Wood streets who only stended me about two weeks, and gave me but two bottles of medicine, and I am entirely well, and have continued well for six months. I am employed at the Eagle Engine House on Fourth street, where any one can see me.

READ THIS CURE.—I was afflicted with a horrid disease in my feet and ankles, so much so that for six weeks I was confined to my bed, and at other times to my chair, where I was compelled to sit for weeks. I was in the care of both our eminent physicians for a long time, but they could do nothing to effect a cure or ease my pain. My feet and legs became very much swollen, and having heard of your Blood Searcher (although I had very little faith in ii), I was induced by Messrs. Alexander & Son, agents at this place, to try it. I had not used one bottle before I began to find immediate relief. I tried another, and am now able to walk about without crutches. I have tried other patent medicines, but received no benefit. I take pleasure in recommending your Blood Searcher above all others, to those who may be afflicted as I Lave been. Yours, truly.

A POLLO, Armstrong Co., Pa., Dec. 12, 1859.

We, the undersigned citizens of A pollo, being acquainted with the facts in the above statement, testify to their correctness.
